His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Health and Human Services, New Hampshire Hospital, to enter into a **Sole Source** contract with Dr. Wendy M. Martin, MD (VC #431377), Concord, NH, in the amount of \$79,200 for psychiatrist services at Philbrook Adult Transitional Housing (PATH) with the option to renew for up to two (2) additional years, effective upon Governor and Council approval through October 31, 2023. 86% General Funds. 14% Other Funds (Provider Fees).

Funds are available in the following account for State Fiscal Year 2023, and are anticipated to be available in State Fiscal Year 2024, upon the availability and continued appropriation of funds in the future operating budget, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

2024	102-500731	Contracts for Prog Svc	94090100	\$28,800
			Total	\$79,200

EXPLANATION

This request is **Sole Source** because the Department's previous contracted psychiatry provider at Philbrook Adult Transitional Housing chose to terminate his contract earlier than anticipated. To ensure patient care and programmatic services at Philbrook Adult Transitional Housing are not disrupted, the Department had to find a rapid solution to provide psychiatry services. This contract is for one year with a two-year option to renew, with the intent that the Department will competitively bid this service in the coming year.

The purpose of this request is for the Contractor to provide psychiatric services to individuals admitted to the Department's Philbrook Adult Transitional Housing on the Hugh J. Gallen State Office Park campus.

The individuals admitted to Philbrook Adult Transitional Housing have been diagnosed with serious mental illness, but need a lesser level of care than provided at New Hampshire Hospital. Transitioning appropriate clients from New Hampshire Hospital to Philbrook Adult Transitional Housing allows more beds to be available at New Hampshire Hospital for individuals who are remaining in hospital emergency departments across the state instead of being admitted to New Hampshire Hospital.

Approximately 75 individuals will be served from February 1, 2023 to October 31, 2023.

The Contractor will provide psychiatric services including conducting assessments of individuals, diagnosing psychiatric conditions, prescribing medication, and implementing individual treatment plans and clinical services.

The Department will monitor compliance of the contracted services through monthly reporting of service hours completed and written notes on each patients' progress.

As referenced in Exhibit A, Revisions to Standard Agreement Provisions, Section 1, Revisions to Form P-37, General Provisions, Subsection 1.1 of the attached agreement, the parties have the option to extend the agreement for up two (2) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval.

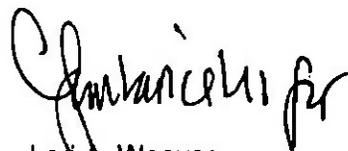

Should the Governor and Council not authorize this request, the Department's ability to provide clinical services at Philbrook Adult Transitional Housing will be affected, and patients at New Hampshire Hospital may not be able to transfer to Philbrook Adult Transitional Housing. This could cause delay for patients being admitted to New Hampshire Hospital from hospital emergency departments statewide.

Area served: Residents at Philbrook Adult Transitional Housing.

Source of Funds: 86% General Funds. 14% Other Funds (Provider Fees).

In the event that the Other Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Weaver

Interim Commissioner

In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. 5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
