Re: **PETITION – Troy 40370 and Troy 40371**

The Department of Transportation requests placing this item on the Consent Calendar.

Under RSA 230:14, attached is a petition for a hearing on the Troy 40370 project, the proposed replacement of the existing Red List concrete rigid-frame bridge that carries NH 12 over the South Branch Ashuelot River (Br. No 090/114).

Also included in the petition for a hearing is the companion Troy 40371 project that will rehabilitate the existing Red List bridge that carries NH 12 over NHRR (ABD) (Br. No 096/091). The NH 12 road improvements will include approximately 700 feet of roadway reconstruction and include side road tie-in improvements.

As the petition is not for the limitation or control of access, a Commission of Three Persons should be appointed by the Governor with the advice of the Executive Council to hold a public hearing. The commission shall determine whether there is occasion for the layout required to address both red list bridges and make necessary improvements to the roadway approaches for Project 40370 and Project 40371.

**Suggested Commission:**

David Wheeler, Executive Councilor  
Jennifer Rhodes, Commission member  
Edwin Smith, Commission member

**Suggested Budget:**

6 workdays @ \$50.00 = \$300  
656 miles @ \$0.625 = \$410  
TOTAL = \$710

Respectfully submitted,

William J. Cass  
Commissioner

WJC/gbw  
Attachment: petition

- P E T I T I O N -

To His Excellency, the Governor, and the Honorable Executive Council:

I, William J. Cass, Commissioner of the New Hampshire Department of Transportation, in accordance with RSA 230:14, propose these two projects in the Town of Troy:

**TROY 40370**

The purpose of the Troy 40370 project is to replace the existing Red List concrete rigid frame bridge that carries NH 12 over South Branch Ashuelot River.

**TROY 40371**

The purpose of the Troy 40371 project is to rehabilitate the existing Red List bridge that carries NH 12 over NHRR (ABD) (Br. No 096/091). The NH 12 road improvements will include approximately 700 feet of roadway reconstruction and include side road tie-in improvements.

I, William J. Cass, Commissioner of the New Hampshire Department of Transportation, in accordance with RSA 230:14 propose to replace the existing Red List bridge for the Troy 40370 project and rehabilitate the Red List bridge for the Troy 40371 project, both in the Town of Troy.

DATED: December 21, 2022
