### REQUESTED ACTION

Authorize the Department of Safety, Division of Homeland Security and Emergency Management (HSEM) to retroactively enter into a grant agreement with the Town of Hampstead, (VC#177515-B001) 11 Main Street, Hampstead, NH, 03841, for a total amount of \$200,000.00, to expand the community's emergency operations center (EOC) effective upon Governor and Council approval from September 1, 2022 through August 31, 2025. 100% Federal Funds.

Funding is available in the SFY 2023 operating budget as follows:

02-23-23-236010-80920000	Dept. of Safety - Homeland Sec-Emer Mgmt -- EMPG	SFY 2023
072-500574	Grants to Local Gov't - Federal	\$200,000.00
Activity Code: 23EMPG-EOC 2022		

### EXPLANATION

This item is retroactive due to a misunderstanding at the local level regarding the funding mechanism for this federal pass-through Emergency Operations Center Grant Program (EOCGP). The Town began work on this project upon direct notification of award prior to coordinating with HSEM for receipt of these Federal pass-through funds. The funding for this project is from the FFY 2022 Congressionally Directed EOCGP in which communities submitted applications directly to Congress for review and approval.

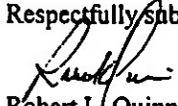

The purpose of this grant is for the Town of Hampstead to expand the community's emergency operations center. This will be accomplished by creating a new EOC space within the approved addition to the existing fire department building and provide the town more space while utilizing modern technology to effectively prepare, mitigate, respond, and recover from any declared events. The grant listed above is funded from the FFY 2022 Emergency Operations Center Grant Program (EOCGP), which was awarded to the Department of Safety, Division of Homeland Security and Emergency Management (HSEM) from the Federal Emergency Management Agency (FEMA). The grant funds are to be used to equip, upgrade, or construct emergency operations centers to provide fully capable facilities to ensure continuity of operations and continuity of government in major disasters or emergencies.

This Emergency Operations Center Grant Program is 75% federally funded by FEMA with a 25% match requirement supplied by the subrecipient. The subrecipient acknowledges their match obligation as part of Exhibit B & C to their grant agreement.

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council

In the event that Federal Funds are no longer available, General Funds and/or Highway Funds will not be requested to support this program.

Respectfully submitted,

*M. Worthen* - The Fire Department has been finally notified that they have been awarded the EM Grant for the \$200,000 from the Senator Sheehan office. The grant will be funneled through the State of NH and is a 75/25 split. The total is \$266,667.00 and the town will need to come up with \$66,667.00, which is accounted for in the funding for the addition.

*M. Worthen made the following motion: "Motion to accept the terms of the Emergency Operations Center (EOC) Grant as presented in the amount of \$200,000.00 for the expansion of the community's Emergency Operations Center (EOC). Furthermore, the Board acknowledges that the total cost of this project will be \$266,667.00, in which the Town of Hampstead will be responsible for a 25% match (\$66,667.00)." The motion was seconded by S. Morse.*

J. Guthrie suggested that the balance the town is responsible for (\$66,667.00) could come from the ARPA funds. L. Warnock stated that although she appreciates the thought, but the funds were in the budget for the addition and there may be a need for those funds down the road and she would rather have them available then. J. Guthrie said it didn't matter to him one way or the other. There was no further discussion on using ARPA funds for the 25% share.

*S. Morse* - He reported that the Energy Committee held their initial meeting. They laid the groundwork and did some brainstorming ideas. They asked that S. Theriault give the department heads a heads up that the committee will be going into all the buildings to see what could be done for energy savings such as lights. It was noted that there is some older technology such as fluorescent lights where now LED lights are the most energy efficient. They will look at going forward to see what can be done within the budget and put together a CIP plan. They will be meeting again next month.

He also reported that he has checked into the town garage and the staff is doing well and efficient. The staff promoted is enjoying their new responsibility.

*L. Warnock* - The Water Resource Committee is looking to place signs (similar to election signs) out around town, with different ones for the three levels. They felt that this would be one more way to get the word out to the town. It was noted that there is a sign ordinance and that these signs didn't really fit into a category. S. Murphy stated that the thought the town didn't need to follow its own rules. The Water Resource Committee is acting as the town and didn't need to follow the regulations on the time they were allowed out. The Selectmen agreed to allow the committee to move forward.

A motion was made to come out of Nonpublic Session by S. Murphy with a second by J. Guthrie at 9:07 pm.

## CERTIFICATE OF COVERAGE

The New Hampshire Public Risk Management Exchange (Primex<sup>3</sup>) is organized under the New Hampshire Revised Statutes Annotated, Chapter 5-B, Pooled Risk Management Programs. In accordance with those statutes, its Trust Agreement and bylaws, Primex<sup>3</sup> is authorized to provide pooled risk management programs established for the benefit of political subdivisions in the State of New Hampshire.

Each member of Primex<sup>3</sup> is entitled to the categories of coverage set forth below. In addition, Primex<sup>3</sup> may extend the same coverage to non-members. However, any coverage extended to a non-member is subject to all of the terms, conditions, exclusions, amendments, rules, policies and procedures that are applicable to the members of Primex<sup>3</sup>, including but not limited to the final and binding resolution of all claims and coverage disputes before the Primex<sup>3</sup> Board of Trustees. The Additional Covered Party's per occurrence limit shall be deemed included in the Member's per occurrence limit, and therefore shall reduce the Member's limit of liability as set forth by the Coverage Documents and Declarations. The limit shown may have been reduced by claims paid on behalf of the member. General Liability coverage is limited to Coverage A (Personal Injury Liability) and Coverage B (Property Damage Liability) only. Coverage's C (Public Officials Errors and Omissions), D (Unfair Employment Practices), E (Employee Benefit Liability) and F (Educator's Legal Liability Claims-Made Coverage) are excluded from this provision of coverage.

The below named entity is a member in good standing of the New Hampshire Public Risk Management Exchange. The coverage provided may, however, be revised at any time by the actions of Primex<sup>3</sup>. As of the date this certificate is issued, the information set out below accurately reflects the categories of coverage established for the current coverage year.

This Certificate is issued as a matter of information only and confers no rights upon the certificate holder. This certificate does not amend, extend, or alter the coverage afforded by the coverage categories listed below.
