The Department of Transportation requests placing this item on the Consent Calendar.

Under RSA 230:14, attached hereto is a petition for a hearing on proposed improvements to the intersection of NH Route 28 and Stonehenge Road with a new roundabout.

As the petition is not for the limitation or control of access, a Commission of Three Persons should be appointed by the Governor with the advice of the Executive Council to hold a hearing as prescribed by RSA 230:14. This project will reconstruct the intersection of NH Route 28 and Stonehenge Road in Londonderry with a new roundabout improving the existing pavement, grading, and drainage conditions.
