### REQUESTED ACTION

Authorize the Department of Safety, Division of Homeland Security and Emergency Management (HSEM) to enter into a grant agreement with the Town of Marlborough, (VC#177434-B002) PO Box 487, Marlborough, NH 03455, for a total amount of \$4,000.00 to update the community's local emergency operation plan (LEOP). Effective upon Governor and Council approval through August 31, 2024. 100% Federal Funds.

Funding is available in the SFY 2023 operating budget as follows:

02-23-23-236010-80920000	Dept. of Safety - Homeland Sec-Emer Mgmt – EMPG	SFY 2023
072-500574	Grants to Local Gov't - Federal	\$4,000.00
Activity Code: 23EMPG 2021		

### EXPLANATION

The purpose of this grant is for the Town of Marlborough to update the local community's emergency operation plan. Governor and Council approval is required because the amount of previous awards to the Town of Lyme plus the amount of this grant yields a cumulative total that is over the \$10,000 approval threshold. The grant listed above is funded from the FFY 2021 Emergency Management Performance Grant (EMPG), which was awarded to the Department of Safety, Division of Homeland Security and Emergency Management (HSEM) from the Federal Emergency Management Agency (FEMA). The grant funds are to be used to measurably improve all-hazard planning and preparedness capabilities/activities, to include mitigation, preparedness, response, and recovery initiatives at the state and local level. Grant guidance and applications are available to all Emergency Management Directors and other qualified organizations in the State. Subrecipients submit applications to this office, which are reviewed by the HSEM EMPG Program Director, EMPG Program Coordinator, and Field Representatives and approved by the HSEM Director. The criteria for approval is based on grant eligibility in accordance with the grant's current guidance and the documented needs of the local jurisdictions.

The Emergency Management Performance Grants are 50% federally funded by FEMA with a 50% match requirement supplied by the subrecipient. The subrecipient acknowledges their match obligation as part of Exhibit B & C to their grant agreement.

In the event that Federal Funds are no longer available, General Funds and/or Highway Funds will not be requested to support this program.

Respectfully submitted,

Robert L. Quinn  
Commissioner of Safety

### SELECTMEN'S MEETING MINUTES November 30, 2022

Chairman Paight called the meeting to order at 10:00 am. Selectman Pitt and Selectman Nelson were present. Also in attendance were Ellen Smith, Town Administrator, Justin Frazier, Water/Sewer Operator, Rod and Sue McNabb, Roland Veaudry, and Dustin Franco.

Justin was in to discuss the McKinley Circle Water Project. As part of the last water project funded through the NHDES Drinking Water Ground Trust Fund, we were able to get engineered designs and bid documents to replace approximately 1,400 feet of pipe. Cost and lead time are issues, it is taking a year to get pipe. The board is being asked how they would like to move forward with this project. Dubois & King prepared the documents and did a cost estimation in December 2021, the project was put on hold due to rising costs. The board decided to put the project out to bid ASAP and ask for submissions by December 31, 2022. Justin will reach out to Galen at Dubois & King to revise some of the numbers and update material quantities before advertising the bid.

Justin left the meeting at 10:20 am.

The McNabb's were in to introduce themselves and to discuss a land use question. They were advised to go to the planning board for a consultation.

At 10:35 am the McNabbs left the meeting and Dan Wright and Jerry Chandler joined.

Dan and Jerry were in to discuss the proposal by a potential buyer of Dan's property on Bigelow Hill Road. There was a discussion about the board's policy on issuing a building permit on a Class VI road. It was brought to the board's attention that there is a structure on the land between his and 9 Bigelow Hill Road. The policy says that three or more residences on Class VI highways will require the roadbed to be brought up to town specifications... Is a cabin considered a residence?

Dan, Jerry, Roland, and Dustin left the meeting at noon.

Chairman Paight spoke to Tom Weller who said he is not going to make the November 30, 2022 deadline and is pushing out the deadline one week.

Selectman Pitt moved and Selectman Nelson seconded a motion to approve the meeting minutes of November 16, 2022, vote to approve was unanimous.

- Monadnock Disposal contract

Furthermore, the Board acknowledges that the total cost of this project will be \$8,000, of which the town will be responsible for a 50% match (\$4,000). The vote to approve was unanimous.

The DPW has raised concerns over the beaver deceiver installed on Stone Pond Road. The end of the culvert has been altered and prohibits the DPW from maintaining it. The board would like to meet with the property owner to discuss this.

TA Smith had a meeting with members of the Board of Directors of the Homestead Thrift Shop about ways the organization could financially support Marlborough. The Board of Directors voted to support the purchase of body worn and dashboard cameras for the police department. 50% of the project cost is being funded through a grant and the Homestead Thrift Shop has agreed to donate \$5,460, representing 50% of the town's obligation for year 1 plus 100% of the town's obligation for years 2 - 5 (\$4,095 donation per year). The Board of Selectmen on behalf of Marlborough residents' thanks the Homestead Thrift Shop for this generous donation. These funds will be accepted by the select board in due time.

## CERTIFICATE OF COVERAGE

The New Hampshire Public Risk Management Exchange (Primex<sup>3</sup>) is organized under the New Hampshire Revised Statutes Annotated, Chapter 5-B, Pooled Risk Management Programs. In accordance with those statutes, its Trust Agreement and bylaws, Primex<sup>3</sup> is authorized to provide pooled risk management programs established for the benefit of political subdivisions in the State of New Hampshire.

Each member of Primex<sup>3</sup> is entitled to the categories of coverage set forth below. In addition, Primex<sup>3</sup> may extend the same coverage to non-members. However, any coverage extended to a non-member is subject to all of the terms, conditions, exclusions, amendments, rules, policies and procedures that are applicable to the members of Primex<sup>3</sup>, including but not limited to the final and binding resolution of all claims and coverage disputes before the Primex<sup>3</sup> Board of Trustees. The Additional Covered Party's per occurrence limit shall be deemed included in the Member's per occurrence limit, and therefore shall reduce the Member's limit of liability as set forth by the Coverage Documents and Declarations. The limit shown may have been reduced by claims paid on behalf of the member. General Liability coverage is limited to Coverage A (Personal Injury Liability) and Coverage B (Property Damage Liability) only. Coverage's C (Public Officials Errors and Omissions), D (Unfair Employment Practices), E (Employee Benefit Liability) and F (Educator's Legal Liability Claims-Made Coverage) are excluded from this provision of coverage.

The below named entity is a member in good standing of the New Hampshire Public Risk Management Exchange. The coverage provided may, however, be revised at any time by the actions of Primex<sup>3</sup>. As of the date this certificate is issued, the information set out below accurately reflects the categories of coverage established for the current coverage year.

This Certificate is issued as a matter of information only and confers no rights upon the certificate holder. This certificate does not amend, extend, or alter the coverage afforded by the coverage categories listed below.
