ASSISTANT COMMISSIONER

January 25, 2023

His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Safety, Division of Homeland Security and Emergency Management (HSEM), to retroactively amend an existing grant agreement (PO#1080237) with the Town of Surry (VC#155117-B001), to extend the completion date only from August 31, 2022, to August 31, 2023 effective upon Governor and Council approval. The grant was initially approved by Governor and Executive Council on June 2, 2021, Item #112. 100% Federal Funds.

EXPLANATION

This item is retroactive due to a combination of staffing challenges at both the local and Division levels that caused processing delays. This request for an extension is necessary, as expressed by the community, because the project has experienced delays due to supply chain and delivery issues. It is agreed that an extension to August 31, 2023, approved through the Governor and Executive Council, would provide the Town of Surry ample time to complete the aforementioned tasks. HSEM has reviewed this request with the Federal Emergency Management Agency (FEMA) and it was determined that the date extension will not affect Federal funding.

In the event that Federal Funds are no longer available, General Funds and/or Highway Funds will not be requested to support this program.

Respectfully submitted,

Robert L. Quinn
Commissioner of Safety
