Source of Funds: 100% Federal Transfer from Other Agency.

EXPLANATION

This contract is **Sole Source** because it is the most cost effective option. It accelerates an existing Public-Private partnership with Primex NH Public Risk Management Exchange (Primex) to provide Cybersecurity Training and Exercises to Lower Political Subdivisions in New Hampshire. The Atom Group, LLC will provide up to 250 hours per quarter of Municipal Cyber Training and Exercise Services to accelerate and expand the existing Municipal Cyber Defense Program offered in partnership with the Primex. Primex, along with their underwriting entities, had previously vetted The Atom Group and selected them as their partner. Based on that experience we know that they provide high quality and very cost effective services. Since the administrative and communication structures are already in place these funds go directly to the rendering of services without the administrative burden that would typically be attached to a contract like this.

The Atom Group's Program includes four pillars of cybersecurity readiness for Municipal Government entities in the State of New Hampshire. These pillars are:

1. Proactive Education and Training,
2. Cybersecurity Emergency Response Planning and Tabletop Exercises,
3. Cybersecurity Vulnerability Overviews, Custom Content, and On-Demand Webinars, including a 20-part series of CIS Controls Implementation Groups 1 and 2, and

4. Hands-on workshops for IT personnel working for Municipalities that have significant cybersecurity responsibilities to safeguard public information systems and confidential data.

The Department of Information Technology respectfully requests approval of this contract.

Respectfully Submitted,

Denis Goulet

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. 5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall

be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.
