EMERGENCY RELIEF AND RECOVERY

February 24, 2023

His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Governor's Office for Emergency Relief and Recovery (GOFERR) to enter into an agreement with Strafford County Nursing Home (Riverside Rest Home), (VC #177478), 259 County Farm Road, Dover, NH, in the amount of \$15,353,548 in American Rescue Plan Act (ARPA) State Fiscal Recovery Funds (SFRF) as part of the County Nursing Home Infrastructure Program, which provides funds for capital investments to help mitigate and prevent the spread of future COVID-19 outbreaks in county nursing facilities, ensure facilities are safe for residents and their families, and help fund facility improvements, effective upon approval by Governor and Executive Council through September 30, 2024. This is an allowable use of ARPA SFRF funds under Section 602 (c)(1)(A) to respond to the public health emergency or its negative economic impacts. **100% Federal Funds.**

Funds are available as follows:

01-02-002-020210-Governor's Office for Emergency Relief and Recovery,
24690000 - ARP Grants and Disbursements

072 - 500574 Grants Federal

FY2023
\$ 15,353,548

EXPLANATION

\$50,075,000 was approved by Governor and Council on June 15, 2022 (Item 80B) to fund a County Nursing Home Infrastructure Program, which provides funds for capital investments designed to help mitigate and prevent the spread of future COVID-19 outbreaks in county nursing home facilities, ensure facilities are safe for residents and their families, and help fund facility improvements, where the county is able to provide the majority of funding for an identified project.

GOFERR facilitated two funding application rounds, the first of which was competitive and resulted in two awards, which were approved by Governor and Council. Not all eligible applications in Round 1 received funding, but eligible applications not funded in Round 1 were automatically considered for funding in Round 2, which was designed to be noncompetitive and result in the pro rata distribution of funds, subject to a cap, if eligible applications and projects exceeded remaining funds for the program. Approximately \$19.6 million in funding was available in Round 2.

In both rounds of the program, the resulting awards are 0% interest forgivable loans. Counties must contribute at least 60% of eligible project costs, with GOFERR providing ARPA SFRF to cover up-to the

remaining 40%. This program was open to all 10 counties in New Hampshire. All awards are presented for review and approval by the Governor and Council, and projects must comply with requirements established by ARPA SFRF guidance.

As with Round 1, multiple Counties applied in Round 2, and if all awards are authorized by Governor and Council, every eligible applicant will have received funding toward their projects. Requested funds exceeded available funds and has resulted in the need to equitably distribute those funds across eligible applicants and projects.

This award will provide funding in support of Strafford County's investment in the Riverside Rest Home, where the County is developing a new 215-bed nursing facility. Due to the significant overall cost of developing the facility, funding constraints in this program, and time limitations for use of ARPA SFRF, the award for this project and the threshold for forgiveness of the corresponding loan is limited to a distinct phase of the overall development of the facility. This is critical to ensure the project itself is timely started and completed but also to maintain ARPA SFRF compliance.

This award was therefore structured to provide funding to the County for the initial phase of the development project, from the project design up to and including structural concrete being poured and placed. This includes stages, such as: design, permitting, site assessment and preparation, utility placement and upgrades, foundation placement and masonry, metal structure framing, on site fire protection system installation, and structural concrete pouring and placement.

If authorized, up to \$15,353,548 would be provided to Strafford County on a reimbursement basis to support this initial phase of the construction of the new facility.

This request is an allowable use of ARPA SFRF funds under Section 602 (c)(1)(A) to respond to the public health emergency or its negative economic impacts and may meet criteria under other defined ARPA SFRF eligibility categories as well.

In the event that Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Chase Hagaman,
Deputy Director, GOFERR

**COUNTY NURSING HOME INFRASTRUCTURE PROGRAM (CNHIP)
LOAN AGREEMENT
FOR STATE FISCAL RECOVERY FUNDS**

1. THE PARTIES

Strafford County (the "Borrower"), represented by its authorized agent, Raymond Bower (the "Borrower's Agent"), hereby enters this Loan Agreement for State Fiscal Recovery Funds (this "Agreement") with the State of New Hampshire, Governor's Office for Emergency Relief and Recovery (the "Lender"), as of the effective date of this Agreement. Borrower and Lender shall collectively be known herein as "the Parties".

2. PURPOSE OF AGREEMENT

Entering into this Agreement results in the Lender agreeing to use American Recovery Plan Act (ARPA), State Fiscal Recovery Fund (SFRF) funds to award the Borrower a loan in an amount equal to or less than 40% of the eligible expenses on approved capital improvement project (the Project) to improve the Riverside Rest Home. This award is subject to Strafford County assuming liability for the remaining amount of the cost of the capital improvement project, which shall be an amount no less than 60% of the total amount of the capital improvement project(s). The Project(s) shall have been reviewed and approved by the Lender.

Should the eligible costs of the Borrower's project result in the value of this Agreement exceeding 40% of eligible project costs, the value shall be reduced to an amount not to exceed 40% of eligible Project costs to align with the maximum award permitted in the terms of the program and application that resulted in this award.

A. The Lender agrees to:

The Lender agrees to loan the Borrower an amount up to the sum of \$15,353,548 (the Loan Amount) for approved capital expenditures used to address the needs of the residents at the Riverside Rest Home. The Loan Amount will be subject to an interest rate of 0%, and the Loan Amount will be forgiven upon completion of the project on or before December 31, 2025, or an otherwise set date as determined below.

B. The Approved Project

The Borrower is building a new 215-bed nursing facility in Strafford County in accordance with their Approved Application for this program. The Borrower and Lender agree that the Approved Project shall consist of the initial phase of the construction of this project, from the project design to the concrete foundation being poured, as outlined in the "Project Expenditure Summary Projections 2022-2025" document. Both the Approved Application and the Project Expenditure Summary Projection are incorporated by reference herein and a copy of each is maintained at the State.

C. The Borrower agrees to:

The Borrower agrees to construct and undertake the Approved Project in accordance with their Project Expenditure Summary Projection, which is informed by their Approved Application. Furthermore, the Borrower agrees to comply with all Federal, State and local laws, rules and regulations, which are now, or in the future may become, applicable to the Project.

The Borrower agrees to submit to all requested inspections and audits by State officials which relate to the services and payments under this Agreement. On-site inspections shall be made at least twice annually, and upon project completion, to ensure compliance with the terms of this loan. The Lender reserves the right for more frequent on-site inspections.

Any audits shall include, but not be limited to: a review of all invoices and payments made on this project, a review of all contracts for goods and services, proof of goods received after payment, a review of Borrower's policies and procedures for management of federal funds, a review of the project plan to monitor project progress, and a review of payroll and timesheet records.

By entering into this Agreement, the Borrower accepts liability for the ARPA Loan Amount with repayment to begin on January 15, 2026, or earlier, if breach of the terms of the Agreement occurs.

The Approved Project, up to and including the structural concrete pour, must be completed by December 31, 2025. Taking into consideration the ARPA expenditure deadline of December 31, 2026, limited extension may be possible with written consent by the Lender and approval of Governor and Council.

Upon completion and satisfaction of the terms of the Agreement on or before December 31, 2025, (or later if an extension is approved by the Lender) the Borrower's Loan Amount will be deemed satisfied and paid in full.

"If the Project is not successfully completed and/or the Agreement is not fulfilled or is substantively breached, then the Borrower shall begin repaying the Loan Amount to the Lender beginning the 15th of the month directly after the breach and continuing each month until December 15, 2026, with the Loan Balance being distributed equally over the monthly payments.

This Agreement is NOT a negotiable instrument.

3. DISBURSEMENT

The maximum Loan Amount available to be disbursed to the Borrower pursuant to this Agreement shall be \$15,353,548. The Parties agree that the Borrower shall only be reimbursed for actual costs incurred, and that the Lender's determinations of eligible and approved costs shall be final in all cases.

The Borrower must pay 100% of the cost of an approved capital expenditure before submitting a request for reimbursement of eligible costs. The Borrower shall submit monthly invoices for the acceptable reimbursable capital expenditures incurred up to the end of each month by the 15th of the following month. All invoices must be accompanied by proof of payment, such as receipts, other payment confirmations, cancelled checks (front & back), and/or electronic record of payment, as well as evidence of the good(s) being received or services rendered.

All funds shall be fully obligated by the Borrower on or before December 31, 2024. The Lender shall require proof that funds have been obligated on or before that date before reimbursing for eligible costs. Any submissions of reimbursement for eligible costs where the funds were obligated after December 31, 2024 shall be denied.

Borrower understands that all funds must be obligated by December 31, 2024. Borrower therefore agrees to meet with Lender on or before September 30, 2024 to assess the amount of the Loan Amount obligated to date, the amount of the Loan Amount remaining unobligated, and the likelihood that the Borrower can obligate the remaining funds between September 30, 2024 and December 31, 2024. Borrower understands that if it is determined at that meeting that Borrower will be unable to obligate the funds by December 31, 2024, Lender may determine that the agreement has been substantively breached and the Borrower shall begin repaying the Loan Amount according to the terms and conditions pursuant to Section 5 of this Agreement.

Monthly invoices shall be submitted electronically to:

Emily Larson at GOFERR
Emily.A.Larson-G@goferr.nh.gov

*Or other GOFERR/State employee as designated by the Lender and communicated to the Borrower.

The Borrower agrees to provide Lender with a quarterly report detailing the status of the capital improvement project at Riverside Rest Home, including project and financial data required by U.S. Treasury for reporting purposes. Such reports are due within 15 days of the close of each calendar year quarter. The Borrower shall provide the Lender with the construction project plan with the first quarterly report.

Examples of information required as part of quarterly reporting include an accounting of the status of the overall project, expenditures incurred and paid by the Borrower as part of its obligation under this Agreement, details on contracts entered into by the Borrower, information concerning labor practices applicable to the project, an estimated date of completion for the entire capital expenditure project, and more.

If any changes are made to the construction project plan, Borrower shall provide those changes in the quarterly report. The quarterly reports shall be due on the 15th day following the last month of the quarter, with the first report due by April 15, 2023.

Quarterly reporting shall include an assessment of the project completion status by the Lender to help determine whether an extension may be necessary or whether repayment of loaned funds will be likely. In the event that the Lender deems a quarterly report reveals evidence of noncompliance, the Lender reserves the right to require more frequent reporting for monitoring purposes.

4. PROMISE TO PAY

For value received, the Borrower promises to pay \$15,353,548 (the "Loan"), this being the amount of the ARPA SFRF award applied for by the Lender, which represents up to 40% of the eligible Project costs, as identified in Section 2 "PURPOSE OF AGREEMENT." As indicated in Section 2, should value of the Loan exceed 40% of eligible Project costs, the value shall be reduced to an amount not to exceed 40% of eligible Project costs.

5. PAYMENTS

As indicated in Section 2, "PURPOSE OF AGREEMENT," if the Project is not successfully completed and/or the Agreement is not fulfilled or substantively breached, then the Borrower shall begin repaying the Loan Amount to the Lender beginning on January 15, 2026, pursuant to the following terms.

The Borrower will repay the Loan at a rate of \$1,279,462.33 per month, which is the equivalent of the Loan balance being distributed equally across 12 monthly payments. If the amount disbursed to Borrower in Section 3 is less than \$15,353,548, the monthly payment shall be 1/12th of the amount actually disbursed.

The first payment will be due on or before January 15, 2026. All subsequent payments will be due on or before the 15th day of each month, with payment due the first business day following a weekend or federal or State holiday if the 15th occurs on such a weekend or holiday. Payments will be made by check or money order, marked payable to the "State of New Hampshire," and mailed to the following address: *1 Eagle Square, Concord, NH 03301*. The Loan will be fully paid on or before December 15, 2026 which will be the 12th and final payment period.

6. INTEREST

The Loan will accrue interest at a rate of 0% per annum for the life of the Loan.

7. DEFAULT AND ACCELERATION

If the Borrower fails to make payments as detailed in Section 5, "PAYMENTS," of this Agreement, the Borrower will be in default. The Lender will notify the Borrower it is in default and the Borrower will have fifteen (15) days from the date of the notice to remedy the deficiency. If the Borrower remedies the deficiency within fifteen (15) days of the date on the default notice, the Lender will notify the Borrower that it is no longer in default.

If the Borrower fails to remedy the deficiency within sixty (60) days from the date of the notice to remedy the deficiency, the Lender, at its option, may declare all outstanding sums owed pursuant to this Agreement immediately due and payable, and the Lender may initiate litigation and collection actions to recover the Loan in full or to compel compliance with this Agreement.

8. PREPAYMENT

If the Borrower does not complete the entire project by December 31, 2025, and the Loan payments have started, the Borrower may prepay the Loan without penalty. If the Borrower prepays the Loan in part, such partial prepayment will not alleviate the Borrower's obligation to meet payment deadlines for subsequent periods until the Loan is fully repaid.

For example, Prepayment in pay period 1, for the equivalent of pay periods 1, 2, and 3, does not remove the Borrower's obligation to timely make its next payment in period 2 and all subsequent periods until the Loan balance is satisfied.

9. SEVERABILITY

In the event any provision herein is determined to be void or unenforceable for any reason, such determination shall not affect the validity or enforceability of any other provision, all of which shall remain in full force and effect.

10. CONFLICTING TERMS

The terms of this Agreement shall have authority and precedence over any other conflicting terms in any referenced agreement or document.

11. CHANGES OR ALTERATIONS

This Agreement may be amended, waived, or discharged only by an instrument in writing signed by the Parties hereto and only after approval of such amendment, waiver or

discharge by the Governor and Executive Council of the State, unless no such approval is required under the circumstances pursuant to State law, rule, or policy.

12. ASSIGNMENT

The Borrower shall not assign, or otherwise transfer, any interest in this Agreement without the prior written consent of the Lender.

13. INDEMNIFICATION

The Borrower shall defend, indemnify and hold harmless the Lender, its officers and employees, from and against any and all losses suffered by the Lender, its officers and employees, and any and all claims, liabilities, or penalties asserted against the Lender, its officers and employees, by or on behalf of any person, on account of, based on, resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Borrower or subcontractor, or subgrantee or other agent of the Borrower.

Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the Lender, which immunity is hereby reserved to the Lender. This covenant shall survive the termination of this Agreement.

14. NOTICE

Any notices required or permitted to be given pursuant to this Agreement shall be given in writing and shall be delivered (a) in person; (b) by certified mail, postage prepaid, return receipt requested; or (c) by electronic mail sent to a previously confirmed electronic mail address.

The Borrower must notify the Lender of bankruptcy or transfer or dissolution of the Borrower's business within 15 days of the qualifying event.

The Borrower must also notify the Lender of any change of primary address and contact information for the Borrower within 15 days of such a change.

15. GOVERNING LAW AND LITIGATION OF DISPUTES

This Agreement is entered in the State of New Hampshire and shall be governed under the laws of the State of New Hampshire, as well as any applicable federal regulations and guidance relative to ARPA SFRF.

The source of funding and eligibility for the County Nursing Home Infrastructure Program and distribution of funds subject to this Agreement is ARPA SFRF Section 602 (c)(1)(A) to respond to the public health emergency with respect to the Coronavirus Disease 2019 (COVID-19) or its negative economic impacts, (H.R. 1319, Section 9901

of ARPA, which amended Title VI of the Social Security Act to add Section 602), Expenditure Category 1.4 Prevention in Congregate Settings, as determined by U.S. Treasury and in accordance with any applicable federal guidance or requirements.

The Lender, at its discretion and in compliance with federal guidance may change and/or report on this project in a different Expenditure Category, if appropriate.

Any litigation regarding this Agreement will occur in a court of competent jurisdiction in the county where the Lender's principal place of business is located. Failure to enter into and follow through on this Agreement, or otherwise remit payment of recoupment owed, will result in the Lender referring the matter to the New Hampshire Department of Justice for collection.

16. REPORTING

The Borrower shall comply with any applicable federal reporting requirements established by U.S. Treasury relative to these loaned funds, as determined by U.S. Treasury and when notified of such requirements by the Lender.

17. RECORD RETENTION

Between the effective date and the date five (5) years after the completion date of this Agreement, at any time during the Borrower's normal business hours, and as often as the Lender, the U.S. Department of Treasury or United States Office of Management and Budget (OMB) shall demand, the Borrower shall make available to the Lender, the U.S. Department of Treasury or OMB all records pertaining to matters covered by this Agreement. The Borrower shall permit the Lender, the U.S. Department of Treasury or OMB to audit, examine, and reproduce such records, and to make audits of all contracts, invoices, materials, payrolls, personnel records, data, and other information relating to all matters covered by this Agreement. As used in this agreement, "Borrower" includes all persons, natural or fictional, affiliated with, controlled by, or under common ownership with, the entity identified as the Borrower in Section 1, "The Parties."

18. NON-WAIVER

No failure by the Lender in exercising Lender's rights under this Agreement shall be considered a waiver of such rights.

No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the Lender to enforce each and all of the provisions hereof upon any further or other default on the part of the Borrower.

19. CONFLICT OF INTEREST

No representative, officer, or employee of the Lender or of the authorizing bodies of this Agreement, who exercises any functions or responsibilities in the review or approval of this Agreement and the exercise of its terms, shall participate in any decision relating to this Agreement which affects his or her personal interest or the interest of any corporation, partnership, or association in which he or she is directly or indirectly interested, nor shall he or she have any personal or pecuniary interest, direct or indirect, in this Agreement or the proceeds thereof.

20. CONDITIONAL NATURE OF AGREEMENT

This Agreement is contingent upon approval by the Governor and Executive Council.

Notwithstanding anything in this Agreement to the contrary, all obligations of the Lender hereunder are contingent upon the availability or continued appropriation of funds, and in no event shall the Lender be liable for any payments hereunder in excess of such available or appropriated funds. In the event of a reduction or termination of those funds, the Lender shall have the right to withhold disbursement or payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Borrower notice of such termination.

21. INTEGRATION

There are no verbal or other agreements that modify or affect the terms of this Agreement, except as indicated in Sections 2 and 11 of this Agreement.

This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the Parties, and supersedes all prior agreements and understandings relating hereto, except for any such subsequent modifications or revisions pursuant to the Sections outlined above.

22. EFFECTIVE DATE

Notwithstanding any provisions of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement and all obligations of the Parties hereunder shall become effective on the date the Governor and Executive Council approve this Agreement, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the Lender.
