EXPLANATION

The Nansen Ski Club (NSC) is the longest running partnership under the State Parks current volunteer program. NSC has helped steward the state-owned 1936 ski jump known as Big Nansen and has built two smaller jumps onsite in recent years. The Nansen Ski Club, in partnership with the Department of Natural and Cultural Resources, will continue to restore the jump site in preparation for its operation as a functioning US Nordic-sanctioned ski jump. Big Nansen is expected to be an important piece of the North Country's economic revival, with a typical ski jump event attracting thousands of participants and spectators to the area. Little Nansen, adjacent to Big Nansen, will host the 2023 NH High School Ski Jumping Championship in February of 2023.

The Moose Plate grant will go toward multiple projects onsite including the addition of 3 Phase electric power, snowmaking capabilities, restoring the pedestrian stairway, adding deflection boards to the landing area, and structural reinforcement to the steel towers on Big Nansen. The Moose Plate funds will contribute to a Federal 1:1 match for additional funding for onsite projects.

The Attorney General's Office has reviewed and approved this grant agreement as to form, substance, and execution.

Respectfully submitted,

(SM)

Sarah L. Stewart
Commissioner
