EXPLANATION

This request is **Retroactive** because this employee's evaluation was not conducted as it was inadvertently missed resulting in his increment being missed as well. In reviewing our increment report the error was captured. Process improvements have been established to assist supervisors and bureau administrators to monitor and ensure timely reviews.

This request seeks to allow the Department to make whole, through the payment of owed back wages, this employee whose evaluation and increment were missed as a result of his missed evaluation.

Respectfully submitted,

Sarah L. Stewart
Commissioner
