REQUESTED ACTION

Authorize the Department of Administrative Services to enter into a **Retroactive** amendment an existing contract (Contract #8003069) with Waste Management of New Hampshire, Inc. (VC#177561), Foxboro, MA, by increasing the price limitation by \$11,800 from \$400,000 to \$411,800 for recycling collection services, effective upon approval of Governor and Council for the period December 9, 2022 through April 30, 2025. The original contract (Contract #8003069) was approved by the Commissioner of the Department of Administrative Services on May 13, 2022, with a completion date of April 30, 2025 and the option to extend for two additional one-year extension terms.

Funding shall be provided through individual agency expenditures, none of which shall be permitted unless there are sufficient appropriated funds to cover the expenditure.

EXPLANATION

This request is **Retroactive** because of the October 19, 2022 change to contract oversight requirements contained in the updated Manual of Procedures Chapter 150 and subsequent internal approval procedures. The Department of Administrative Services, through the Bureau of Purchase and Property, issued request for quote 302-23 on August 26, 2022 with responses due on August 30, 2022 to each of the three providers in accordance with contract requirements. There were two responses received with Waste Management of New Hampshire, Inc. submitting the lowest compliant pricing. Also, the Department of Administrative Services, through the Bureau of Purchase and Property, issued request for quote 308-23 on September 30, 2022 with responses due on October 03, 2022. There were two responses received with Waste Management of New Hampshire, Inc. submitting the lowest compliant pricing. Finally, the Department of Administrative Services, through the Bureau of Purchase and Property, issued request for quote 322-23 on November 30, 2022 with responses due on December 06, 2022. There were two responses received with Waste Management of New Hampshire, Inc. submitting the lowest compliant pricing.

On May 13, 2022, Waste Management of New Hampshire, Inc. was awarded a contract (Contract #8003069) for recycling collection services. Upon approval, this amendment would add three locations, Health and Human Services – New Hampshire Hospital and PATH in Concord, NH, and Liquor Commission – Liquor Store # 40 in Walpole, NH to the contract (Contract #8003069). Additionally, upon approval, this amendment would remove one location, Liquor Commission – Liquor Store # 4 in Hooksett, NH from the contract (Contract # 8003069). On August 25, 2022, New Hampshire Hospital reached out to the Department of Administrative Services, through the Bureau of Purchase and Property, to add recycling collection services to one location, Health and Human Services – New Hampshire Hospital in Concord, NH. The agency provided the container size, pick up frequency, and approved pricing.

On September 22, 2022, the Liquor Commission reached out to the Department of Administrative Services, through the Bureau of Purchase and Property, to add recycling collection services to one location, Liquor Commission – Liquor Store # 40 in Walpole, NH, the agency provided the container size, pick up frequency, and approved pricing.

On September 29, 2022, New Hampshire Hospital reached out to the Department of Administrative Services again, through the Bureau of Purchase and Property, to add recycling collection services to one additional location, Health and Human Services – PATH in Concord, NH, the agency provided the container size, pick up frequency, and approved pricing.

On December 8, 2022, the Liquor Commission reached out to the Department of Administrative Services, through the Bureau of Purchase and Property, to remove recycling collection services from one location, Liquor Commission – Liquor Store # 4 in Hooksett, NH because the retail store had closed.

The requested increase of \$11,800 satisfies the remaining balance of the contract term.

Contract amendment	
Original contract price limitation	\$400,000
Change affected by amendment	\$11,800
New price limitation	\$411,800

Based on the foregoing, I am respectfully recommending approval of this **Retroactive** contract amendment with Waste Management of New Hampshire, Inc.

Respectfully submitted,

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including, without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete

compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

8. EVENT OF DEFAULT/REMEDIES.

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

Contractor or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.
