			<b>Total</b>	<b>\$305,478</b>

**EXPLANATION**

This request is part of the Youth Homelessness Demonstration Program grant funded by the U.S. Department of Housing and Urban Development (HUD). HUD notified the Department on September 30, 2022 that the grant start date was October 1, 2022. The Department requested that HUD approve a later start date to provide sufficient time to finalize the new Youth Homelessness Demonstration Program contracts; however, HUD required that the contracts be effective October 1, 2022. This request is, therefore, **Retroactive** to align with the start date required by HUD.

This request is **Sole Source** because federal regulations require all procurement efforts to be directed by the U.S. Department of Housing and Urban Development (HUD) which requires the Department to specify the vendor's name during the annual, federal, Continuum of Care (CoC) competitive application process for up to a year prior to the grant award being issued. As the Collaborative Applicant, the Department is required to issue a Request for Proposals, through the Continuum, based on the HUD CoC Program Notice of Funding Opportunity (NOFO). HUD reviews and scores vendor applications based on federal rank and review policy, and scoring tools, created to match the federal NOFO. HUD subsequently awards funding based on strict federal criteria specifying eligible activities, populations to be served, expected performance outcomes, and time frames for the application competition and subsequent Departmental agreements. The Department receives notification of the awards and signed grant agreements from HUD several months later; at which time agreements, such as those contained in this request, can be executed.

The purpose of this request is for the provision of Transitional Housing and Rapid Rehousing programs, which deliver short-term transitional housing utilizing a congregate living setting, offering rental assistance and supportive services. The services are available to young adults, ages eighteen (18) to twenty-four (24), who are experiencing homelessness, are at imminent risk of homelessness, or are fleeing violence, at project entry, as defined by the U.S. Department of Housing and Urban Development. The Contractor will deliver administrative services and case management to help participants obtain and remain in permanent housing.

Approximately 4 (four) households comprised of approximately 10 (ten) people, at any given time annually, will be served.

The Contractor will work with participants to assess current housing and service needs, as well as barriers to attaining housing. The Contractor will coordinate with in-house and community resources to connect participants with available services and resources to ensure permanent housing stability. The services include connections to potential income sources and mainstream resources such as, but not limited to; Temporary Assistance for Needy Families, job readiness and employment programs, child care, and Social Security benefits to assist participants in obtaining necessary skills and resources to live in the community independently.

The Department will monitor services by:

- Conducting annual reviews relating to compliance with administrative rules and contractual agreements.
- Reviewing semi-annual statistical reports, including various demographic information, as well as income and expense reports, to include match dollars.
- Reviewing data entered into the New Hampshire Homeless Management Information System, which is the primary reporting tool for outcomes and activities of shelter and housing programs.

As referenced in Exhibit A, Revisions to Standard Provisions, Section 1.2, of the attached agreement, the parties have the option to extend the agreement for up to five (5) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Council not authorize this request, there will be fewer permanent housing options and supportive services available, leaving vulnerable youth experiencing homelessness in unsafe situations without needed support. Additionally, the Department will be out of compliance with federal regulations, which could result in a loss of federal funding for these and other types of housing and supportive service programs.

Area served: Sullivan County

Source of Federal Funds: Assistance Listing Number #14.276, FAIN #  
NH0144Y1T002000

In the event that the Federal Funds become no longer available, additional General Funds  
will not be requested to support this program.

Respectfully submitted,

Lori A. Weaver  
Interim Commissioner

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

**INSTRUCTIONS FOR CERTIFICATION**

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. 6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
