MISSION STATEMENT

The mission of New Hampshire Police Standards and Training is to shape, sustain and strengthen the competency and professionalism of New Hampshire Law Enforcement, in service to our state.

We accomplish our mission by:

Providing high-quality, innovative, credible and responsive basic, advanced, and specialized training to New Hampshire Police, Correctional, Probation and Parole officers; and,

Adopting and enforcing reasonable, professional standards in a manner consistent with the law, considerate of the public trust, and committed to basic values and the highest ethical standards.

COUNCIL MEMBERSHIP

The members of the New Hampshire Police Standards and Training Council during Fiscal Year **2022** were:

Sheriff Christopher Connelly of the Hillsborough County Sheriff's Office, currently serving as Chairman; Corrections Commissioner Helen Hanks, Vice Chairman; Chief Kevin Rourke, City of Nashua Police Department; Chief Allen Aldenberg, City of Manchester Police Department; Chief Michael Ho-Sing-Loy, Town of Sugar Hill Police Department; Chief Joseph Hoebeke, Town of Hollis Police Department; Rockingham County Sheriff Charles Massahos; Associate Justice Sawako T. Gardner of the Dover District Court; Associate Justice Melissa Countway of the Ossipee District Court; Jason Bishop, Director of Risk Management & Insurance Programs, CCSNH, designee for Dr. Susan Huard, Interim Chancellor of the Community College System of New Hampshire; Colonel Nathan Noyes, Director of the New Hampshire State Police; Attorney General John Formella; Civilian Members Mr. Edward Lecius and Maureen Sullivan, DA, MBA.

By law, the members of the Council, appointed by the Governor, must include two town police chiefs, two city police chiefs, two high sheriffs, two justices of the District or Superior Court System, the Chancellor of the Community College System of New Hampshire, the Attorney General, the Commissioner of Corrections, the Director of the NH State Police and two public members. Terms are two years in length. The Chairman is designated by the Governor, and the members elect the Vice-Chairman.

NH POLICE STANDARDS AND TRAINING COUNCIL

ANNUAL REPORT

Fiscal Year July 1, 2021 - June 30, 2022

ORGANIZATION AND FUNCTIONS

The Police Standards and Training Council was established by the New Hampshire Legislature in 1971. Policies are set by the 14-member Police Standards and Training Council who appoints the Director to oversee the operation of the agency.

Police Standards and Training is an independent, executive branch agency. The current director, John V. Scippa of Exeter, was appointed to his first four-year term on March 16, 2020.

The Council is charged with establishing minimum hiring and educational standards for police, state corrections, and probation-parole officers; the certification of persons qualified to serve in those positions; and providing mandatory basic training to new police, state corrections and probation-parole officers.

The Police Standards and Training Council approves the curriculum for County Corrections Officers who are enrolled in the Group II retirement system.

The Council currently certifies 4,204 police officers, both full and part time, who are employed by State, County and local units of government, plus 488 sworn employees of the New Hampshire Department of Corrections.

Our headquarters are located at 17 Institute Drive in Concord, in a law enforcement training facility that opened on October 25, 1983. An additional lecture hall, two more classrooms, and several additional offices were opened on July 1, 1989. Another 33,280 square feet (on two floors) Tactical Training Center and a 7,600 square feet (on two floors) dormitory addition were completed in 1993, giving us a total of 77,000 square feet on 20.87 acres of land and overnight accommodations for more than 100 persons.

On May 2, 2007 in honor of the late Arthur D. Kehas the first Director of Police Standards and Training, the Governor and Executive Council changed the name of our building and grounds to the Arthur D. Kehas Law Enforcement Training Facility and Campus. On June 14, 2010, a ceremony was held to dedicate a bronze plaque donated by the Kehas family to commemorate the naming of the campus in honor of Arthur Kehas. That plaque remains proudly displayed in our lobby.

On July 1, 2016, the funding for PSTC changed to 100% general fund and the balance of the training fund and any future penalty assessment revenue previously directed to PSTC was transferred to the general fund.

The Council was a non-affiliated state agency reporting directly to the Governor until July 1, 1985. With the passage of Chapter 152, Laws of 1985, it became attached to the Department of Postsecondary Technical Education, subsequently called the NH Department of Regional Community-Technical Colleges, and known since 1998 as the NH Community Technical College System. Laws of 1985, 152:4, provide that Police Standards and Training shall be a separate PAU within the System, administratively attached and separately financed. The Council also retains its rule-making authority independent from the System. By a law enacted by the 1998 Legislature, the Police Standards and Training Council, like the rest of the college system, gained flexibility in making purchases and in fiscal transfers through the System's Board of Trustees. Chapter 361, Laws of 2007, changed the governance structure of the system again and renamed the system the New Hampshire Community College System. Beginning in SFY 2008, PSTC transfers are approved through the Joint Legislative Fiscal Committee. In 2011, the property of the CCSNH, PSTC and the McAuliffe Shepard Discovery Center was surveyed and re-distributed under RSA 188-F:1-a with PSTC receiving 20.87 acres of allocation. In 2017 RSA 188-F:22 through 32-a was repealed and the provisions were moved to RSA 106-L, removing the Council from attachment to the Community College System.

MAJOR ACCOMPLISHMENTS AND REFLECTION OVER THE LAST YEAR

During this last year our state, just like the rest of the country, experienced a steady decline in recruitment and retention numbers for NH Law Enforcement Officers. Agencies were realizing that their hiring efforts could not stay on pace to address their attrition rates. This situation created an exigency for many law enforcement agencies to get their newly hired officers through the academy more quickly so that they could get back to their agency to begin work. Because of this, and to get recruit officers through the academy more quickly, the Council allowed PST to run four full time police academies per calendar year as opposed to the three classes per year that this agency has historically conducted. This change in delivery model brought several realizations to light to include the reallocation of resources to meet demands as well as the need for more training staff and more training space. Despite these challenges, the staff at PST was extremely successful in meeting their mission.

During this past year, this agency was able to hire our first fully dedicated Curriculum Coordinator. Attorney Kim Stewart came to us after heading up criminal justice programs for two different colleges and after having practiced law as a criminal defense attorney. Her experience and expertise have helped us advance our efforts with the development of our curriculum and lesson plans as well as building measuring tools to measure student performance more objectively.

This year we assumed the responsibility of delivery and oversight of the Active Shooter Response Program that had been with the Department of Homeland Security and Emergency Management. We now have the capacity to support statewide training requests for any NH police agency to learn and practice how to respond to these horrible and tragic events with the hope that this preparation is for naught.

This year, Director Scippa was elected to the executive board of the International Association of Directors of Law Enforcement Standards and Training (IADLEST) as the Northeast Region I representative.

Our agency became recognized by the Governor's Office as a Recovery Friendly Workplace.

We were able to address a number of building repairs that were outstanding.

Finally, PST lost our veteran volunteer Chaplain, the Reverend Paul Dionne. Paul was a retired Nashua police officer and ordained minister who was an integral part of our graduation ceremonies and who will be missed.

COMPLIANCE MONITORING

Another function of our agency is that of compliance monitoring to ensure that agency administrative rules are being followed. That activity is characterized by the following:

- Investigations into alleged rules violations or other departmental or individual conduct that could result in suspension or revocation of police or corrections officers' certifications.
- Background investigations conducted on the ability and fitness of persons to serve as Police Standards and Training Council employees, staff members.
- Examination of the documentation submitted by officers from other states requesting certification in New Hampshire based on prior training and experience or by officers re-entering the field.
- Reviews of incidents involving police officers that indicate a need for positive changes in our training programs or entrance standards.
- Monitoring compliance with our various rules, which involves submission of forms and data from state, county, and local law enforcement and/or corrections agencies.

Surrender of police certification carries the same ramifications as revocation of police certification – a minimum two-year period before a petition can be made to the Council to grant eligibility to regain recertification. Decisions of the Council are appealable only to the New Hampshire Supreme Court. The following table details the results of decertification and suspension hearings held in the past fiscal year.

SUSPENSION/DECERTIFICATION ACTIVITY

Revocations/Decertification	3
Voluntary Surrender	1
Voluntary Temporary Surrender	6
Temporary Suspension	6
Suspensions.....	3

PSTC staff also conducts compliance visits to agencies that have a change in leadership. This is an educational experience for the new agency head to understand the requirements of the council rules.

The following law enforcement agencies received visits for compliance auditing purposes for the fiscal year ending on June 30, 2022: Seabrook, Litchfield, Sandwich, Jaffrey, Campton, New Hampton, Holderness, Langdon, Alexandria, Hill, Groton, Rumney, Moultonborough, New London, Brentwood.
