In such event, Grantee agrees to pay and shall pay all reasonable costs and expenses incurred by CDFA in the enforcement of the Subrecipient or Mortgage obligations or in curing any Event of Default thereunder.

15.5 CDFA shall have the right to terminate all or any part of its obligations under this Agreement in the event that any official, employee, architect, engineer, attorney, or inspector of, or for the Grantee, or any governmental official or representative becomes directly or indirectly interested financially in the acquisition of any materials or equipment, or in any construction of the Project, or in the furnishing of any service to or in connection with the Project, or any benefit arising therefrom.

15.10.2 If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard form - LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

15.9 Certification of Nonsegregated Facilities as required by the May 9, 1967, Order (32 FR 7439, May 19, 1967) on Elimination of Segregated Facilities, by the Secretary of Labor. 15.9.2 He/she certifies further that he/she will not maintain or provide for his/her employees any segregated facilities at any of his/her establishments, and that he/she will not permit his/her employees to perform their services at any location, under his/her control, where segregated facilities are maintained. As used in this certification, the term "segregated facilities" means any waiting rooms, work areas, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, creed, color or national origin, because of habit, local custom, or otherwise. He/she further agrees that (except where he/she has obtained identical certifications from proposed subcontractors for specific time periods) he/she will obtain identical certifications from proposed subcontractors prior to the award of subcontracts exceeding \$10,000 which are not exempt from the provisions of the Equal Opportunity clause: that he/she will retain such certifications in his/her files: and that he/she will forward the following notice to such proposed subcontractors (except where the proposed subcontractors have submitted identical certifications for specific time periods):

EXHIBIT C

PROJECT/PROGRAM ACTIVITY COSTS; METHOD AND TERMS OF PAYMENT

1. PROJECT/PROGRAM ACTIVITY COSTS; PAYMENT SCHEDULE; REVIEW BY CDFA

1.1 **Project/Program Activity Costs:** As used in this Agreement, the term "Project/Program Activity Costs" shall mean all reimbursable costs incurred in performance of the Grant activities. "General Administration Costs" shall mean all expenses directly or indirectly incurred by Grantee in the performance of the Project/Program Activities, as determined by CDFA to be eligible and allowable for payment in accordance with allowable administrative project cost standards set forth in 2 CFR Part 200 as revised from time to time, and with the rules, regulations, and guidelines established by CDFA. General Administrative costs include but are not limited to: preparation of environmental review, record keeping, reporting, audits, and oversight of any Project/Program Activity closing and/or construction and compliance with all federal, state, and local laws, rules, and regulations and this contract. In no event shall General Administration Costs exceed fifteen (15) percent of the total Grant funds allowed. The Subrecipient shall meet the requirements of 2 CFR Part 200.

1.2 **Delivery Costs: Not Applicable.** If applicable to this Agreement, the term "Delivery Costs" shall mean all reimbursable costs incurred by a Subrecipient as set forth in Attachment II in connection with a regional revolving loan fund that are directly related to the preparation and execution of loan documents and to the monitoring and administration of the loan provisions, and which are allowable by the New Hampshire Community Development Block Grant program rules.

1.3 **Payment of Project/Program Activity Costs:** Subject to the terms and conditions of this agreement, CDFA agrees to pay Grantee all Project/Program Activity Costs, provided, however, that in no event shall the total of all payments made by CDFA pursuant to this Agreement exceed the Grant Amount as set out in Paragraph 1.8 of the General Provisions, and provided further that all Project Costs shall have been incurred prior to the Completion Date, except for reasonable approved Project/Program Activity Costs incurred within 90 days after the Completion Date and in connection with closeout requirements as provided in CDFA's Community Development Block Grant Implementation Guide.

1.4 **Review by CDFA; Disallowance of Costs:** At any time during the performance of the Program Activities, and upon receipt of the Progress Reports, Closeout Report, or Audited Financial Report, CDFA may review all Project/Program Activity Costs incurred by Grantee or any Subrecipient and all payments made to date. Upon such review, CDFA shall disallow any items of expense which are not determined to be allowable or are determined to be in excess of actual expenditures, and shall, by written notice specifying the disallowed expenditures, inform Grantee of any such disallowance. If CDFA disallows costs for which payment has not yet been made, it shall refuse to pay such costs. If payment has been made with respect to costs which are subsequently disallowed, CDFA may deduct the amount of disallowed costs from any future payments under this Agreement or require that Grantee refund to CDFA the amount of the disallowed costs.

2. METHOD AND TERMS OF REIMBURSEMENT FOR PROJECT/PROGRAM ACTIVITY COSTS

2.1 **When Project/Program Activity Funds May Be Released.** CDFA shall not disburse any funds for the purposes of this Project until such time as all agreements specified in Exhibit B and

CC

any other agreements or documents specified pursuant to this Agreement are fully executed and received, and where applicable are reviewed and approved in writing by CDFA. **Agreements and documents may include:**

- 2.1.1 A Subrecipient Agreement, as applicable;
 - 2.1.2 A copy of any required deed, survey, map, or other document pertaining to the Project Property or Premises;
 - 2.1.3 Copies of required certificates of insurance from all parties to this Agreement;
 - 2.1.4 Purchase and Sale Agreement, engineering, construction, consultant, or other contracts;
 - 2.1.5 Certification/verification of employment documentation or household income documentation;
 - 2.1.6 Any lease and loan documents, mortgages, liens, security instruments, municipal bonds, and similar agreements used in connection with the enforcement of beneficiary requirements, as well as any other related documents as requested by CDFA.
- 2.2 Timing of Payments. Upon thirty (30) days of the receipt, review, and approval by CDFA of financial reports and requests for reimbursement from Grantee specifying all Project/Program Activity Costs incurred, CDFA agrees to reimburse Grantee for Project/Program Activity Costs. Reimbursement may be withheld until CDFA determines that a particular project activity or portion of the project activity hereunder has been satisfactorily completed.
- 2.3 Disbursement of funds by CDFA does not constitute acceptance of any item as an eligible Project/Program Activity Cost until all Project/Program Activity Costs have been audited and determined to be allowable costs.

3. REQUIRED DOCUMENTATION FOR DISBURSEMENT OF GRANT FUNDS

Reimbursement requests for all Project/Program Activity Costs, including General Administrative Costs, Delivery Costs, and Subrecipient costs, shall be accompanied by proper supporting documentation in the amount of each requested disbursement along with a payment request form as supplied by CDFA, which shall be completed and signed by Grantee. Documentation may include invoices for supplies, equipment, services, contractual services, and, where applicable, a report of salaries paid or to be paid.

4. LIMITATIONS ON USE OF FUNDS

- 4.1 Grant funds are to be used in a manner consistent with the State of New Hampshire Community Development Coronavirus Grant Program and the State of New Hampshire Community Development Block Grant Program as approved by the U.S. Department of Housing and Urban Development.
- 4.2 Grant funds are to be used only in accordance with procedures, requirements and principles specified in 2 CFR 200.
- 4.3 Grant funds may not, without advance written approval by CDFA, be obligated prior to the

CC

Effective Date or subsequent to the Completion Date of the grant period. Obligations outstanding as of the Completion Date shall be liquidated within ninety (90) days. Such obligations must be related to goods or services provided during the grant period, except that reasonable costs associated solely with grant closeout, (e.g., audits, final reports) may be incurred within ninety (90) days after the Completion Date. The funding assistance authorized hereunder shall not be obligated or utilized for any activities requiring a release of funds under the Environmental Review Procedure for the Community Development Block Grant Program at 2 CFR 200 and 24 CFR Part 58, until such release is issued in writing by CDFA.

4.4 Changes in Funding Project Activities: Grantee may submit a written request for the authority to transfer up to ten (10) percent of the full value of the grant from one approved activity to another listed in Exhibit C herein or from an approved activity within the approved project area to an approved activity located outside the project area and the Executor Director of CDFA may approve the requested transfer.

4.5 Transfers over ten (10) percent of the full value of the grant from one approved activity to other approved activities or outside the target area, or the addition of one or more new activities requires an amendment to this Grant Agreement. Grantee shall hold a public hearing in accordance with RSA 162-L:14 II(b) when submitting a request for an amendment involving twenty-five (25) percent or more of the full value of the grant.

4.6 Up to \$472,000 of Grant Funds may be subgranted to Subrecipients for costs related to the Project/Program Activity outlined in the Subrecipient Agreements.

4.7 Up to \$28,000 of Grant Funds may be applied by Grantee for costs related to the General Administration of the grant.

5. PERFORMANCE OF SERVICES BY GRANTEE PRIOR TO EFFECTIVE DATE; PAYMENT BY CDFA.

Any Grant Activities performed by Grantee with non-CDBG funds prior to the Effective Date shall be performed at the sole risk of Grantee, and in the event that this Agreement shall not become effective, CDFA shall be under no obligation to pay Grantee for any costs incurred in connection with any Grant Activities, or to otherwise pay for any Activities performed during such period.

6. PROGRAM INCOME (IF APPLICABLE)

Any program income, defined as gross income directly generated from the use of CDBG-CV funds, shall be retained by the Subrecipient while this Agreement is active. This income must be expended before any transfer of funds can be made from the CDBG-CV program. All conditions for funding the Subrecipient shall apply to the expenditures of these funds. Any program income on hand when the Agreement expires or received after the Agreement expires shall be paid to CDFA.

("Subrecipient") (DUNS#07-974-6802) to be executed in conformance with the requirements of Exhibit B of the Grant Agreement shall be subject to approval by CDFA. The Subrecipient Agreement shall incorporate the entire Grant Agreement and shall include it as an attachment, and shall contain at a minimum the following terms and conditions:

RECITALS

A. This Subrecipient Agreement sets forth the responsibilities of the Grantee and Subrecipient in accomplishing the objectives of the United States Government for the CARES Act allocation to the Grantee and of the U.S. Department of Housing and Urban Development (HUD) Community Development Block Grant Program, as set forth in the Housing and Community Development Act of 1974, as amended, (42 USC. 5301 et seq.), hereinafter referred to as CDBG.

The amount of CDBG funds subject to recovery in accordance with this paragraph shall decrease over the twenty-year period at a rate negotiated between Grantee and Subrecipient and approved by CDFA.

This covenant shall survive the expiration or termination of this Agreement.

4.4 In the event that Subrecipient grants, conveys, leases or otherwise transfers its interests in the Property, Subrecipient shall include a clause in such deed, lease or similar transfer instrument whereby the other party, for himself, his heirs, personal representatives, successors in interest, and assigns, as a part of the consideration therefore, covenants and agrees, as a covenant running with the land, that the property shall continue to be used a public facility and shall continue to be made available to Low- and Moderate-Income persons for the remainder of the Benefit Period.

ATTACHMENT III
DUPLICATION OF BENEFITS

In consideration of Subrecipient's receipt of CDBG-CV funds administered by Grantee, Subrecipient shall assign to Grantee all of Subrecipient's future rights to reimbursement and all payments received from any grant, subsidized loan, or insurance policies of any type or coverage or under any reimbursement or relief program related to or administered through the Coronavirus Aid, Relief and Economic Security Act (CARES Act) that was the basis of the calculation of CDBG-CV Grant to the extent of Grant paid or to be paid to Subrecipient under the CDBG-CV Program and that are determined in the sole discretion of CDFA to be a duplication of benefits ("DOB") as provided in the Grant Agreement.

The payments referred to in the preceding paragraph, whether they are from insurance, the Coronavirus Relief Fund or any other source, and whether or not such amounts are a DOB, shall be referred to herein as "Assistance," and any Assistance that are a DOB shall be referred to herein as "DOB Assistance." Upon receiving any Assistance not listed on the Duplication of Benefits Worksheet, Subrecipient agrees to immediately notify the Grantee who will notify CDFA of such additional amounts, and CDFA will determine in its sole discretion if such additional amounts constitute a DOB. If some or all of the Assistance are determined to be a DOB, the portion that is a DOB shall be paid to the Grantee, to be returned to CDFA as provided in the Grant Agreement.

If requested by the Grantee, Subrecipient agrees to execute such further and additional documents and instruments as may be requested to further and better assign to the Grantee, to the extent of the Grant paid to Subrecipient under the Program, the Policies, any amounts received under the CARES Act that are DOB Assistance and/or any rights thereunder, and to take, or cause to be taken, all actions and to do, or cause to be done, all things requested by the Grantee to consummate and make effective the purposes of the Grant Agreement.

If Subrecipient hereafter receives any DOB Assistance, Subrecipient agrees to promptly pay such amounts to the Grantee, if Subrecipient received assistance under the Program in an amount greater than the amount Subrecipient would have received if such DOB Assistance had been considered in the calculation of Subrecipient's award.

In the event that the Subrecipient receives or is scheduled to receive any Assistance not listed on its Duplication of Benefits Worksheet ("Subsequent Assistance"), Subrecipient shall pay such Subsequent Assistance directly to the Grantee, and CDFA will determine the amount, if any, of such Subsequent Assistance that are DOB Assistance ("Subsequent DOB Assistance"). Subsequent Assistance in excess of Subsequent DOB Assistance shall be returned to the Subrecipient. Subsequent DOB Assistance shall be disbursed as follows:

2. If the Subrecipient has received no payment of the Grant, any Subsequent DOB Assistance shall be used by the Grantee to reduce payments of the Grant to the Subrecipient, and all Subsequent DOB Assistance shall be returned to the Subrecipient.
3. If the Subrecipient has received a portion of the Grant, any Subsequent DOB Assistance shall be used, retained and/or disbursed in the following order: (A) Subsequent DOB Assistance shall first be used to reduce the remaining payments of the Grant, and Subsequent DOB Assistance in such amount shall be returned to the Subrecipient; and (B) any remaining Subsequent DOB Assistance shall be retained by the Grantee and remitted to CDFA.
4. If the Grantee makes the determination that the Subrecipient does not qualify to participate in the Program or the Subrecipient determines not to participate in the Program, the Subsequent DOB Assistance shall be returned to the Subrecipient, and this Agreement shall terminate.

Once the Grantee has recovered an amount equal to the Grant paid to Subrecipient, the Grantee will reassign to Subrecipient any rights assigned to the Grantee pursuant to the Grant Agreement.

Subrecipient represents that all statements and representations made by Subrecipient regarding Assistance received by Subrecipient shall be true and correct as of the date of Grant Closing and through the required reporting period.

Project Summary

Cheshire County is requesting \$500,000 to be subgranted to Hundred Nights, Inc. to acquire two parcels at 122-124 Water Street in Keene for the construction of a 48-bed emergency shelter and resource center. The project will create a centralized, permanent home for the crisis and emergency shelter services provided to individuals and families throughout the Monadnock Region. The project will benefit an estimated 484 individuals, of whom 100% will be LMI. This includes an estimated 60% of beneficiaries with a disabling condition and approximately ten (10) families experiencing homelessness.

Hundred Nights, Inc. is a year-round emergency shelter and resource center that currently operates out of three separate locations throughout Keene. Their existing Lamson Street facility is only able to provide 50% of the total shelter beds needed. The existing scattered site operations are inefficient and the facilities lack accessibility. The shelter is currently located in a small, confined space which does not provide adequate safety for its diverse population which includes, men, women, children and those with criminal backgrounds.

The COVID-19 pandemic has revealed organizational vulnerabilities that highlight the critical need for this project. Two overflow shelter spaces in local churches which provided seasonal shelter beds in the winter became unavailable. The drop-in resources center could only safely service a small number of individuals, while other local public places that typically provided refuge for shelter guests during the day were shuttered due to pandemic restrictions. The proposed project addresses these vulnerabilities by providing a centralized facility that can provide safely distanced shelter beds, sufficient daytime resource center space and enough beds to accommodate seasonal demand during the winter without having to rely on donated space. It will also enable Hundred Nights to respond to the long-term economic impacts from the pandemic, including increases in homelessness that the existing facilities cannot accommodate.

The proposed \$5.5 million project includes the acquisition of a property that currently houses multiple vacant commercial buildings that are in poor condition and will be razed in order to construct a new 48-bed emergency shelter and resource center. The location is within walking distance to important social service providers downtown Keene and a part of a New Market Tax credit eligible census tract and an Opportunity Zone. The project has successfully secured a zoning variance from the City of Keene for a shelter.

Hundred Nights is committed to serving low-and moderate-income persons, specifically those experiencing homelessness, which is a HUD presumed benefit population for at least 20 years. A CDBG performance lien will be placed on the property by Cheshire County to assure this long-term benefit.

Total project budget is \$5,487,141, which includes \$500,000 of CDBG funds. Match funding has been secured and includes \$600,000 in CDFA Tax Credits, private donations, and gap financing provided by the NH Community Loan Fund and the Savings Bank of Walpole. In the Spring of 2020, Hundred Nights conducted a feasibility study to determine the potential funds that could be raised through a capital campaign, and determined that \$2.4 million could be raised. The capital campaign is successfully underway and the project will also continue to identify other grant opportunities in order to reduce debt load.

From: Mollie Kaylor, Director of Housing and Community Development
Subject: Revision of Cheshire County: Hundred Nights Project Sources & Uses

On November 4, 2021, the Community Development Advisory Committee (CDAC) approved \$500,000 to Cheshire County to be subgranted to Hundred Nights, Inc. for the acquisition of two properties for the construction of a 48-bed emergency shelter and resources center for homeless individuals.

After CDAC approval, the project received CARES Act funding via the Governor's Office for Emergency Relief and Recovery's COVID-19 Impact Shelter Program. This funding could only be used for acquisition costs. This additional funding will help reduce the overall debt load Hundred Nights needs to take on to complete the project. CDFA staff reviewed the request and approved moving the \$291,250 CDBG funding previously allocated for acquisition costs to construction costs. An updated Sources and Uses was provided and is included.

The CDBG National Objective has also been revised from LMC- 01 Acquisition to LMC- 03 Homeless Facilities to reflect the new use of CDBG funds in this project.

All other conditions of the project will remain the same as approved by the Committee in November.
