EXPLANATION

This project is included in the State's Ten-Year Transportation Improvement Plan, under the CY 2023 State funded Tier 2, 3 and 4 resurfacing Programs (Pave-T2-Resurf, Pave-T3/4-Resurf and Pave T3/4-Rehab). This project resurfaces twelve (12) sections of various Tier 2, 3, and 4 roads through thirteen (13) Towns in District 4. The sections total approximately 44.7 miles in length. Incidental work includes curb ramp reconstruction, pavement striping, and minor drainage work.

- 23406 – New Ipswich-Sharon-Peterborough, NH 123, ¾” Full Width Paver Shim, 6.1 Miles

This project is part of the calendar year 2023 State Funded Tier 2, 3 and 4 Resurfacing Program (Pave-T2-Resurf and Pave-T3/4-Resurf). The Pavement Management Section reviewed the road segments included in this project and identified three (3) sections for Roughness totaling 6.4 miles, seven (7) sections for Light Capital Paving totaling 35.7 miles, and two (2) sections for Minor Rehab totaling 2.6 miles.

Although the bid costs exceeded the Department’s estimate by 6.02%, the low bid of two bids received is felt to be reasonable for the work involved. There were two items that accounted for the majority difference in the Department’s estimate versus the low bidder. Those 2 items were 403.11943 Hot Bituminous Pavement for \$107,078 and 411.3 Plant Mix Surface treatment for \$250,309. Readvertising this project would result, in our opinion, in higher prices and prevent the completion of the work in a timely manner. The Department considers it to be in the best interest of the State to accept this bid to accomplish these needed repairs.

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available and the bid reasonably conforms to the engineer’s estimate in accordance with State procedure. Copies of the fully executed contract are on file at the Secretary of State’s Office and the Department of Administrative Service’s Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

This project funding is: 63.7% Betterment and 36.3% SB-367

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Your approval of this resolution is respectfully requested.

Sincerely,

William Cass
Commissioner

FEDERAL FUNDING: 0% (65.10% BETTERMENT, 34.90% SB-367)

CONTINGENCY: There is no contingency proposed for this project.

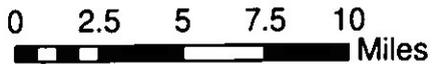

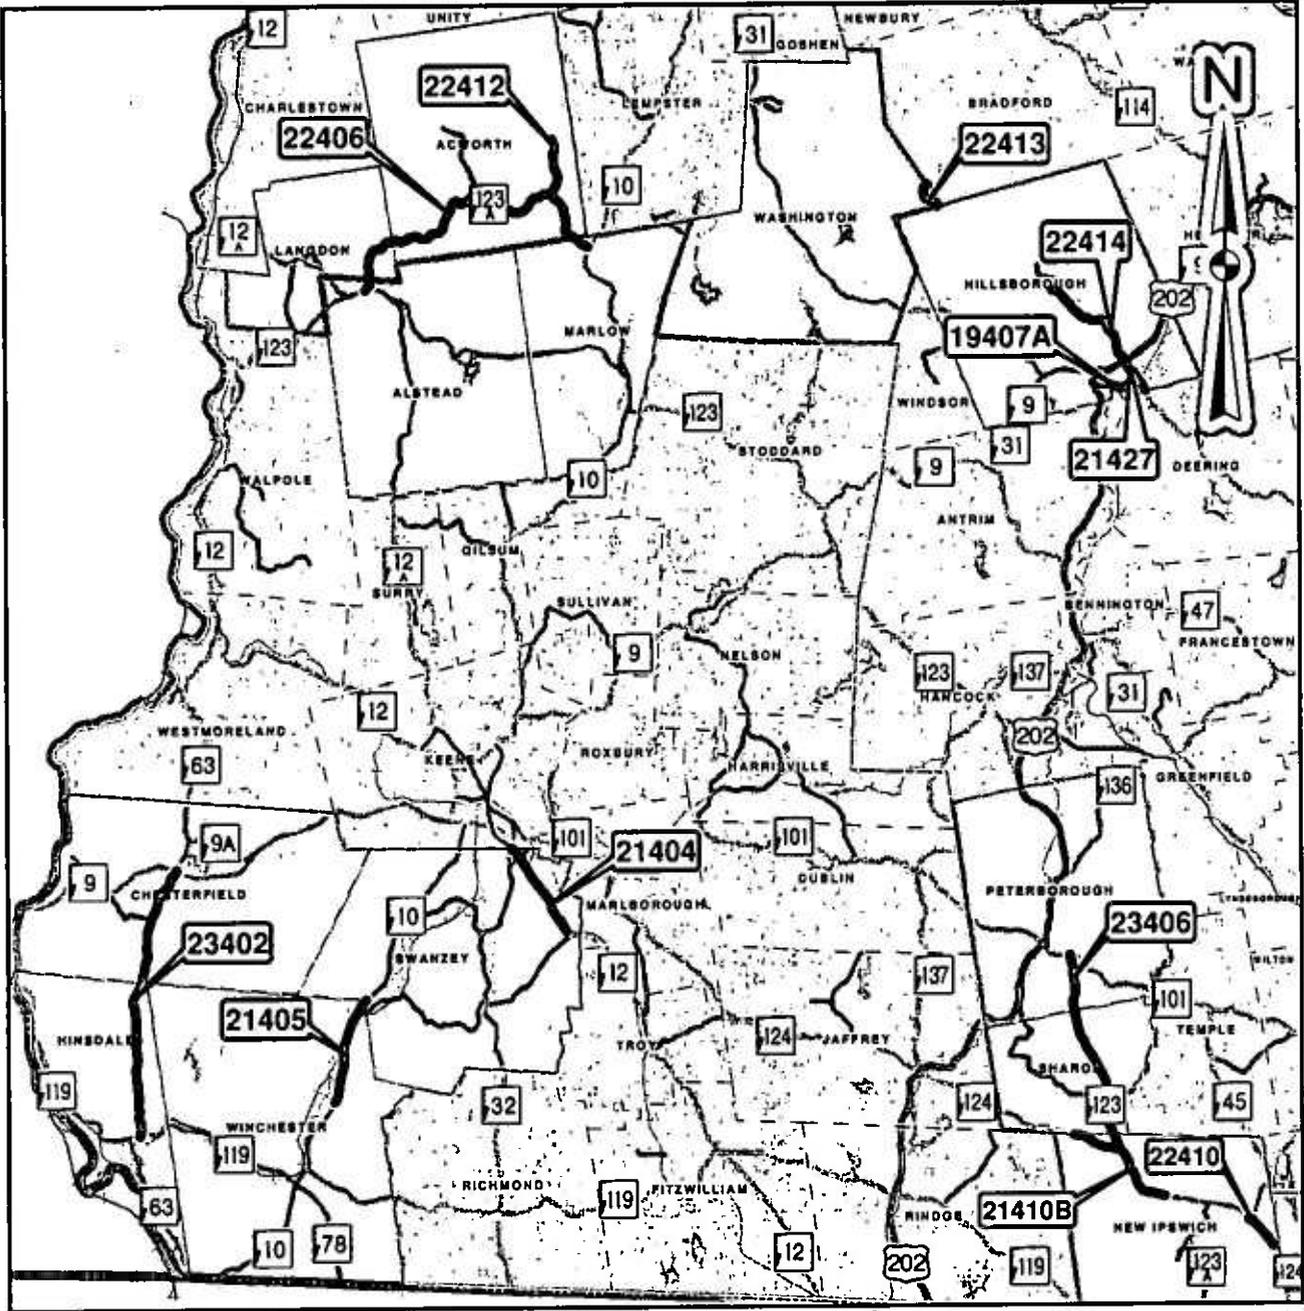

PROJECT INITIATED: This project is part of the calendar year 2023 State Funded Tier 2, 3 and 4 Resurfacing Program (Pave-T2-Resurf and Pave-T3/4-Resurf). The Pavement Management Section reviewed the road segments included in this project and identified three (3) sections for Roughness totaling 6.4 miles, seven (7) sections for Light Capital Paving totaling 35.7 miles, and two (2) sections for Minor Rehab totaling 2.6 miles.

PROJECT EXPLANATION: This project will extend the quality of life of the pavement, improve curb ramps, and drainage; and delay costlier improvements. The sections will be resurfaced via paver shim overlay, full width high strength inlay, and full width high strength wearing course. Fifty-four (54) sidewalk curb ramps will be upgraded to comply with ADA guidelines. The Contractor will be responsible for striping. All impacted towns and utilities will be notified.

TRAFFIC IMPLICATION: Only one (1) section will be paved at a time. One-lane, alternating two-way traffic will be required in order to complete the work. Unless otherwise noted in segment specific requirements, lane closure lengths will be limited to one (1) mile with a two (2) mile separation required between work zones. Traffic will be restored to normal patterns during non-work hours. Night work will be required on Section 21404 – Swanzey, NH 12. Work zone significance was determined to be non-significant at the December 15, 2022 TCC Meeting.

FINAL COMPLETION DATE: September 29, 2023.
