His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Pursuant to RSA 21-I:80, I(b), authorize the Department of Natural and Cultural Resources, Division of Parks and Recreation, Cannon Mountain to enter into a **Sole Source** contract with Evergreen Wire Rope Testing LLC, (VC #220595), Brush Prairie, WA, in the amount of \$19,000 for the electromagnetic wire rope testing of the Aerial Tramway and Peabody Express Lift at Cannon Mountain Ski Area effective upon Governor and Council approval through June 30, 2024. 100% Other Funds (Agency Income).

Funds are available in account, Cannon Mountain, for Fiscal Year 2023, and anticipated to be available in Fiscal Year 2024, upon the continued appropriation of funds in the future operating budget with the authority to adjust encumbrances between fiscal years within the price limitation through the Budget Office, if needed and justified.

EXPLANATION

This request is **Sole Source** because Evergreen Wire Rope Testing LLC (Evergreen) is the only vendor that has a dye that is large enough for our track cables for the tram magnetic particle testing. Specialized rope sizes and equipment are needed, and we are unable to find anyone else who can perform this testing. Evergreen has proven to be able to consistently provide Cannon Mountain with the type of premium-level inspection required for the Aerial Tramway and Peabody Express Lift track cables. Evergreen has provided this service to us for over two decades and has all of our previous records to compare their findings to.

The Cannon Mountain Ski Area's Aerial Tramway and Peabody Express Lift require yearly magnetic rope testing of the haul ropes, track cables, and connection hardware in accordance with the ANSI-B 77.1 standard codes. Testing occurs seasonally at a minimum. This contract includes agreement for testing services to be performed both this year in Spring of 2023 prior to the summer operating season and again in Spring of 2024 prior to the summer operating season. This annual inspection is to ensure the safe operations of both the Aerial Tramway and Peabody Express Lift.

The Attorney General's Office has reviewed and approved this contact as to form, substance, and execution.

Respectfully submitted,

Brian J. Wilson
Director

Concurred,

Sarah L. Stewart
Commissioner

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13.
