His Excellency, Governor Christopher T. Sununu  
and The Honorable Council  
State House  
Concord, NH 03301

**REQUESTED ACTION**

Authorize the Department of Environmental Services to award a Local Source Water Protection grant to the Hopkinton Village Precinct (VC# 154511-B001) in the amount of \$5,465 to complete a project to protect public drinking water supplies, effective upon Governor and Council approval through May 31, 2024. 100% Federal Funds.

Funding is available in the following account:

Dept. Environmental Services, DWSRF BIL Administration, Grants- Federal	

**EXPLANATION**

The Department of Environmental Services issued a request for proposals for 2023 Local Source Water Protection Grants. These grants are funded by set-asides under the Drinking Water State Revolving Loan Fund. Twenty-three proposals were received. The proposals were evaluated and ranked based on criteria included in the request for proposals, such as whether the project fulfills a component of a source water protection program, that the proposed project addresses appropriate threats, and that the project will deliver a valuable and useful product. Based on eligibility and the available federal funding, the Department determined that it could offer grants to sixteen source protection planning projects and three source security projects. See Attachment A for the full list of grants awarded and list of reviewers.

The Hopkinton Village Precinct will use the source water protection grant funds to install security cameras and equipment to protect their two wells, as well as signage to alert the public of the drinking water supply area. While this grant is less than \$10,000, it requires Governor & Council approval as the entity has already received funds over the limit this fiscal year.

This agreement has been approved as to form, substance, and execution by the Office of the Attorney General. In the event that the federal funds are no longer available, General funds will not be requested to support this program.

We respectfully request your approval of this item.

- 11.2.2 Give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Grantee during the period from the date of such notice until such time as the State determines that the Grantee has cured the Event of Default shall never be paid to the Grantee; and
- 11.2.3 Set off against any other obligation the State may owe to the Grantee any damages the State suffers by reason of any Event of Default; and
- 11.2.4 Treat the agreement as breached and pursue any of its remedies at law or in equity, or both.
12. TERMINATION.
- 12.1. - 12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall entitle the Grantee to receive that portion of the Grant amount earned to and including the date of termination.
- 12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.
- 12.4. Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Grantee hereunder, the Grantee, may terminate this Agreement without cause upon thirty (30) days written notice.
