EXPLANATION

BDMP will help to define the new "goals and priorities" of the bureau that will align and be incorporated into the federally required "Combined State Plan". The plan will create a way forward for the bureau that will be feasible and future oriented. It will identify objectives and strategies for our future programming, facilities, leadership, community engagement, staffing models, and performance and outcome achievement.

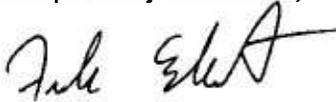

The Request for Proposals (RFP) for strategic planning was posted on the NH Department of Education website on October 26, 2022. On November 16, 2022, the answers to all questions requested from potential contractors was posted on the website. On December 9, 2022, the program received five (5) proposals for the RFP. A review team met and reviewed all proposals.

His Excellency, Governor Christopher T. Sununu
and the Honorable Executive Council
Page 2 of 2

The team consisted of the VR Bureau Director, Administrator of Blind Services program, a Program Specialist, and the Bureau Field Service Administrator. The team chose Berry, Dunn, McNeil & Parker LLC for funding.

BDMP was selected to support the agency in defining the future of the bureau's work and enhance the dual missions of the bureau: assisting individuals with disabilities in obtaining and maintaining competitive, integrated employment and assisting business partners with services to meet their workforce needs. BDMP was chosen by the review team for the following reasons: clarity of process, clearly identified deliverables to achieve the new strategic plan, efficient and timely process, and well-organized use of resources. Based on these factors this vendor's scoring was close to 14 points higher than the next highest bidder and had the highest score in three out of the four scoring categories. BDMP scored the highest in the categories of Completeness of Proposal, Project Design/Plan, Performance Goals and Measure and was the second highest to the next bidder by 1.75 points in Cost Effectiveness/Budget. Although BDMP was not the lowest bidder, the VRNH scoring team selected BDMP based the quality of their proposal and their ability to deliver the work expected and required. BDMP will be able to aid VRNH in producing a quality Strategic Plan to guide the agency through its' next three years goals and priorities.

Respectfully Submitted,

Frank Edelblut
Commissioner of Education

The Contractor shall not be required to indemnify the State for the State's own negligence. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13.
