REQUESTED ACTION

Pursuant to the provisions of Administrative Rule 316.13 (a) (5), the Department of Safety, Division of State Police, requests authorization to pay overtime in the amount of \$362,500.00 for permanent personnel from class 10 appropriations for positions that are vacant due to illness, extended leaves of absence, or pending recruitment at Traffic Bureau. The \$362,500.00 represents the estimate of additional funds needed for the remainder of SFY 2023. Effective upon Governor and Council approval through June 30, 2023. 41.07% Highway Funds, 24.16% Turnpike Funds, and 34.77% General Funds

EXPLANATION

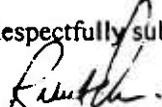

The Department of Safety, Division of State Police, Traffic Bureau, requests an overtime transfer for actual expenditures not to exceed \$362,500.00. The requested overtime transfer from Class 10, Personnel Services accounts, represent payments made to permanent personnel for overtime hours worked while conducting patrols, covering calls for service, covering accidents, and investigating criminal activity during critical vacancies due to sickness, extended leaves of absence, or pending recruitments. The average recruitment-to-hire time has been roughly three to four months, not including training prior to assuming any full-time shifts. Total vacancies in the Traffic Bureau were 33 positions at any given time during SFY 2023. During this time the Division had at least eleven (11) Division members out on Military leave at different times, as well as twelve (12) Division members on FMLA leave due to injury or illness and four (4) Division members on Workers Compensation leave due to injuries.

The Traffic Bureau overtime expenditures were \$1,211,331.24 in SFY 2021 and \$1,397,383.71 in SFY 2022. In SFY 2023, to date, the Division has spent \$1,423,099.19 in overtime to maintain existing levels of service.

In SFY 2021, the original overtime budget of \$790,000.00 was increased to \$1,322,000.00. In SFY 2022 the original overtime budget of \$750,000.00 was increased to \$1,415,000.00. This requested action to increase the original SFY 2023 overtime budget of \$750,000.00 is required because the Division was not expecting such a decrease in personnel due to illness, leave of absences, military leave, and vacancies.

The above requested action is to cover the expenses incurred for SFY 2023 and any additional expenditure for the remainder of SFY 2023 through June 15, 2023 based on expected demand for service and existing vacancies due to extended leave, illness, and pending recruitment.

This request is made in accordance with applicable law. The A-29 form is attached to support this request.

Respectfully submitted,

Robert L. Quinn
Commissioner of Safety
