• Acceptance of EOC equipment grant

S. Theriault advised that the Fire Department had submitted an application for an Emergency Management Performance Grant (EMPG) grant for the Emergency Operations Center (EOC). After review from HSEM it was determined that the grant fell within the guidelines. This is a 50/50 grant with \$68,758 for the Town's portion for a total project cost of \$137,516.

Chief Carrier highlighted certain items that would be purchased, which includes but is not limited to, conference table, computers, desks, monitors and a display monitor etc. The signed application will be sent to the State to go before the Governor's Council.

J. Guthrie made a motion to accept the terms of the Emergency Management Performance Grant as presented in the amount for \$68,758.00 for the Emergency Operation Center's equipment. Furthermore, the Board acknowledges that the total cost for this project will be \$137,516, in which the Town will be responsible for a 50% match (\$68,758.00) and further to allow Mr. Sean Murphy, Chairman of the Board of Selectmen to sign all documents related to the grant. S. Morse seconded the motion. Vote: 5-0, Motion passes unanimously.

The Chief requested that the bidding process for the grant be waived since time is of the essence and he can probably get the equipment at a better price. A number of RFPs would have to go out if the policy isn't waived.

L. Warnock made a motion to allow the Chief to waive the bidding process for the EOC equipment. S. Murphy seconded the motion. Vote 4 - 1 (J. Guthrie against)

• DPW study, review and discussion

S. Morse pointed out that along with the DPW study, there is an organizational chart. Currently J. Worthen is under contract until 4/1/2023. He has expressed a willingness to continue with the Town until the DPW is in place. Most of the positions for Highway and B&G have been filled. The remaining positions could be determined by the new DPW. B&G doesn't need an additional F/T laborer right now. J. Guthrie sees the only problem with the Cemetery Trustees in that they handle the cemeteries and not DPW. S. Morse said B&G works in the cemeteries. Further the job description is fairly complete and can be tweaked if needed.

J. Guthrie would like the minimum qualifications to be an AS degree not a BS degree. S. Murphy asked if other communities were checked for job qualifications. S. Morse responded that no, that is why we had a study done. He also asked how this position was going to be paid for, S. Murphy said

CERTIFICATE OF COVERAGE

The New Hampshire Public Risk Management Exchange (Primex³) is organized under the New Hampshire Revised Statutes Annotated, Chapter 5-B, Pooled Risk Management Programs. In accordance with those statutes, its Trust Agreement and bylaws, Primex³ is authorized to provide pooled risk management programs established for the benefit of political subdivisions in the State of New Hampshire.

Each member of Primex³ is entitled to the categories of coverage set forth below. In addition, Primex³ may extend the same coverage to non-members. However, any coverage extended to a non-member is subject to all of the terms, conditions, exclusions, amendments, rules, policies and procedures that are applicable to the members of Primex³, including but not limited to the final and binding resolution of all claims and coverage disputes before the Primex³ Board of Trustees. The Additional Covered Party's per occurrence limit shall be deemed included in the Member's per occurrence limit, and therefore shall reduce the Member's limit of liability as set forth by the Coverage Documents and Declarations. The limit shown may have been reduced by claims paid on behalf of the member. General Liability coverage is limited to Coverage A (Personal Injury Liability) and Coverage B (Property Damage Liability) only, Coverage's C (Public Officials Errors and Omissions), D (Unfair Employment Practices), E (Employee Benefit Liability) and F (Educator's Legal Liability Claims-Made Coverage) are excluded from this provision of coverage.

The below named entity is a member in good standing of the New Hampshire Public Risk Management Exchange. The coverage provided may, however, be revised at any time by the actions of Primex³. As of the date this certificate is issued, the information set out below accurately reflects the categories of coverage established for the current coverage year.

This Certificate is issued as a matter of information only and confers no rights upon the certificate holder. This certificate does not amend, extend, or alter the coverage afforded by the coverage categories listed below.
