EXPLANATION

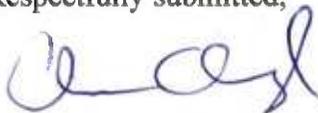

Pursuant to the Collective Bargaining Agreement (CBA) for the State Employees' Association of New Hampshire, Inc., CBA 19.12 "*Shift differential is additional compensation intended to recognize time worked outside of day shifts and on weekends.*" Per CBA 19.12.2. "*Second shift: work commencing any time at/or after 2:00 p.m. or before 7:00 p.m. - increase of 60 cents/hour over base pay.*" Due to a clerical error, Mr. Sundash was entered into the payroll system as a first shift employee when, in fact, he is a second shift employee. From October 14, 2020 through June 30, 2022, Mr. Sundash did not receive the shift differential of \$0.60 per hour owed to him to compensate him for performing the duties assigned while working his normal schedule on second shift.

When the oversight was discovered, the DAS Payroll and Human Resources offices worked with the Division of Personnel to correct Mr. Sundash's employment record. However, in order to make the

employee whole for the shift differential compensation that he should have received October 14, 2020, through June 30, 2022, DAS requires the **retroactive** approval of the Governor and Executive Council to pay Mr. Sundash the sum of \$2,201.00

For the aforementioned reasons, requests approval of this item.
