- Land Acknowledgement - Susan Romano

The Bear-Paw region exists within N'dakinna, the traditional ancestral homeland of the Abenaki, Pennacook and Wabanaki Peoples past, present and future. We acknowledge that we are on unceded land and waterways and honor with gratitude the people who have stewarded N'dakinna (homeland) and the aki (land), nebi (water), olakwika (flora) and awaasak (fauna) which we are honored to steward today. We seek to foster relationships and opportunities that strengthen the well-being of the Indigenous People who carry forward the traditions of their ancestors. (Revised 12/07/2021)

Business Status

- Budget report and donations chart - Hal - Donations Chart: Bear-Paw met our \$160,000 fundraising goal for 2022. Operations: The balance sheet general fund of \$189,347.77 for End Of

Year (EOY) 2022 was very similar to the EOY general fund balance for 2021. B-P has approximately 6 months of operation funds plus \$25,000 in our cash flow. Because the fund balance indicates quite a bit of cash on hand, we should move some of the cash on hand to equities. The Finance Committee voted to move 3% of our stewardship fund into the general fund, and \$3,000 into general fund, and to move to fixed income \$25,000 from the General Fund, and \$15,000 from the Unrestricted Endowment into cash on hand.

• Project status summary -- Susan S. & Katrina -- Bloomfield closed in December, and the Northwood Ridge is moving forward. Katrina -- several appraisals were received, and we currently have more projects that we can handle this year. The staff are discussing what projects to fund and what to move. BP received \$25,000 from the Moose plate project for the Hume Property and Coveland Farms that require confirmation by vote.

Hal motions that by certificate of vote and authority, Bear-Paw Regional Greenways will accept grant funding from the State of New Hampshire Conservation Commissions Moose Plate Grant for the Hume Property in Nottingham, NH, and that Katrina Amaral, Executive Director, is authorized to execute the contract and have authority to bind the organization.

Bonnie seconds the motion, and all approve.

Hal motions that by certificate of vote and authority, Bear-Paw Regional Greenways will accept grant funding from the State of New Hampshire Conservation Commissions Moose Plate Grant for Coveland Farm, Strafford, NH, and that Katrina Amaral, Executive Director, is authorized to execute the contract and have authority to bind the organization.

Bonnie seconds the motion, and all approve.

• Monthly donor list -- Bonnie -- Review of the December Donations spreadsheet and assigned board members to send thank you notes.

Items for Board consideration/updates

• Accounting Policy approval -- Hal -- The Finance Committee revised the accounting policy to coincide with our current practices. Jeff -- motion to approve the changes to the accounting policy as proposed by the finance committee. Mimi seconds.

All approve the new accounting policy.

Fundraising Update -- Katrina --

• Breakfast in the Barn Update -- Katrina noted that we need everyone's help to pursue business sponsorships. Bonnie also emphasized the importance of the sponsors. The fliers are ready to distribute, although sponsorship reminders may be needed before the event.

• Business Plan Draft -- Susan R. Susan provided a summary of the education and the land use income potential summaries to the Board.

• Approval of New Board Members -- Phil Auger and Kelly Dwyer were nominated by the Governance Committee as new board members.

Hal motions to recommend Phil Auger as a board member, Mimi seconds. All approved.

Hal motions to recommend Kelly Dwyer as a board member, Bonnie seconds. All approved.

Focus Topic:

• Gaming Charity Opportunity –

Jeff: Any slot machine business needs to donate 30% of their profits to non-profit organizations. There are significant funds Bear Paw could acquire, \$50-\$90,000. Katrina reached out to Al Cantor about this, and he said that the funds are significant with minimal effort. Our reputational risk is not an issue. There is no conflict between the gaming industry and our organization.

Jeff – The Development Committee unanimously recommends to the board to pursue this and accept the funds. Discussion about the pros and cons of this funding source. Bonnie recommends that we wait until the full board is available. A special meeting is recommended as soon as possible to discuss further and vote.

Meeting ends at 6:56 pm Jeff motions to adjourn. All in favor.
