	<u>FY2023</u>
03-035-035-351510-37200000-103-502664-Contracts for Op Services	\$4,400

EXPLANATION

This contract is **Retroactive** because Odiorne Point and Rye Harbor State Parks managed by the Division of Parks and Recreation sustained debris damage and are opening for the summer season. The debris at both locations was caused by a winter storm and would have had a negative impact on the safety of our visitors as well as the guest experience that visitors have come to expect at a NH State Park. Additionally, the Seacoast Science Center is located at Odiorne State Park and some of the debris damage impacted the areas where they hold events and summer camps which are set to begin in early May.

On March 21, 2023, an invitation to submit bids for storm debris removal was issued, in accordance with Department of Administrative Services' policy. The bid solicitation was posted; on the Division of Purchase and Property's website, the Division of Parks and Recreation's website, and the following construction services' websites: Construction Summary of NH, Infinite Imaging, McGraw Hill Construction, Signature Press and Blueprinting, and Works in Progress. Five bid proposals were received on April 6, 2023, and the low bidder Green Shadow Property Maintenance, LLC was selected. Attached for your information, is a summary of the bids received for this project.

Earlier in Fiscal Year 2023 Green Shadow Property Maintenance, LLC received \$108,871 which is above the \$10,000 threshold requiring this contract to obtain Governor and Council approval.

The Attorney General's Office has reviewed and approved the contract as to form, substance, and execution.

Respectfully submitted,

Concurred,

Brian L. Wilson
Director

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13.
