Definitely whatever you guys feel comfortable with, the other vest was the same price. It had been reported as a 1500.00 but that was in Canadian money.

Let me know who to write the check out to and it will be sent.

Thank you for the research

Good morning ladies,

I have done some research on the Lo Defense vest. Too be honest, I really don't like the vest and not sure what the attraction is for the high priced vest. I have attached a vest that we have bought over the last few years. I find this vest for the money does the job. The total cost for (1) vest would be \$ 1,200.00 If you are still willing to purchase a vest, I can order the vest for one of our teams and at any point accept a check that will be put into our donation account. Please let me know what you would like to do, and again thank you.

Good morning Officer Ingham,

We just donated a street fighter vest to officer Henry of the Seabrook Police Department. Unfortunately I don't have a great picture of the vest but will try to get you one. These vest are made in Canada by Lo defence company. This vest was requested by Tyler when we originally approached them. If you would like to Google them and see if it's something that would work for you. This vest is light wgt so K9 can wear it continuously and I believe it's cooling also. If you have another type of vest please let us know. We have roughly 1500.00 to spend on one or possibly 2 depending on price. At our last meeting Hampton Police denied the donation of a vest so we decided it would be better for a State K9. Maybe one that patrols Hampton, but it's not necessary, it can go where ever you need it. My number is 603-262-0001

I am usually out of work by noon on any given day if you have more questions.

Thank you

Sincerely

Kelly Frenette

Hi Kelly,

This is a very generous offer and we appreciate it. Can you help me with which vest you are looking to purchase and donate? The reason I ask, I have multiple teams (20) and depending on the model I would pick a specific team that would benefit most from the vest. I am available for a call if that helps as well.

Thanks,

Gary

~~The American Legion auxiliary would like to donate a lot of defence vest~~

I need neck size, chest size, wgt, and breed.

Would you prefer a hard leach or a soft leach? These vest take on average of 3 moths to make as they are specific to the K9.

If you have any questions please let me know.

Sincerely

Kelly Frenette
