His Excellency, Governor Christopher T. Sununu
and the Honorable Executive Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Pursuant to MOP 150, VII, (C), authorize the Department of Natural and Cultural Resources, Division of Parks and Recreation, Bureau of Trails (Department) to purchase a 2023 John Deere 6R 155 Tractor Groomer with Tracks from United AG & Turf (VC #324800) of Fairfield, Maine in the amount of \$399,109.56 effective upon Governor and Council approval through November 1, 2023. 100% Federal Funds (American Recovery Plan Act funds).

Funding is available in account, ARPA Trail Projects, as follows:

	<u>FY 2023</u>
03-035-035-351510-26840000-030-500300 – Equipment – New/Replacement	\$399,109.56

EXPLANATION

In accordance with MOP 150, VII, (C), the Department is seeking Governor and Executive Council approval to purchase a 2023 John Deere 6R 155 Tractor Groomer with Tracks for which the cost is over the \$250,000 commodity threshold. Funding for the purchase of this groomer is through the American Rescue Plan Act and is an allowable use of State Fiscal Recovery Funds under Section 602 (c)(1)(A) to respond to a public health emergency or its negative economic impacts.

On April 4, 2023, an invitation to submit bids for a tractor and attachments was advertised by and through the Department of Administrative Services, Division of Procurement and Support Services' website. Two companies submitted bids by the closing date of April 19, 2023 and United AG & Turf was considered the apparent low bidder. A copy of the bid results and draft Purchase Order are attached for your information.

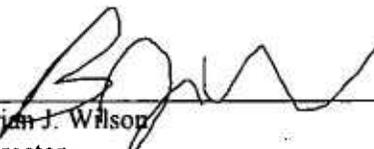

New Hampshire's snowmobile grooming fleet is made up of state- and snowmobile club-owned equipment which is used to maintain and groom our extensive 7,500 mile network of state snowmobile trails and corridors. According to the Best Management Practices for Adaptive Trail Grooming manual, dated 2015, completed for the American Council of Snowmobile Associations, "Grooming fleets are most effective and dependable when equipment is not allowed to age excessively or acquire an excessively high number of use hours before being traded or disposed of. Large groomer fleets are most effectively managed when the average groomer stays in the range of being about 5 years old with 2,500 hours of use. In no case should individual groomers generally be allowed to exceed 10 years of age or 5,000 hours of use."

Approximately 85% of New Hampshire's snowmobile grooming fleet is 10 years old or older (273 units, out of 323 total groomers). Of those 273 groomers, 86% are 15 years old or older, 50% are 20 years old or older, and 11% are 30 years old or older, with the average age being 21 years old.

Due to the increase in snowmobile registrations and snowmobile trail use that has occurred over the last 3 to 4 years, the replacement of the grooming equipment is essential to meet the needs of the public and provide safe and adequate snowmobile trail grooming on the state's trail system. Also, it should be noted that new grooming equipment will help to support the many volunteer clubs that perform the majority of trail grooming in the state, as these volunteer clubs are critically important to the success of creating a high quality, safe riding experience in New Hampshire.

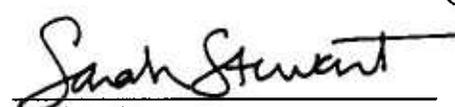

The Bureau of Trails expects this new grooming equipment to provide improved trail grooming and maintenance of the state's 7,500 miles of snowmobile trails which will equate to a safer, more user friendly experience for riders. Also, improved trail grooming will assist other state agencies responsible for public safety and enforcement, such as the New Hampshire Fish & Game Department.

CHAPTER ADM 600 PROCUREMENT AND PROPERTY RULES APPLY TO AND ARE MADE A PART HEREOF

NON-EXCLUSIVE CONTRACT

Any resulting Contract from this RFB will be a non-exclusive Contract. The State reserves the right, at its discretion, to retain other Contractors to provide any of the Services or Deliverables identified under this procurement or make an award by item, part or portion of an item, group of items, or total Proposal.

PUBLIC DISCLOSURE OF BID OR PROPOSAL SUBMISSIONS:

Generally, the full contents of any proposal (including all materials submitted in connection with it, such as attachments, exhibits, addenda, and vendor presentations) become public information upon completion of final contract or purchase order negotiations with the selected vendor. Certain information concerning proposals, including but not limited to scoring, is generally available to the public even before this time, in accordance with the provisions of NH RSA 21-G:37.

Confidential, commercial or financial information may be exempt from public disclosure under RSA 91-A:5, IV. Any and all information contained in or connected to a bid or proposal that a Bidder considers confidential shall be clearly designated in the following manner:

If the Bidder considers any portion of a submission confidential, they shall provide a separate copy of the full and complete document, fully redacting those portions by blacking them out and shall note on the applicable page or pages of the document that the redacted portion or portions are "confidential." Use of any other term or method, such as stating that a document or portion thereof is "proprietary", "not for public use", or "for client's use only", is not acceptable. In addition to providing an additional fully redacted copy of the bid submission to the person listed as the point of contact on Page one (1) of this document, the identified information considered to be confidential **must be accompanied by a separate letter stating the rationale for each item designated as confidential. In other words, the letter must specifically state why and under what legal authority each redaction has been made. Submissions which do not conform to these instructions by failing to include a redacted copy (if required), by failing to include a letter specifying the rationale for each redaction, by failing to designate redactions in the manner required by these instructions, or by including redactions which are contrary to these instructions or operative law may be rejected by the State as not conforming to the requirements of the bid or proposal. Marking or designating an entire proposal, attachment or section as confidential shall neither be accepted nor honored by the State. Marking an entire bid, proposal, attachment or full sections thereof confidential without taking into consideration the public's right to know shall neither be accepted nor honored by the State.**

Notwithstanding any provision of this request for submission to the contrary, proposed pricing shall be subject to public disclosure REGARDLESS of whether or not marked as confidential.

If a request is made to the State by any person or entity to view or receive copies of any portion of a proposal, the State will assess what information it believes is subject to release; notify the Bidder that the request has been made; indicate what, if any, portions of the proposal or related material shall be released; and notify the Bidder of the date it plans to release the materials. To halt the release of information by the State, a Bidder must initiate and provide to the State, prior to the date specified in the notice, a court action in the Superior Court of the State of New Hampshire, at its sole expense, seeking to enjoin the release of the requested information.

By submitting a proposal, Bidders acknowledge and agree that:

- The State may disclose any and all portions of the proposal or related materials which are not marked as confidential and/or which have not been specifically explained in the letter to the person identified as the point of contact for this RFP;
- The State is not obligated to comply with a Bidder's designations regarding confidentiality and must conduct an independent analysis to assess the confidentiality of the information submitted in your proposal; and
- The State may, unless otherwise prohibited by court order, release the information on the date specified in the notice described above without any liability to a Bidder.
