REQUESTED ACTION

Authorize the New Hampshire Liquor Commission (NHLC) to enter into a **sole source** amendment to its existing contract with Wedü, Inc. (Vendor #158621), 20 Market Street, Manchester, NH 03101, for professional advertising and promotional services. Through the amendment, the NHLC and Wedü will extend their contract by two additional years to continue Wedü's services to the NHLC. The amendment increases the contract price limitation by \$6,000,000.00, from \$14,000,000.00 to an amended price limitation of \$20,000,000.00. This amendment shall become effective upon Governor and Executive Council approval through June 30, 2025. Funding: 100% Liquor Funds.

Funding in account titled Merchandising-Advertising #02-77-77-771512-10310000 is anticipated to be available in Fiscal Years 2024-2025 with the authority to adjust encumbrances in each of the State's fiscal years through the Budget Office if needed and justified.

State Fiscal Year	Co.-Activity-Acctg. Unit-Class Code	Class Title	Amount
2024	02-77-77-771512-10310000-020-500247	Advertising & Publications	\$3,000,000
2025	02-77-77-771512-10310000-020-500247	Advertising & Publications	\$3,000,000

EXPLANATION

As this amendment will increase the contract price limitation by more than ten percent of the dollar amount of the original contract, this is considered a **sole source** amendment to the contract.

On May 2, 2018, the Governor and Executive Council approved the NHLC's contract with Wedü for the development of a marketing and advertising campaign for the NHLC. *See G&C Item 61 (May 2, 2018)*. Since the contract's inception, Wedü, in collaboration with the NHLC Marketing Department, has created and produced a variety of marketing and advertising materials for the NHLC aimed at both licensees and consumers, including in-store promotional materials, digital advertising, social media posts, streaming and radio advertising, video production, search engine optimization, and email marketing. Wedü has also supported several successful special events for the NHLC such as the Winter Wine Spectacular and Distiller's Showcase. The New Hampshire Liquor & Wine Outlet website, which offers customers an e-commerce experience, is likewise the result of the NHLC and Wedü's successful collaboration.

In addition to the current materials and work that Wedü is producing for the NHLC, the NHLC will be in need of additional marketing services in the upcoming two years related to the deployment of its NextGen project. This large-scale software project will change the way that licensees, brokers, and vendors interact with the NHLC. As the NHLC transitions to this new retail business system, the NHLC will utilize Wedü's expertise to communicate these exciting functionality changes to its valued business partners. Therefore, the NHLC is requesting the additional \$400,000 (\$200,000 per year) for targeted marketing for the NexGen project.

Under Exhibit A, Section 3 of the contract, the parties may extend the term of the contract for an additional two years. The NHLC seeks to utilize this extension, which will result in continuity in its marketing and advertising, and the continued success of its special events. Wedü has shown itself to be adept at meeting the NHLC's promotional needs and thus extending its relationship with Wedü is of significant value and benefit to the NHLC and its essential functions. Finally, as a result of the committed relationship between the NHLC and Wedü, the contracted retainer fee and hourly rates have remained the same.

Based on the foregoing, I am respectfully requesting approval of the amendment of the NHLC's contract with Wedü, Inc.

Respectfully submitted,

Joseph W. Mollica
Chairman, Liquor Commission

REQUESTED ACTION

Authorize the New Hampshire Liquor Commission to enter into a contract agreement with Wedü Inc. (vendor code 158621), 20 Market Street, Manchester, NH 03101, in the amount of \$14,000,000.00 for professional advertising and promotional services effective upon Governor and Council approval through June 30, 2023, with the option to renew for one additional two year period upon consent of both parties and subject to Governor and Council approval. Funding is 100% Liquor Funds.

Funding is available in the account titled, Merchandising-Advertising #02-77-77-771512-1031 for Fiscal Year 2019, and anticipated to be available in Fiscal Years 2020-2023 with the authority to adjust encumbrances in each of the State's fiscal years through the Budget Office if needed and justified:

Class #	Class Description	FY 2019	FY 2020	FY 2021	FY 2022	FY 2023	Total

EXPLANATION

On March 1, 2018 the Liquor Commission issued a request for proposals (RFP) for advertising services to assist the Commission with marketing, promotions and communications designed to achieve the Commission's goal of increasing wine and spirit revenues and profits.

The RFP was publicly advertised on March 1, 2018 in the New Hampshire Union Leader newspaper for three days, and also advertised on the Liquor Commission's website.

Eight advertising agencies participated in a mandatory conference call to discuss procedural questions related to the RFP.

Proposals were received from three agencies, two of which had attended the mandatory conference call. The two agencies that submitted proposals in accordance with the requirements in the RFP were:

- EVR (Office based in Manchester, NH)
- Wedü (Office based in Manchester, NH)

Proposals from each agency were reviewed and rated by a Selection Committee, comprised of two Directors from the Liquor Commission and the Executive Director of the Lottery Commission. The Selection Committee members each all brought different perspectives, strengths, and knowledge to the table.

The proposals were scored by the Selection Committee according to the criteria set out in the RFP, including experience and qualifications, marketing strategy, creativity and methodology, an oral presentation, and financial terms.

During the individual agency tours the two presentations given by both agencies demonstrated team skills, creative abilities, and communication expertise. Also, the Selection Committee met with many of the Agency employees to see how campaigns are created from start to finish at their respective locations.

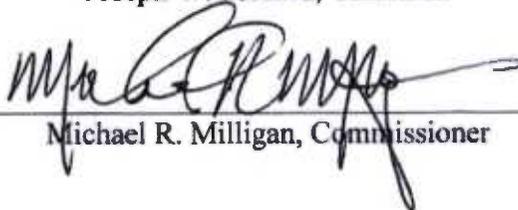

As a result of the scores, the Selection Committee unanimously recommends Wedü, subject to Governor and Council approval, to develop and provide the Liquor Commission's marketing and advertising campaign. Wedü's proposal was creative, competitive, and responsive to the RFP specifications. Their personnel have outstanding qualifications and their creativity excels beyond industry standards. Their proposal and oral presentation exceeded expectations. Wedü demonstrated a thorough knowledge of the Liquor Commission's business and has the ability to work seamlessly with our next operating system, NextGen. A rating summary of the two agencies is attached.

The contract has been approved by the Attorney General's Office as to form and execution. Your favorable action on this request would be greatly appreciated.

Respectfully Submitted,
