His Excellency, Governor Christopher T. Sununu  
And the Honorable council  
State House  
Concord, New Hampshire 03301

**REQUESTED ACTION**

Authorize the Department of Natural and Cultural resources, Parks and Recreation, Bureau of Trails, to enter into a **Retroactive** and **Sole Source** contract with Cloutier Sand & Gravel, Inc. (VC#157206), North Stratford, NH in the amount of \$40,000 to grade and ditch roads on the Connecticut Lakes Headwaters Property effective upon Governor and Council approval for the period May 30, 2023 through October 30, 2023. 100% General Funds.

Funding is available in account, Connecticut Lakes Headwaters, as follows:

	<u>FY 2023</u>
03-035-035-351510-34150000-022-500257 - Rent/Lease Non-Office Equip	\$40,000

**EXPLANATION**

This request is **Sole Source** because Cloutier Sand and Gravel are currently working in the area, and they are able to complete the work within our rapid timeframe. In addition, there would be a cost savings by using Cloutier Sand and Gravel as there would be less equipment mobilization costs for this work.

This request is **Retroactive** because spring damages have occurred from recent heavy rains and spring runoff eroding culverts and ditch lines. In addition, some of the access roads need to be regraded to repair ruts from mud season. The work needs to be started as soon as possible as landowner has plans to start logging operations by early June and the roads need to be maintained. It is the State's obligation to keep these roads accessible and safe for public access.

The Attorney General's Office has reviewed and approved this contract as to form, substance and execution.

Respectfully submitted,

Concurred,

Brian J. Wilson
