EXPLANATION

The New Hampshire Department of Education, Bureau of Special Education Support is engaged in a multi-year State Systemic Improvement Plan (SSIP) developed to focused on improving results for children with disabilities and is a requirement for all states receiving Federal Funds for IDEA programs. The focus of this multi-year SSIP is to increase the reading proficiency of all Kindergarten through fourth grade students with disabilities in participating New Hampshire schools. There are three phases of this project. Phase One involved developing a Theory of Action that would provide an overview of the activities at the State, school, classroom, and child level that would lead to the State's desired result (State-identified Measurable Result – SIMR) while identifying key improvements to State infrastructure needed to support the implementation of evidence-based practices. Phase Two is focused on developing the infrastructure, supporting

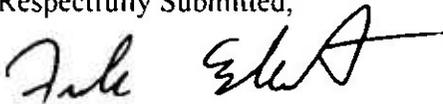

schools and practitioner implementation of evidence-based practices and evaluation planning. Phase three is focused on implementing State and local action plans supporting implementation of evidence-based practices and laying the groundwork for sustainability and expansion. These action plans include infrastructure development related to leadership, high-quality professional development, and coaching, as well as data collections, analysis, and evaluation. The evaluation in this phase of the project will measure and inform the effectiveness of implementation, summarizing progress toward achieving intended improvements and the need for modifications to the SSIP as necessary.

A Request for Proposals (RFP) was posted to the Department of Administrative Services (DAS) and the NHED websites on February 17, 2023. The Bureau of Special Education Support received two (2) proposals from the issuance of the Request for Proposal "State Systemic Improvement Plan (SSIP) Evaluator" and PLACE met the criteria of the Request for Proposal (see Attachment A).

A review committee met on April 28, 2023. The review panel consisted of the following employees from the Department of Education, Bureau of Special Education Support: Amy A., SSIP Coordinator and Program Specialist; Krisha D., Administrator, Office of Special Programs; and JoAnn M., Educational Consultant; as well as Michelle L., Executive Director of the Parent Information Center.
