Contracts for Program Services			

**EXPLANATION**

This contract is a **sole source** as Project Happy is the only developer of this new Platform and approach to engage students in volunteerism in communities throughout New Hampshire. Research supports that students, as well as other individuals, reach out beyond themselves, supporting and encouraging others, that it also benefits their own mental health. Connecting to New Hampshire non-profits will afford students those opportunities. Simultaneously, however, it will also help support the many strong non-profit organizations that support New Hampshire citizens. Through this Platform and program, Project Happy Inc. can provide opportunities to build the resilience and support the mental health of New Hampshire’s student population.

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
Page 2 of 2

Project Happy is an application and web-based program that connects students with volunteer opportunities and qualified non-profit organizations. The Platform is relatively new, having initially been launched as a pilot in the Spring of 2022. Through this contract, Project Happy will accelerate the build out of the Platform by adding additional non-profit volunteer opportunities and student recruitment through New Hampshire schools and direct student outreach. In addition, Project Happy will add functionality to the Platform making it both web and mobile enabled.

Respectfully submitted,

Frank Edelblut
