June 29, 2023

His Excellency, Governor Christopher T. Sununu  
and the Honorable Executive Council  
State House  
Concord, New Hampshire 03301

**REQUESTED ACTION**

Authorize the Department of Natural and Cultural Resources, Division of Parks and Recreation, Cannon Mountain Ski Area to enter a **Retroactive** and **Sole Source** contract with Trask-Decrow Machinery, Inc. (VC#174013), Scarborough, ME in the amount of \$54,000.20 for the emergency rebuild of failed snowmaking pump K10MC-10 at Cannon Mountain Ski Area Pump-house effective upon Governor and Council approval for the period of December 6, 2022 through January 5, 2023. 100% Capital Funds.

Funding is available in account, Cannon Mountain Capital Improvement, as follows:

	<u>FY 2024</u>
03-035-035-350030-31320000-034-500160 – Major Equipment	\$54,000.20

**EXPLANATION**

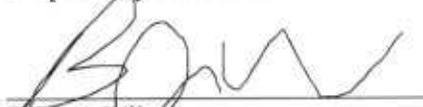

This request is **Retroactive** because on November 16<sup>th</sup>, 2022, K10MC-10 Pump #102 suffered a pump failure. Pump #102 is responsible for pumping over 35% of the water needed for snowmaking on Cannon Mountain. This made it essential that this pump was fixed and returned to service as a rush emergency repair.

This request is **Sole Source** due to the urgency of this pump returning to service. Two companies who have done work for us over the past 10-15 years were contacted. Vermont Pumps gave us a 5-week turnaround which would not work in the middle of ski season. Trask-Decrow Machinery, Inc. was also contacted and gave a 9-day turnaround at essentially the same cost. The pump was disassembled, impellers were machined, new pump shaft installed, new throttle bushing installed, and all mechanical seals were overhauled.

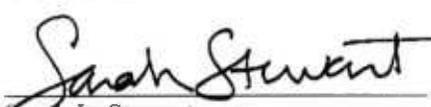

This pump is one of the most important tools used for our ski area. With this pump out of commission our snowmaking capabilities would not be able to keep up with the mountain needs. Our snow output is a huge part of creating a safe well snow-covered and groomed mountain for Cannon Mountain patrons.

The Attorney General's Office has reviewed and approved this contract as to form, substance, and execution.

Respectfully submitted,

  
\_\_\_\_\_  
Brian J. Wilson  
Director

Concurred,

  
\_\_\_\_\_  
Sarah L. Stewart  
Commissioner
