State of New Hampshire *Deferred Compensation Commission*

25 Capitol Street, Room 215C, Concord, NH 03301 (603) 271-7886

July 18, 2023

His Excellency, Governor Christopher T. Sununu
And the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the New Hampshire Deferred Compensation Commission to enter into a **retroactive sole source** amendment with NFP Retirement, Inc., Aliso Viejo, CA (VC#271268) to assist the Commission in developing and publishing a request for proposals (RFP) to conduct a plan recordkeeper search for the State of New Hampshire Public Employees Deferred Compensation Plan by increasing the price limitation by \$10,000 from \$25,000 to \$35,000 and extending the completion date from July 1, 2023 to April 30, 2024 effective retroactive to July 2, 2023 upon Governor and Council approval. The original contract was approved by Governor and Council on June 15, 2022, Item #153. 100% Agency Income.

Funding is available in account Deferred Compensation as follows:

01-14-14-140010-13070000-102-500731, Contracts for Program Services FY 2024 \$10,000

EXPLANATION

This request is **sole source** because the contract is being increased by more than 10% of the original cost and it being extended beyond the original completion date. It is **retroactive** because the need to reissue the RFP was not anticipated and time was needed to complete the contract amendment documents with the vendor.

The New Hampshire Deferred Compensation Commission (the "Commission") has, with Governor and Council approval, contracted with NFP Retirement Inc., to assist the Commission in developing and publishing a request for proposal (RFP) to conduct a plan recordkeeper search for the State of New Hampshire Public Employees Deferred Compensation Plan. While it was expected that the work would be completed well in advance of July 1, 2023, this was not the case.

The Commission with the assistance of NFP issued the RFP and received proposals from qualified bidders. During the selection process it became apparent that the complex and critical needs of the Commission were not sufficiently addressed, and the decision was made to issue a new, modified RFP.

Work by NFP Retirement on this project contract has been suspended and will restart only with Governor & Council approval of this amendment.

The additional \$10,000.00 increase in the contract was negotiated to compensate the vendor for their work to assist in the evaluation and scoring of proposals for the reissued RFP.

This amendment will allow the Commission to complete the recordkeeping RFP process and award a new multi-year contract for the administration of the State of New Hampshire Public Employees Deferred Compensation Plan.

Based on the foregoing, the Commission respectfully recommends approval of the amendment to the sole source contract with NFP Retirement, Inc.

Respectfully Submitted,

EXPLANATION

The New Hampshire Deferred Compensation Commission (the "Commission") has, with Governor and Executive Council approval, in the past utilized an outside consultant to assist the Commission in a plan recordkeeper search for the State of New Hampshire Public Employees Deferred Compensation Plan.

An RFP (#2022-282) was issued on February 15, 2022, to 8 firms known to have successful experience with other governmental 457(b) plans and posted the same day to the DAS procurement website and to the National Association of Government Defined Contribution Administrators (NAGDCA) website.

and the Honorable Council

Page 2 of 2

The Commission subcommittee received (6) six proposals by the April 12, 2022, deadline, with four (4) that met the minimum qualifications stated in the RFP.

A five-member subcommittee of Commission members, consisting of: Barry Glennon, Commission Chair, and Director, Secretary of State, Bureau of Securities Regulation, Craig Moul, Department of Information Technology, Kevin Davis, Deputy State Treasurer, Nancy Smith, Senior Assistant Attorney General, and Richard Head, Judicial Branch, scored the proposals. The subcommittee was assisted by Commission Executive Director Craig Downing.

The subcommittee met twice to review and score the proposals. The review team adopted consensus scoring for the six (6) proposals, using the evaluation criteria established and published in the RFP. Two proposals did not meet the RFP minimum qualifications and were not scored. Four (4) proposals were scored.

Based on the scoring, three (3) of the four (4) proposers were invited (via Microsoft Teams) to oral presentations. After the oral presentations on April 29, 2022, NFP Retirement Inc. was ranked the highest scoring proposal. Additionally, they were also the low priced bidder of the four (4) qualified proposals. Scoring sheets and additional information are contained in Attachment A.

Based on the foregoing, the Commission requests approval of the contract with NFP Retirement Inc. for a one (1) year contract by the Governor and Executive Council.

The contract has been approved by the Office of the Attorney General as to form, execution, and content.

Respectfully Submitted,

Charles M. Arlinghaus
Commissioner

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13.
