NOW THEREFORE, the parties agree as follows:

- 1) TRAIL. The parties agree to work cooperatively in providing and maintaining, through environmentally sound action, a safe, functional, attractive and user-friendly ohrv trail system (the TRAIL) over existing ways on the PROPERTY(s), as depicted on the attached map(s).

The TRAIL shall be open to the public for ohrv use as defined in RSA 215-A, and for other non-motorized uses, and shall not be limited to use by members of the CLUB only.

"Non-exclusive" access and use granted herein, or by any other permit or agreement between the parties, is a privilege for access to and use of said PROPERTY and TRAIL; and does not represent nor imply a real property interest in the PROPERTY and TRAIL for which the STATE shall reserve for itself control and all rights and privileges.

- 4) **COMPLIANCE WITH OHRV AND TRAIL-RELATED LAWS AND REGULATIONS.** This MOA and the use of ohrvs on the PROPERTY shall be in accordance with New Hampshire laws and State rules, regulations and policies pertaining to such use, as may be amended.  - b. In a non-emergency situation, The STATE shall notify the CLUB in writing no less than one (1) month in advance, prior to a permanent planned closure or relocation of the TRAIL.
- 7) **EMERGENCY TRAIL CLOSURE.** The STATE maintains its right to close or relocate the TRAIL, or portions thereof, during an emergency situation such as, but not limited to, any of the conditions listed below. - d. Damage to the TRAIL that may occur due to heavy rain, mud, or other condition;

- 8) **TRAIL MAINTENANCE.** The CLUB agrees to assist the STATE with the maintenance of the TRAIL. Maintenance shall include, but not be limited to, signage, routine inspection, installation, repair, and replacement of bridges and culverts, removal of rocks and stumps, placement of gravel and natural fill, smoothing the trail surface, installation of broad based dips, water bars and ditches, removal of fallen trees, cutting back vegetation encroaching on the TRAIL to assist with safe trail use.

The CLUB is also permitted to solicit and receive donations on behalf of, and for use in, the maintenance of the PROPERTY. Third party donations shall not constitute a claim or interest within the PROPERTY. The CLUB shall notify all donor(s) of this policy in writing.
 - b. The STATE agrees that the CLUB is a maintenance partner of the STATE, and as such, the STATE agrees that the CLUB shall not be responsible for providing repairs on the PROPERTY caused by unexpected catastrophic events, natural or otherwise, damages caused by others, major TRAIL damages, or impacts caused by the public use of the TRAILS. Such significant repairs would be done in partnership between the parties, including, but not limited to, shared labor, materials, and expenses.
 - c. The CLUB agrees to maintain all necessary safeguards for the safety of the public and CLUB volunteers. The CLUB shall not be liable for personal injury or property damage from construction, maintenance, or trail improvements for public recreational use, pursuant to RSA 508:14, II, in the absence of gross negligence or willful or wanton misconduct.

 - g. All TRAIL maintenance activities done by the CLUB, other than routine trail brushing and grading, shall be pre-approved by the STATE through its regional forester. Any and all structural improvements fixed or permanently installed on the PROPERTY by the CLUB or its subcontractors, shall vest, free and clear and without cost, to the STATE upon project completion. The STATE reserves the right to terminate this MOA if the CLUB carries out any unauthorized work on the PROPERTY.

- h. The CLUB agrees to work cooperatively with the STATE to do such things, as are reasonably necessary and practicable, including the use of gates and barriers and appropriate official signs, to keep OHRV use on the TRAIL and to restrict access by vehicles other than ohrvs.
 - i. The CLUB agrees, from TRAIL setup in the spring through sign retrieval in the fall, to maintain the TRAIL in a litter-free condition and shall promptly dispose of all litter, trash, and manmade debris associated with OHRVing in a proper manner and offsite.
- 9) **CHAINSAW CERTIFICATION.** Beginning on December 1, 2022, and continuing through the full term of this MOA, no CLUB volunteer may operate a chainsaw while engaged in trail work on the PROPERTY unless the volunteer first:
- a. Completes a DNCR chainsaw safety course and receives certification therefor; or
 - b. Provides a copy of such certification from another acceptable trainer.

Information on DNCR chainsaw training is available from the Bureau of Trails.

- 10) **TRAIL SIGNAGE.** The CLUB agrees to adequately mark the TRAIL to indicate the location of the TRAIL, to assist in restricting ohrv use to within the designated TRAIL corridor, and to post any other restrictions to TRAIL use, in accordance with the "Trail Signing Handbook," published by NH Bureau of Trails, or any succeeding standards.
- a. All spur, side or connecting trails shall be posted to indicate that OHRV access and use thereon is prohibited.
 - b. If possible, all TRAIL signage shall be placed on signposts. If not possible, any signage posted on trees shall be done with aluminum nails.
 - c. Permanent signposts and signs shall only be installed with written approval from the STATE regional forester.
 - d. The CLUB agrees to remove non-permanent signage as soon as the season ends, as conditions allow, but no later than November 15th.

- 11) **MONITORING TRAIL USE.** In cooperation and consultation with the STATE, the CLUB shall monitor ohrv usage on the TRAIL to ensure that the ecological conditions are not substantially diminished or degraded by ohrv use and that ohrv use is limited to the designated TRAIL and is done in compliance with current State laws, administrative rules and this MOA. The STATE and the CLUB agree to meet at least annually, before April 1st, and more often at the request of either party, to discuss ohrv use issues that may develop and to consider TRAIL management options.

- 12) **END OF YEAR REPORT.** The CLUB shall submit an End of Year Report (the REPORT) to the STATE, due by each December 31st. The REPORT shall include, but not be limited to, the following:
- a. Record of the previous year's maintenance activities, including hours of contracted and volunteer work, materials and maintenance costs, and funding sources, both State grant-funded and other funding source; and
 - b. The REPORT shall be reviewed and approved by the STATE within thirty (30) days of submission. Issues, if any, rendering the REPORT unacceptable to the STATE, shall be

resolved between the STATE and the CLUB. In the event the parties cannot agree on a final REPORT that is acceptable to the STATE, the TRAIL may be closed by the STATE, at its discretion.

- 13) INSURANCE. The CLUB shall, at its sole expense, obtain and continuously maintain in full force general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate or excess. The CLUB shall list the STATE as additional insured and as a certificate holder, and shall provide the STATE with a certificate(s) of insurance for all insurance required under this MOA.
- 14) INDEMNIFICATION / LIMITATION OF LIABILITY. Unless otherwise exempted by law, the CLUB shall indemnify and hold harmless the STATE, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the STATE, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omission of the CLUB, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The STATE shall not be liable for any costs incurred by the CLUB arising under this paragraph. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the STATE, which immunity is hereby reserved to the STATE. This covenant shall survive the termination of this Agreement.

The STATE and CLUB are entitled to the protections of RSA 508:14, RSA 508:17, and RSA 215-A: 5-C, and RSA 212:34, and any other statutory liability protections. The CLUB shall defend and indemnify and save the State of New Hampshire harmless for any liability, damage, loss, cost or expense caused by the CLUB and/or its agents' for injury to persons or property arising out of, or incidental to, the use of the TRAIL, as herein permitted.

- 15) CLUB'S RELATION TO THE STATE. In the performance of this MOA the CLUB is in all respects an independent contractor, and is neither an agent nor an employee of the STATE. Neither the CLUB nor any of its officers, employees, agents or members shall have authority to bind the STATE or receive any benefits, workers' compensation or other emoluments provided by the STATE to its employees.
- 16) The CLUB understands and accepts the risks, hazards, and dangers inherent in carrying out any duties and responsibilities of volunteer activities hosted by the CLUB. The CLUB agrees for itself, its officers, agents, employees, members, volunteers and its heirs and assigns, to release and hold harmless, defend and indemnify the State of New Hampshire and DNCR, its officers, employees, and volunteers, from and against all claims, demands, actions, and causes of action as a result of personal injury, death, or property damage sustained by the CLUB or by others due to the CLUB's volunteer activities.
- 17) The CLUB shall be solely responsible and liable for its officers, staff, members, volunteers, subcontractors, guests, and its operations, programs, and all other associated activities conducted on the TRAIL and within the PROPERTY. The CLUB shall ensure that its officers, staff, members and volunteers are properly trained, certified and licensed to carry out all CLUB activities, in accordance with current safety and operating standards, practices and conduct necessary for the proper execution of its activities. The CLUB shall comply with any additional or specialized training required by DNCR, as specified in the REPORT, Special Use Permit(s), or any other agreement between the parties.
- 18) CONDITIONAL NATURE OF AGREEMENTS. Notwithstanding any provision of this MOA to the contrary, all obligations of the STATE herein, including, without limitation, the continuance of

payments herein, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this MOA and any associated REPORT(s), in whole or in part. In no event shall the STATE be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the STATE shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the activities under this MOA immediately upon giving the CLUB notice of such reduction or termination. The STATE shall not be required to transfer funds from any other account or source to CLUB in the event funds earmarked under this MOA are reduced or unavailable.

- 19) DISPUTES. Prior to the filing of any formal proceedings with respect to a dispute, the party believing itself aggrieved shall call for progressive management involvement in the dispute negotiation by written notice to the other party. The parties shall use all reasonable efforts to arrange personal meetings and/or telephone conferences as needed.
- 20) FINAL AUTHORITY. The CLUB shall comply with all reasonable requests made by the STATE. The decision of the DNCR Commissioner relative to the proper performance of the conditions of this MOA shall be final and conclusive as to each matter not covered in the MOA, and questions that may arise in connection with the privileges granted, and also as to each matter which is not clearly covered herein.
- 21) AMENDMENTS. This MOA may be amended in writing through mutual agreement by the STATE and the CLUB.
- 22) TRANSFERABILITY. The CLUB, upon written approval from the STATE, may transfer its rights to another qualified non-profit group under this MOA, if it is determined that the CLUB is no longer able or willing to abide by the terms and conditions of this MOA. In the event that the CLUB terminates its duties under this MOA and this MOA is not transferred, the DNCR Commissioner shall make the final determination as to whether to continue or not continue OHRV use on the PROPERTY.
- 23) TERMINATION. The CLUB may terminate the MOA with a 30-day written notice to the STATE. The DNCR Commissioner may terminate the MOA at his/her discretion, with 30 days' written notice to the CLUB at any time.
- 24) CHOICE OF LAW AND FORUM. This MOA shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in the MOA is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this MOA shall be brought and maintained in New Hampshire Superior Court, which shall have exclusive jurisdiction thereof.
