REQUESTED ACTION

Authorize the Department of Administrative Services to enter into a contract with Marbucco Corp. (VC#155671), Gilford, NH in an amount up to and not to exceed \$450,223.73 for vehicle glass supply and install services with an option to extend for up to two additional years effective upon Governor and Executive Council approval through June 30, 2028.

Funding shall be provided through individual agency expenditures, none of which shall be permitted unless there are sufficient appropriated funds to cover the expenditure.

EXPLANATION

The Department of Administrative Services, through the Bureau of Purchase and Property, issued a request for bid (RFB) 2617-23 on June 02, 2023, with responses due on June 14, 2023. This RFB reached 225 vendors through the NIGP electronic sourcing platform. There were 2 compliant responses received; Marbucco Corp. provided a compliant response and low cost for this bid, which is intended to be multi-award.

Upon approval, this contract with Marbucco Corp. will allow vehicle glass supply and installation services for all State fleet vehicles in Grafton, Carroll, Sullivan, Merrimack, Belknap, Strafford, Cheshire, Hillsborough, and Rockingham Counties that require vehicle glass repair and installation services. These services are an integral part of agencies' ability to maintain fleet resources in operation. Not providing this commodity and service to State agencies would lead to potentially higher costs and unanticipated delays associated with vehicle repairs and proper maintenance.

The estimated annual spend of \$81,858.86 is based on an average spend over the past three years for same-location services in Grafton, Carroll, Sullivan, Merrimack, Belknap, Stafford, Cheshire, Hillsborough, and Rockingham Counties with an average 22.5% increase that had occurred over the same three-year period. To ensure proper funds have been established, an additional 10% was added for allowance for balance of product line of \$40,929.43.

Estimated allowance for balance of product line	\$40,929.43

PUBLIC DISCLOSURE OF BID OR PROPOSAL SUBMISSIONS:

Generally, the full contents of any proposal (including all materials submitted in connection with it, such as attachments, exhibits, addenda, and vendor presentations) become public information upon completion of final contract or purchase order negotiations with the selected vendor. Certain information concerning proposals, including but not limited to scoring, is generally available to the public even before this time, in accordance with the provisions of NH RSA 21-G:37.

Confidential, commercial or financial information may be exempt from public disclosure under RSA 91-A:5, IV. Any and all information contained in or connected to a bid or proposal that a Bidder considers confidential shall be clearly designated in the following manner:

If the Bidder considers any portion of a submission confidential, they shall provide a separate copy of the full and complete document, fully redacting those portions by blacking them out and shall note on the applicable page or pages of the document that the redacted portion or portions are "confidential." Use of any other term or method, such as stating that a document or portion thereof is "proprietary", "not for public use", or "for client's use only", is not acceptable. In addition to providing an additional fully redacted copy of the bid submission to the person listed as the point of contact on Page one (1) of this document, the identified information considered to be confidential **must** be accompanied by a separate letter stating the rationale for each item designated as confidential. In other words, the letter must specifically state why and under what legal authority each redaction has been made. Marking an entire bid, proposal, attachment or full sections thereof confidential without taking into consideration the public's right to know shall neither be accepted nor honored by the State.

Notwithstanding any provision of this request for submission to the contrary, proposed pricing shall be subject to public disclosure REGARDLESS of whether or not marked as confidential.

If a request is made to the State by any person or entity to view or receive copies of any portion of a proposal, the State will assess what information it believes is subject to release; notify the Bidder that the request has been made; indicate what, if any, portions of the proposal or related material shall be released; and notify the Bidder of the date it plans to release the materials. To halt the release of information by the State, a Bidder must initiate and provide to the State, prior to the date specified in the notice, a court action in the Superior Court of the State of New Hampshire, at its sole expense, seeking to enjoin the release of the requested information.

By submitting a proposal, Bidders acknowledge and agree that:

- The State may disclose any and all portions of the proposal or related materials which are not marked as confidential and/or which have not been specifically explained in the letter to the person identified as the point of contact for this RFP;
- The State is not obligated to comply with a Bidder's designations regarding confidentiality and must conduct an independent analysis to assess the confidentiality of the information submitted in your proposal; and
- The State may, unless otherwise prohibited by court order, release the information on the date specified in the notice described above without any liability to a Bidder.
