EXPLANATION

The Department respectfully requests authority to enter into a contract in an amount not to exceed \$40,850 with J. Randall Woolridge, Ph.D., a consultant who specializes in reviewing cost of capital as part of rate increase requests made by regulated utilities. On June 26, 2023, Liberty filed a notice of intent to file request for a change in rates.

The Department issued a Request for Proposals (RFP) on June 30, 2023. The notice of the RFP was published in the Union Leader for three days and was posted on the Department's website as well as the procurement website for the Department of Administrative Services. The Department received four responses to its RFP. An evaluation team made up of the Department's Director of Regulatory Division, an Administrator IV for Regulatory and a Department Staff Attorney/Hearings Examiner reviewed the four RFP responses. The bid responses were scored using the selection criteria identified in the RFP, weighted as follows: qualifications, technical, and practical experience (maximum of 25 points); clarity and appropriateness of proposed criteria evaluation, approaches and knowledge of relevant subject matter (maximum 20 points); general experience and qualifications in providing similar services (maximum 25 points); costs

(maximum 20 points); and overall responsiveness to the RFP, including completeness, clarity, and quality (maximum 10 points). Dr. Woolridge was determined to be the highest scoring qualified proposal at 91 points versus an 88-point score for the second-highest qualified proposal.

The contract amount will not affect the General Fund. Funds will be assessed pursuant to RSA 365:37, which permits the Department to obtain experts and assess the costs to the regulated electric utilities who are mandatory parties to the proceeding.

Your consideration of this request is appreciated.

Respectfully submitted,
