Authorize the New Hampshire Police Standards and Training Council (NHPSTC) to enter into a contract with Granite State Police Career Counseling, LLC – New Boston, NH (Vendor Code 267728) in the amount of \$63,900 to provide technical law enforcement training, effective upon Governor and Council approval through June 30, 2024. **100% General Fund.**

EXPLANATION

Each year, the New Hampshire Police Standards & Training Council releases a request for proposals for specialized in-service training courses that we lack either the staffing or the expertise to present ourselves. These courses are offered to New Hampshire police officers at no charge to them or their departments, as a service. The specific courses to be provided under this agreement are: (3) 3-day classes covering the topic of Field Training Officer, and (3) 3-day courses covering the topic of First Line Supervisor.

These courses were bid out as part of the RFP process that was released by NHPSTC on March 9, 2023. In that document, we requested bids for various topic areas from an established vendor list. We then evaluate each of the submissions and assess the extent to which the content of the classes matches the course topics that the vendors were provided with, as well as the credentials of the persons proposed to teach the classes and the price quoted.

His Excellency, Governor Christopher T. Sununu
and the Honorable Council

In the topic area of Field Training Officer, there were four bidders. Granite State Police Career Counseling (GSPCC) scored the highest. In the topic area of First Line Supervisor, there were four bidders. GSPCC scored the highest. After review of these submissions, we felt that the class content and value was such that it met the best interest of NHPSTC and the law enforcement community to contract with Granite State Police Career Counseling to offer both courses.

The Field Training Officer course will provide law enforcement field training officers with the tools and knowledge to properly train a new officer. Specific focus will be placed on practical learning and application opportunities. The First Line Supervisor course from GSPCC is an International Association of Directors of Law Enforcement Standards and Training (IADLEST) certified three-day course and is designed for current first-line supervisors and/or law enforcement officers that fill supervisory roles. The focus of the course is on the fundamentals of leadership and management and how supervisors can create productive work environments while fostering work satisfaction and positive morale.

We respectfully request that you approve this service contract.

Respectfully,

John V. Scippa
Director
