This first grant is awarded through the State Homeland Security Grant program and will provide funding to provide International Association of Firefighters (IAFF) fire ground survival training train-the-trainer program to new instructors. The purpose of fire ground survival training is to ensure that training for Mayday prevention and Mayday operations are consistent between all fire fighters, company officers and chief officers. Firefighters are trained on performing potentially life-saving actions if they become lost, disoriented, injured, low-on-air or trapped situations. The second grant award through the State Homeland Security Grant program is for equipment to support the Educational Technology unit within the Division. This equipment will be utilized to continue to provide high quality training and education for online delivery to the first responders throughout the State. This equipment will upgrade aging equipment and provide more efficient technology in the production of online training content.

The funds are to be budgeted as follows:

Funds in class 030, is for the procurement of video capture and production equipment.

Funds in class 037, is for the procurement of laptops and monitors.

Funds in class 103, contracts for program services- needed to contract with IAFF to conduct a train-the-trainer to current staff instructors.

Waiver requests are subject to public comment periods of no less than 15 days and must be reviewed by the OMB Made in America Office. For awards by the Federal Emergency Management Agency (FEMA), existing waivers are available and the waiver process is described at "Buy America" Preference in FEMA Financial Assistance Programs for Infrastructure | FEMA.gov. For awards by other OHS components, please contact the applicable OHS FAO.*

Non-Supplanting Certification: This certification, which is a required component of the New Hampshire application, affirms that federal Homeland Security grant funds will be used to supplement (add to) existing funds, and will not supplant (replace) funds that have been locally appropriated for the same purpose.
