And the Honorable Council
State House
Concord, New Hampshire 03301

Dear Governor Sununu and Council:

It is my pleasure to present to you with the 179th Annual Report of the Bank Commissioner. As required by RSA 383:15, this report contains information on each entity under the supervision of the Banking Department. Additionally, the report includes information about the Banking Department's operations, applications and notices filed with the Banking Department, and financial information about chartered entities.

In Fiscal Year 2023, the Banking Department undertook Strategic Planning with a renewed focus on our mission: protecting the public's interest through the professional supervision of the financial services the Banking Department regulates. The Banking Department's new 2025 Strategic Plan focuses on process improvement as a tool to increase efficiency and effectiveness.

The overall financial condition of New Hampshire-chartered banks and credit unions remained good. State-chartered non-depository trust companies continued to grow in size with Assets Under Administration surpassing \$1.4 trillion. The Consumer Credit Division successfully transitioned all license types onto the Nationwide Multistate Licensing System, which increased regulatory efficiency and improved communications with both licensed entities and other regulators.

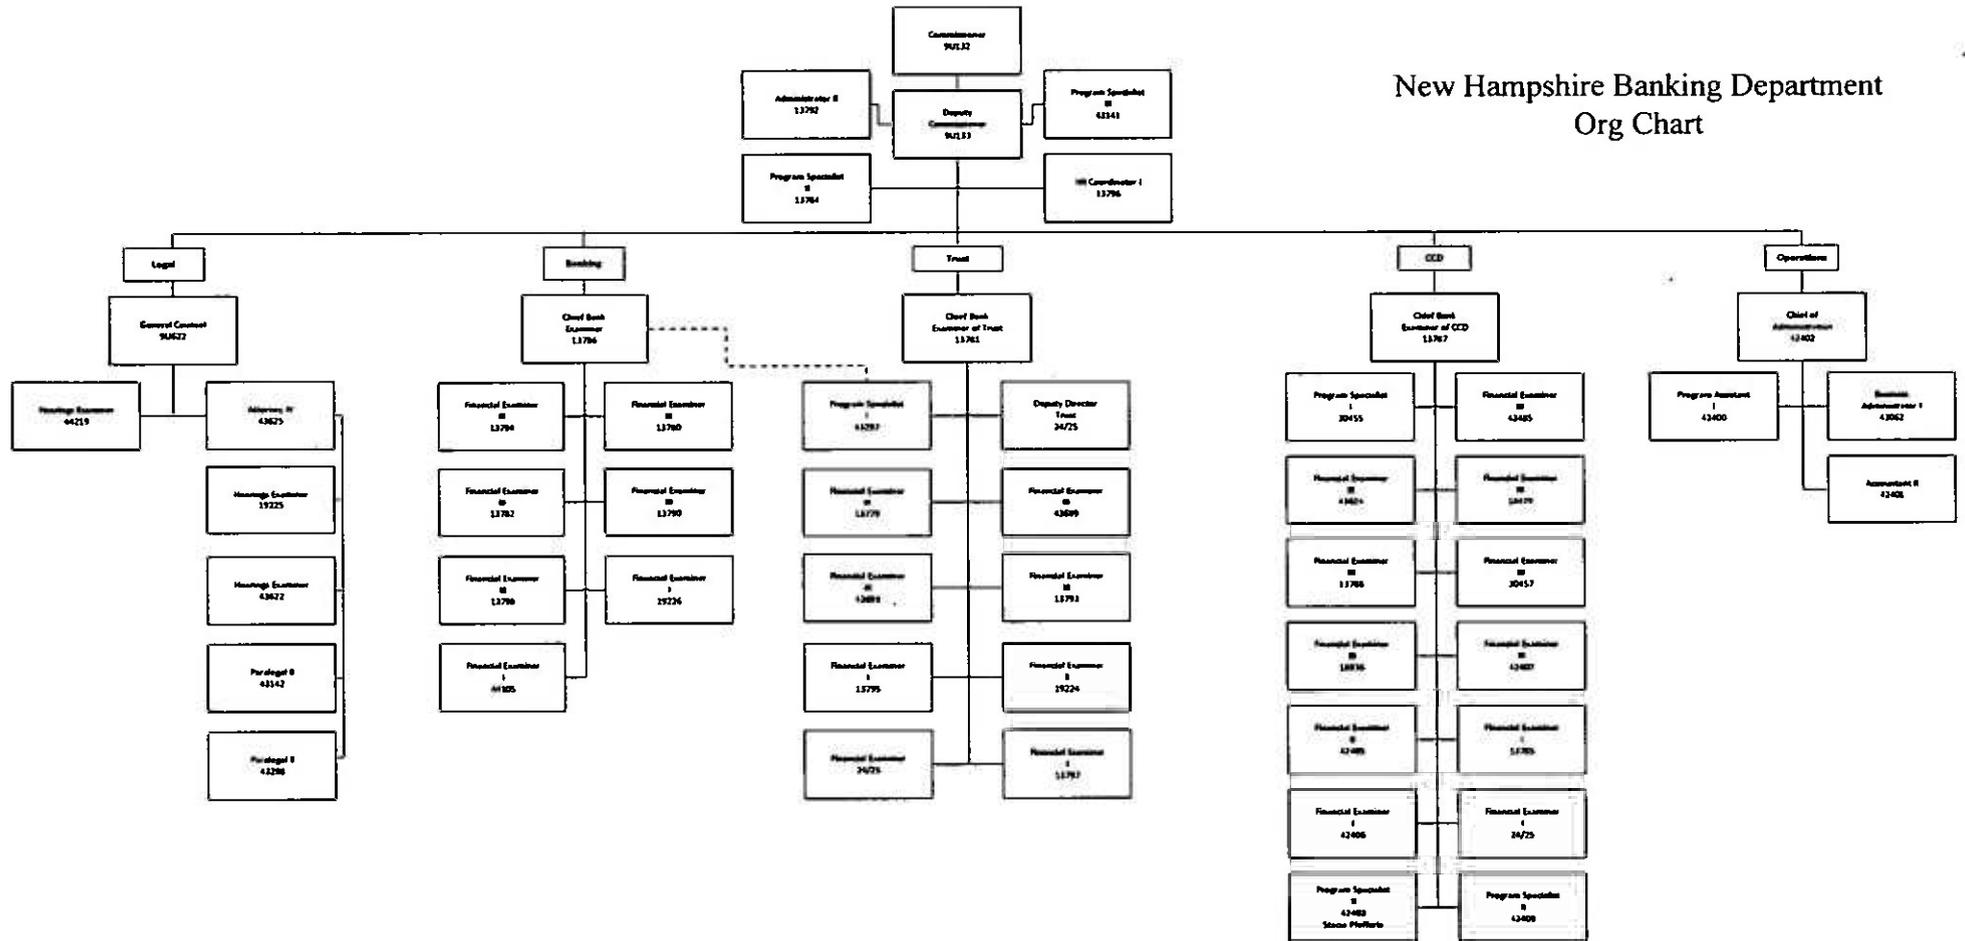

Accomplishing the important mission of the Banking Department is made possible by the experienced and professional staff of the department, as well as our partners at other agencies like the Department of Information Technology and the Department of Administrative Services. Thank you for your trust in us as we continue to protect consumers through thoughtful regulation of the entities under the Banking Department's jurisdiction.

Respectfully submitted,

A handwritten signature in black ink that reads "Emelia Galdieri".

New Hampshire Banking Department Org Chart

Foreword

The one hundred seventy-ninth annual report of the Bank Commissioner contains management, financial information and locations of banks, credit unions, and other financial institutions operating under state charter. This report also contains information concerning debt adjusters, money transmitters, mortgage bankers and brokers, mortgage servicers, retail sellers, sales finance companies, and small loan lenders.

Mission Statement

The New Hampshire Banking Department is committed to protecting the public's interest through the professional supervision of the financial services it regulates.

Functions of the Banking Department

The Bank Commissioner is responsible for the general supervision of all New Hampshire chartered and licensed financial institutions through the operation of the New Hampshire Banking Department. The Banking Department contains five divisions: Banking, Trust Supervision, Consumer Credit, Legal, and Operations.

The Banking and Trust Supervision Divisions charter, supervise, and examine all state-chartered banks, credit unions, trust companies, and family trust companies in New Hampshire.

The Consumer Credit Division licenses, examines, and regulates companies that provide consumer credit, such as mortgage bankers, mortgage brokers, mortgage servicers, retail auto sellers, sales finance companies, money transmitters, debt adjusters, and small loan lenders.

Working in conjunction with the Banking, Trust Supervision, and Consumer Credit Divisions, the Legal Division investigates consumer complaints and unlicensed or unchartered activity. The Legal Division may commence enforcement actions against financial entities that violate state or federal laws or regulations. The Bank Commissioner has the authority to order consumer restitution as part of those enforcement actions.

The Operations Division supports the daily functions of the Banking Department.
