Re: **PETITION – Nottingham – Project #40312**

The Department of Transportation requests placing this item on the Consent Calendar.

Under RSA 230:14, attached is a petition for a hearing for the proposed replacement of the Red List bridge carrying NH 152 over the North River (Br. No. 141/127) in Nottingham. The new bridge will provide a longer span than the existing structure. NH 152 road improvements will include approximately 600 feet of roadway widening and reconstruction.

Since the petition is not for the limitation or control of access, a Commission of Three Persons should be appointed by the Governor with the advice of the Executive Council to hold a hearing. The Commission shall determine whether there is an occasion for the bridge rehabilitation and improvements to the approaches.

**Suggested Commission:**

Ray Chadwick – Bedford  
Richard Merkt – Westmoreland  
Terence Pfaff - Hooksett

**Suggested Budget:**

9 workdays @ \$50.00 = \$450.00  
713 miles @ \$0.655 = \$467.02  
TOTAL = \$917.02

Respectfully,

William J. Cass, P.E.  
Commissioner
