REQUESTED ACTIONS

Authorize the New Hampshire Lottery Commission to enter into a **Sole Source** contract with Scott's Integrity Automotive, Inc. of Concord, New Hampshire (Vendor Code #283062) for automotive repair and preventative maintenance services in the amount of **\$75,000** for the period from January 1, 2024 to December 31, 2025. Effective upon Governor & Council approval.
100% Lottery Funds.

Funding is available the Lottery Operating Cost Account as follows:

EXPLANATION

The Lottery Commission seeks a **Sole Source** contract based on the proximity of the proposed contractor and the resulting operational efficiencies as set out below.

The Lottery Commission currently operates a fleet of 19 vehicles. The vehicles are primarily used by lottery sales representatives and gaming investigators who travel throughout the State to service over 1,400 lottery retailers and approximately 30 charitable gaming facilities. In order to keep the fleet in good working condition, the Lottery Commission requires regular repair and preventative maintenance services.

The Lottery Commission has contracted with Scott's Integrity Automotive, which is located next door to the New Hampshire Lottery Commission headquarters on Integra Drive in Concord, since 2018. The Lottery Commission initially sought and received approval for a sole source contract based on the proximity of contractor's location. The Lottery Commission currently

employs one full time employee dedicated to facilities and fleet maintenance. On previous occasions when the Commission utilized different contractors, this employee spent substantial portions of his day delivering and picking-up vehicles that were undergoing service. Having the contractor located next door allows the job to be performed by one person and also allows for significant time savings which can be utilized on other duties.

Additionally, the contractor has proven to be less expensive than other locations in the vicinity. Prior to entering into the original contract, the Lottery Commission sought quotes from nearby automobile mechanics for three common service charges (full synthetic oil change, tire rotation, and labor rates) and determined that the contractor offered the least expensive rates on common services. The Lottery Commission repeated the same process prior to negotiating this contract. The results were as follows:

	<u>Oil Change</u>	<u>Tire Rotation</u>	<u>Labor Rate</u>	<u>Distance</u>
Scott's Integrity Auto	\$80.95	\$20.00	\$125.00	350 ft.
Bob Mariano Dodge	\$100-120	\$29.95	\$135.00	.5 mi.
Goodyear Auto	\$85.99	Free w/oil	\$150.00	2.3 mi.
Next Level Auto	\$60-120	\$30.00	\$130.00	350 ft.

The proposed contractor provided the lowest fixed rate for oil changes and the lowest overall labor rate, making it the most cost-effective option available to the Lottery Commission. The contractor has also demonstrated a high level of service and an outstanding ability to meet the business needs of the Lottery Commission over the last six years.

Based on the foregoing, the Lottery Commission respectfully requests that this contract be approved.

Respectfully submitted,

Charles R. McIntyre
Executive Director

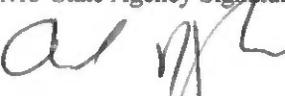

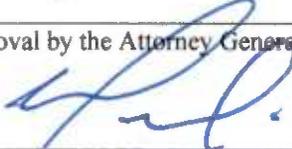

Notice: This agreement and all of its attachments shall become public upon submission to Governor and Executive Council for approval. Any information that is private, confidential or proprietary must be clearly identified to the agency and agreed to in writing prior to signing the contract.
