REQUESTED ACTION

Authorize the Department of Administrative Services to enter into a contract with Southworth-Milton, Inc. d/b/a Milton Cat (VC#174087), Milford, MA, in the amount up to and not to exceed \$1,280,400 for generator rental services, with the option to extend for up to two additional years effective upon execution Governor and Executive Council through July 31, 2026.

Funding shall be provided through individual agency expenditures, none of which shall be permitted unless there are sufficient appropriated funds to cover the expenditure.

EXPLANATION

The Department of Administrative Services, through the Bureau of Purchase and Property, issued request for bid (RFB) 2768-23 on May 30, 2023 with responses due on June 19, 2023. The bid reached two potential vendors using the NIGP electronic sourcing platform with an additional six vendors directly sourced. There were two compliant responses received for this multi-award contract with Southworth-Milton d/b/a/ Milton Cat submitting competitive pricing for non-emergency generator rental services and emergency generator rental services in all Counties statewide.

It is the Department's intent to enter into contract with each of the two vendors who submitted compliant responses. The RFB requested that bidders submit pricing for several different sized generators ranging in size from 5kw through 1,500kw. Southworth-Milton d/b/a Milton Cat submitted pricing for generators ranging from 30kw through 2000kw. ATS Equipment, Inc. (Contract #8003924), provides smaller generators ranging from 5kw through 150kw. Upon approval, the Southworth-Milton d/b/a Milton Cat contract will provide generator rental services for larger projects requiring a temporary power source, planned power outages and off-line equipment. Additionally, the contract will include emergency generator rental services which will provide statewide coverage for unplanned power outages and other events.
