EXPLANATION

The City of Claremont requested \$3,668,000 in funding from NHDES for water system improvements. NHDES, through the American Rescue Plan Act funds (ARPA), the Drinking Water and Groundwater Trust Fund (DWGTF), and the Drinking Water State Revolving Loan Fund (DWSRF) has offered the City \$3,668,000 in a combination of grant and loan funds for these needed water system improvements. The City is currently completing phased water main and lead service line replacement. This project continues that effort to replace water mains and associated services, valves, and hydrants and lead service lines within the City's distribution system. This project will improve water quality and reliability.

ARPA is a \$1.9 trillion economic stimulus bill passed by the 117th United States Congress and signed into law by President Biden on March 11, 2021, to speed up the United States' recovery from the economic and health effects of the COVID-19 pandemic and the resultant recession. The Act defines eligible uses of the state and local funding, including responding to public health emergencies, responding to workers performing essential work during the COVID-19 emergency, providing revenue relief to states and making investments in water, sewer, and broadband infrastructure. This is an allowable use of ARP FRF funds under Section 602 (c)(1)(D) to make necessary investments in water, sewer, or broadband infrastructure.

In accordance with the final rule from the US Treasury Department for water and wastewater infrastructure investments, project eligibility is aligned with the Environmental Protection Agency's Clean Water State Revolving Fund (CWSRF) and Drinking Water State Revolving Fund (DWSRF). This project is an eligible DWSRF infrastructure project. The ARPA grant funds will be expended first, and the total amount disbursed may not exceed \$350,000.

The DWGTF was created in 2016 using \$276 million of MtBE trial judgement funds, as authorized by RSA 485:F. The purpose of the Trust Fund is to provide sustainable, long-term funding for the protection, preservation, and enhancement of the drinking water and groundwater resources of the state. The Drinking Water and Groundwater Advisory Commission (Commission) was established to administer the Trust Fund and to provide guidance to the State on the use of the Trust Fund. On November 14, 2022, the Commission voted to authorize \$1,168,000 in grant funds to the City to fund the water system improvements project in combination with the ARPA grant and DWSRF loan.

The final DWSRF loan amount will be based on the total DWSRF funds disbursed and may be less than \$2,150,000. The loan interest rate may be adjusted downward if the DWSRF loan rate in effect upon project completion is less than the current rate of 2.536% for 30 years. The City is eligible for principal forgiveness under the 2022 DWSRF Intended Use Plan. The amount of principal forgiveness will be determined when the aggregate principal amount is established, and the project is complete. There is currently a balance of \$44,827,585 in the DWSRF available for new loans.

This agreement has been approved by the Attorney General's Office as to form, substance, and execution.

We respectfully request your approval of this item.

Robert R. Scott, Commissioner

ORIGINAL LOAN AGREEMENT

=====

I. This Agreement is between the State of New Hampshire Drinking Water State Revolving Loan Fund Program (State) and the **City of Claremont, New Hampshire** (Loan Recipient) in accordance with RSA 486:14 and New Hampshire Code of Administrative Rules Env-Dw 1100 (Rules) for the purpose of financing, to the extent of the aggregate amount of funds transferred (Disbursements) to the Loan Recipient made hereunder, the **Lead Service Line Replacement and Water Main Replacement 2023 Project** (Project) now being undertaken by the Loan Recipient. The Project is described in Exhibit A. The Loan Recipient shall abide by all of the requirements of RSA 486:14 and the Rules.

II. The State agrees to loan to the Loan Recipient, and the Loan Recipient agrees to repay to the State, in accordance with the terms of this Agreement, the principal sum of **Two Million One Hundred Fifty Thousand and 00/100 Dollars (\$2,150,000)** (Principal Sum) or such lesser amount as shall equal the aggregate of Disbursements made hereunder by the State to the Loan Recipient. Pursuant to federal capitalization grant requirements and/or other allowances, additional financial assistance in the form of principal forgiveness will be applied to the loan upon the initial repayment as follows: A portion of the principal sum, not to exceed **Seven Hundred Fifty Thousand and 00/100 Dollars (\$750,000)** or up to 100% of the total Disbursements relating to the approved lead service line replacement scope, whichever is less, and a portion of the principal sum in the amount of **30%** of the remaining Disbursements. The total amount of principal forgiveness applied to the loan will not exceed **One Million One Hundred Seventy Thousand and 00/100 Dollars (\$1,170,000)**. In addition to the principal sum, the Loan Recipient agrees to pay the applicable interest accrued as described in Paragraphs III, V, and VII. Federal financial assistance

1 provided through the Drinking Water State Revolving Loan Fund Program (CFDA #66.468) may comprise
2 all or a portion of the Principal Sum. Any Disbursement or other payment from the State to the Loan
3 Recipient is contingent upon the availability of funds.

4
5 III. Disbursements shall be made on a periodic basis, as requested by the Loan Recipient, but not more
6 frequently than monthly, subject to the approval of the amount of each Disbursement by the State. The
7 State shall approve the amount requested if it determines that the costs covered by the request are
8 eligible under Env-Dw 1104.01, as applicable. Interest on each Disbursement shall accrue on the
9 outstanding principal balance from the date of the Disbursement at the rate of 1% per annum computed
10 on the basis of 30-day months and 360-day years until the date of Substantial Completion of the Project
11 or the date of Scheduled Completion, whichever is earlier. At the option of the Loan Recipient, such
12 interest may be paid (1) prior to the commencement of Loan repayment, (2) at the time of the first Loan
13 repayment, or (3) by adding the charges to the outstanding principal Loan balance so long as the Loan
14 Recipient's authority to borrow is not exceeded.

15
16 IV. The aggregate of the Disbursements shall be consolidated by a Promissory Note (Note) of the Loan
17 Recipient in a Supplemental Loan Agreement issued under and in accordance with the applicable
18 provisions of this Agreement and the Municipal Finance Act, RSA 33, as amended and supplemented,
19 including the provisions of RSA 486:14. The Note shall be substantially in the form of Exhibit B.

23
24 VI. The Loan Recipient hereby authorizes the State to compute the payments of principal and interest on
25 the Note. The principal shall be paid in full within **thirty (30)** years from the date of the Note. Note

1 payments shall commence within one year of the Substantial Completion date of the Project or the
2 Scheduled Completion date of the project, whichever is earlier. The Scheduled Completion date is hereby
3 determined to be **June 1, 2025**; however, should the project experience an excusable delay, an extension
4 may be granted by the Commissioner of the Department of Environmental Services upon request in
5 writing by the Loan Recipient. In no event shall Note payments commence later than ten years from the
6 effective date of this Agreement.

7

8 VII. The Loan Recipient reserves the right to prepay, at any time and without penalty, all or any part of
9 the outstanding principal or interest of the Note.

10

11 VIII. In the event of a default in the full and timely remittance of any Note payment, any State Aid Grant
12 funds payable to the Loan Recipient under RSA 486:A may be offset against and applied to the payment
13 of any obligations that are due hereunder. The Loan Recipient agrees to be liable for all costs of collection,
14 legal expenses, and attorney's fees incurred or paid by the State in enforcing this Agreement or in
15 collecting any delinquent payments due hereunder.

16

17 IX. No delay or omission on the part of the State in exercising any right hereunder shall operate as a
18 waiver of such right or of any other right under this Agreement. A waiver on any one occasion shall not
19 be construed as bar to any right and/or remedy on any future occasion.

20

21 X. The Loan Recipient agrees to comply, and to require all of its contractors to comply, with all
22 applicable state and federal requirements contained in the Rules and applicable state and federal laws,

2 being funded under the loan or incorporate the funded asset(s) into an existing asset management plan.
3 At a minimum the plan must include a commitment to asset management, financing and
4 implementation strategy and an inventory of the funded asset(s).

5

17 The Loan Recipient shall insert subparagraphs (i). and (ii). in the Construction Contract and require the

22 the parties hereto and only after approval of such amendment, waiver, or discharge by the Governor and
23 Executive Council.

24

1 XIV. This Agreement shall be construed in accordance with the laws of the State of New Hampshire and
2 is binding upon and inures to the benefit of the parties and their respective successors. The parties
3 hereto do not intend to benefit any third parties and, consequently, the Agreement shall not be
4 construed to confer any such benefit.

5
6 XV. The Loan Recipient acknowledges that by accepting the Loan it will be a sub-recipient of federal
7 financial assistance and, as such, subject to requirements of the federal Single Audit Act and subsequent
8 amendments (SAA). The Loan Recipient further acknowledges that, if the Loan Recipient expends more
9 than the required threshold in federal financial assistance from all sources in any fiscal year, it must
