THE STATE OF NEW HAMPSHIRE  
DEPARTMENT OF TRANSPORTATION

51

William Cass, P.E.  
Commissioner

David Rodrigue, P.E.  
Assistant Commissioner

Andre Briere, Colonel, USAF (RET)  
Deputy Commissioner

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
State House  
Concord, New Hampshire 03301

Bureau of Construction  
September 13, 2023

**REQUESTED ACTION**

1. Authorize the Department of Transportation to enter into a contract with Modern Protective Coatings, Inc. (Vendor 157242) of Hudson, NH, on the basis of a low bid of \$850,125 for painting of three (3) steel girder bridges on I-89 north and south bound on I-89 in Hopkinton and Warner (Project: Hopkinton-Warner #43801), from the date of Governor and Council approval through September 6, 2024, unless amended by the Department in accordance with the Standard Specifications. 100% Federal Funds.

Funding is available in State Fiscal Years 2024 and 2025, with the ability to adjust encumbrances through the Budget Office between State Fiscal Years if needed and justified:

Funding is available as follows:	<u>FY 2024</u>	<u>FY 2025</u>
04-96-96-963515-3054		
Consolidated Federal Aid		
400-500870 Highway Contract Payments	\$686,172.29	\$163,952.71

2. Further authorize that a contingency in the amount of \$42,506.25 be approved for payment of latent conditions, which may appear during the construction of the project. The contingency requested is 5% of the contract amount.

Funding is available as follows:	<u>FY 2025</u>
04-96-96-963515-3054	
Consolidated Federal Aid	
400-500870 Highway Contract Payments	\$42,506.25

**EXPLANATION**

This project is part of the State's Ten-Year Transportation Improvement Plan under the Bridge Tier 1-2 Maintenance & Preservation Program/Bridge-Tier 3-4 Maintenance & Preservation. This project consists of painting the steel girder bridges carrying I-89 NB and SB over Pine Street in Hopkinton and NH 103 over I-89 NB in Warner.

- Site 1 – Hopkinton, I-89 NB over Pine St., BR No. 091/143 (1967), MM 11.9
- Site 1 – Hopkinton, I-89 SB over Pine St., BR No. 090/143 (1959), MM 11.9
- Site 2 – Warner, NH 103 over I-89 NB, BR No. 202/136 (1966), MM 17.3

Page 2

The contract requires the Contractor to work within lane closure work zones to blast and paint all steel bridge beams, and to perform pre-project collection and removal of paint chips. The work includes environmental protection and compliance with lead-bearing paint (LBP) removal regulations.

The three subject bridges, built between 1959 and 1967, need painting to extend their service lives.

The proposed contingency amount is 5% of the contract amount. This is to account for risks from unanticipated structural deficiencies needing repair, traffic control issues, and weather-related delays.

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available and the bid reasonably conforms to the engineer's estimate in accordance with State procedure. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

This project funding is: 80% Federal funds (Bridge-Tier 1-2 Maintenance & Preservation (M&P) and Bridge-Tier 3-4 M&P), with anticipated utilization of Turnpike Toll Credits for the State's 20% match, effectively using 100% Federal Funds.

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Your approval of this resolution is respectfully requested.

Sincerely,

William J. Cass, P.E.  
Commissioner

WJC/pcj

Department Estimate:	\$904,108
Contract Amount:	<u>\$850,125</u>
Under Estimate:	\$ 53,983

**SUPPLEMENTAL PROJECT INFORMATION SHEET**

**DESCRIPTION:** This project consists of painting the steel girder bridges carrying I-89 NB and SB over Pine Street in Hopkinton and NH 103 over I-89 NB in Warner.

Site	Town	Route	Over	Br. No.	Year Built	I-89 MM
1	Hopkinton	I-89 NB	Pine Street	091/143	1967	11.9
1	Hopkinton	I-89 SB	Pine Street	090/143	1959	11.9
2	Warner	NH 103	I-89 NB	202/136	1966	17.3

The contract requires the Contractor to work within lane closure work zones to blast and paint all steel bridge beams, and to perform pre-project collection and removal of paint chips. The work includes environmental protection and compliance with lead-bearing paint (LBP) removal regulations.

**FEDERAL FUNDING:** 80% (Bridge-Tier 1-2 Maintenance & Preservation (M&P) and Bridge-Tier 3-4 M&P) with anticipated utilization of Turnpike Toll Credits for the State's 20% match.

**CONTINGENCY:** The proposed contingency is 5% of the contract amount to account for risks from unanticipated structural deficiencies needing repair, traffic control issues, and weather-related delays.

**PROJECT INITIATED:** This project is part of the Bridge Tier 1-2 Maintenance & Preservation Program/ Bridge Tier 1-2 Maintenance & Preservation Program.

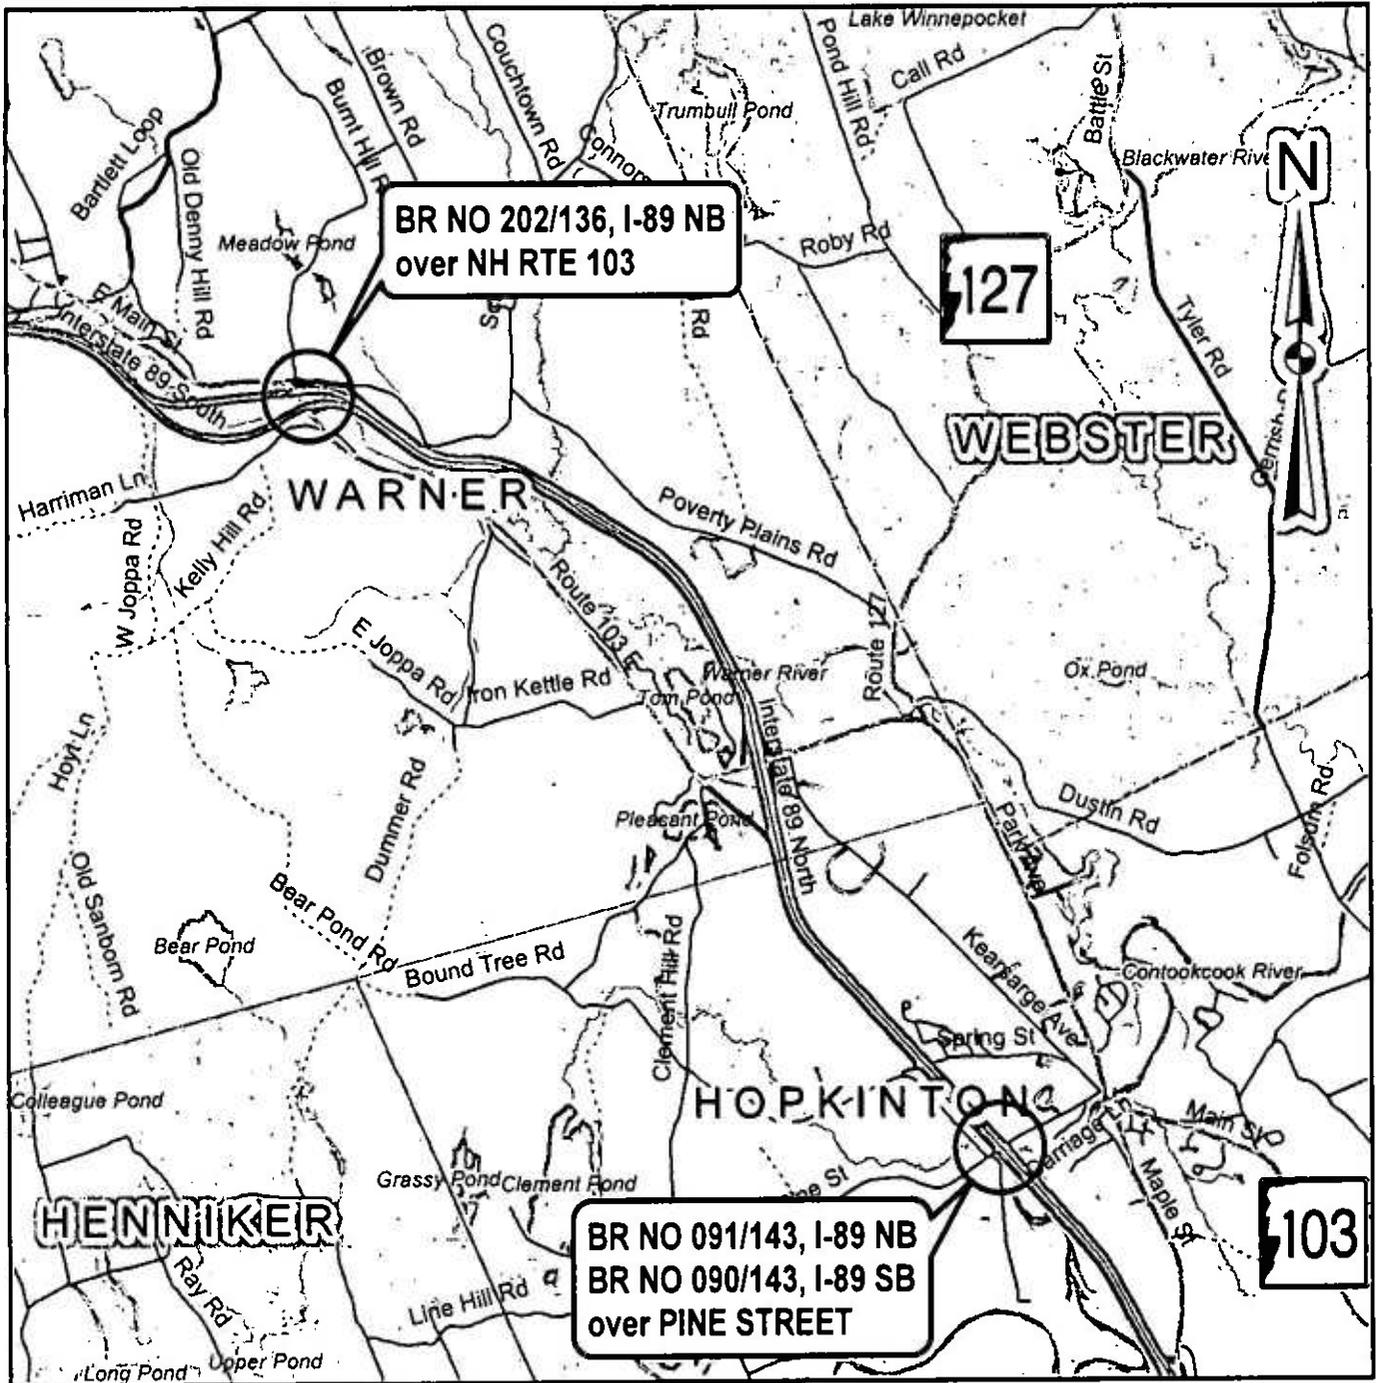

**PROJECT EXPLANATION:** The three subject bridges, built between 1959 and 1967, need painting to extend their service lives.

**TRAFFIC IMPLICATIONS:**

1. Lane closures are planned in the following locations and times:
  - a. Site 1: Daytime closure of one lane on Pine Street for rapid deployment unit. Traffic will operate in one-lane alternating two-way configuration under flagger control. [No impact on I-89 traffic]
  - b. Site 2: Daytime closure of one lane on I-89 NB for rapid deployment unit; closure shall be limited to Monday through Thursday.
  - c. Site 2: Closure of easterly lane and shoulder of NH 103 for duration of project. Traffic will operate in one-lane alternating two-way configuration under temporary traffic signal control.
2. Work Zone Significance: 'Non-Significant' determination from March 16, 2023 TCC meeting.

**FINAL COMPLETION DATE:** September 6, 2024

### CERTIFICATE

I, David M. Scanlan, Secretary of State of the State of New Hampshire, do hereby certify that MODERN PROTECTIVE COATINGS, INC. is a New Hampshire Profit Corporation registered to transact business in New Hampshire on June 10, 1992. I further certify that all fees and documents required by the Secretary of State's office have been received and is in good standing as far as this office is concerned.

Business ID: 175509

Certificate Number: 0006303572

IN TESTIMONY WHEREOF,  
I hereto set my hand and cause to be affixed  
the Seal of the State of New Hampshire,  
this 30th day of August A.D. 2023.

A handwritten signature in black ink, appearing to read "D. Scanlan", is written over a faint circular stamp.

David M. Scanlan  
Secretary of State

CERTIFICATE OF VOTE

I, Leeanne K. Roystan Hereby certify that I am duly elected  
Secretary of Modern Protective Coatings, Inc.

I hereby certify the following is a true copy of a vote taken at a meeting  
of the Board of Directors of the Corporation, duly called and held  
on August 25, 2023 , at which a quorum of the Board was present  
and voting.

VOTED: That Scott D. Roystan is duly authorized  
to enter into a specific contract namely HOPKINTON-WARNER X-A005(200), 43801  
With State of New Hampshire, Dept. of Transportation , and further authorized to  
execute any documents which may in his judgment be desirable or necessary to effect  
the purpose of this vote.

I hereby certify that said vote has not been amended or repealed and remains  
in full force and effect as of August 25, 2023 , and that  
Scott D. Roystan is duly elected President of this  
Corporation.

DATED: August 25, 2023

ATTEST  (Affix Corp. Seal)  
Leeanne K. Roystan, Secretary
