EXPLANATION

Manchester Transit Authority is a Municipal Authority that operates two separate public transit systems: Manchester Transit Authority (MTA) and, as of October 2019, the Greater Derry-Salem Cooperative Alliance for Regional Transportation (CART).

The Department's approved SFY 2024 and SFY 2025 operating budget includes \$2,283,289 of state general funds to assist 10 public transit systems with matching FTA Section 5307 Urbanized Area Formula operating funds over the biennium; the FTA funds for this period have been allocated and will be directly administered by FTA. An annual base funding amount was allocated to each system resulting from tiered levels of public transit ridership and additional funding was provided based on incremental non-federal matching funds each system needed to access increased FTA operating funds apportioned under the Bipartisan Infrastructure Law (BIL).

The recipient transit agencies and the New Hampshire Transit Association were consulted as part of this multi-step allocation effort and it was realized that the rural public transit operators, as a whole, needed incremental matching funds to access BIL funding in both years, whereas the urban public transit providers did not need additional matching funds to leverage BIL funding until SFY 2025. As such, budgeted state

operating match funds have been programmed in the amount of \$602,494 for SFY 2024 and \$1,680,793 in SFY 2025, totaling \$2,283,287 for the biennium, in accordance with the following distribution table:

AGENCY	CATEGORY	TOTAL 2024	TOTAL 2025	TOTAL BIENNIUM
Advance Transit	Rural	\$166,165	\$166,165	\$332,330
BMCAP-Concord Area Transit	Rural	\$166,165	\$166,165	\$332,330
COAST	Urban	\$32,000	\$389,127	\$421,127
Manchester Transit Authority (including CART)	Urban	\$40,000	\$493,633	\$533,633
City of Nashua (Nashua Transit System)	Urban	\$32,000	\$299,539	\$331,539
Southwestern Community Services	Rural	\$41,541	\$41,541	\$83,082
TCCAP Carroll County Transit	Rural	\$41,541	\$41,541	\$83,082
TCCAP North Country Transit	Rural	\$41,541	\$41,541	\$83,082
VNA @ HCS Keene City Express	Rural	\$41,541	\$41,541	\$83,082
Total ridership distribution		\$602,494	\$1,680,793	\$2,283,287

The eight agencies operating NH's 10 public transit systems are listed in the table above and separate contracts for each agency will be submitted to Governor and Executive Council for approval. The state operating match funds will assist these agencies in meeting the non-federal matching requirements of 50% for operating expenses.

The Agreement has been approved by the Attorney General as to form and execution and the Department has verified that the necessary funds are available. Copies of the fully executed contract will be on file at the Secretary of State's Office and the Department of Administrative Services and will be on file at the Department of Transportation subsequent to Governor and Executive Council approval.

Your approval of this contract is respectfully requested.

Sincerely,

William J. Cass, P.E.
Commissioner

CERTIFICATE OF COVERAGE

The New Hampshire Public Risk Management Exchange (Primex³) is organized under the New Hampshire Revised Statutes Annotated, Chapter 5-B, Pooled Risk Management Programs. In accordance with those statutes, its Trust Agreement and bylaws, Primex³ is authorized to provide pooled risk management programs established for the benefit of political subdivisions in the State of New Hampshire.

Each member of Primex³ is entitled to the categories of coverage set forth below. In addition, Primex³ may extend the same coverage to non-members. However, any coverage extended to a non-member is subject to all of the terms, conditions, exclusions, amendments, rules, policies and procedures that are applicable to the members of Primex³, including but not limited to the final and binding resolution of all claims and coverage disputes before the Primex³ Board of Trustees. The Additional Covered Party's per occurrence limit shall be deemed included in the Member's per occurrence limit, and therefore shall reduce the Member's limit of liability as set forth by the Coverage Documents and Declarations. The limit shown may have been reduced by claims paid on behalf of the member. General Liability coverage is limited to Coverage A (Personal Injury Liability) and Coverage B (Property Damage Liability) only. Coverage's C (Public Officials Errors and Omissions), D (Unfair Employment Practices), E (Employee Benefit Liability) and F (Educator's Legal Liability Claims-Made Coverage) are excluded from this provision of coverage.

The below named entity is a member in good standing of the New Hampshire Public Risk Management Exchange. The coverage provided may, however, be revised at any time by the actions of Primex³. As of the date this certificate is issued, the information set out below accurately reflects the categories of coverage established for the current coverage year.

This Certificate is issued as a matter of information only and confers no rights upon the certificate holder. This certificate does not amend, extend, or alter the coverage afforded by the coverage categories listed below.
