REQUESTED ACTION

Authorize the Department of Safety, Division of Homeland Security and Emergency Management (HSEM) to enter into a grant agreement with the Town of Chichester, (VC#154898-B001) in the amount of \$4,000.00 to update their Local Emergency Operations Plan (LEOP). Effective upon Governor and Council approval through August 31, 2024. 100% Federal Funds.

Funding is available in the SFY 2024 operating budget as follows:

02-23-23-236010-80920000 - Dept. of Safety - HSEM – EMPG	<u>SFY 2024</u>
072-500574 Grants to Local Gov't - Federal	\$4,000.00
Activity Code: 23EMPG 2021	

EXPLANATION

Governor and Council approval is being sought because the amount of previous payments by the Department of Safety to the Town of Chichester plus the amount of this grant yields a cumulative amount that is over the Department's approved threshold.

The purpose of this grant is for the Town of Chichester to update their Local Emergency Operations Plan (LEOP). The grant listed above is funded from the FFY 2021 Emergency Management Performance Grant (EMPG), which was awarded to the Department of Safety, Division of Homeland Security and Emergency Management (HSEM) from the Federal Emergency Management Agency (FEMA). The grant funds are to be used to measurably improve all-hazard planning and preparedness capabilities/activities, to include mitigation, preparedness, response, and recovery initiatives at the state and local level. Grant guidance and applications are available to all Emergency Management Directors and other qualified organizations in the State. Criteria for approval is based on grant eligibility in accordance with the grant's current guidance and the documented needs of the local jurisdictions.

The Emergency Management Performance Grants are 50% federally funded by FEMA with a 50% match requirement supplied by the subrecipient. The subrecipient acknowledges their match obligation as part of Exhibit B & C to their grant agreement.

In the event that Federal Funds are no longer available, General Funds and/or Highway Funds will not be requested to support this program.

Respectfully submitted,

Robert L. Quinn
Commissioner of Safety

No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

Chief Quimby stated that he is working on procurement of funds and final documentation for a \$42,000 grant for turnout gear.

Chief Quimby thanked Mr. Sykes and the Highway Department crew for building a new pad for parking trailers behind the station.

Police Department-

Chief Wright reported that Officer Wood graduated from the Full-time Academy and will be starting shifts next week.

He reported that the roof needs to be repaired at the safety center. The snow rails are detached.

He presented a quote that covers installing 18 new snow rails, securing existing remaining rails, install blocking if needed in the amount of \$6800.00.

Mr. Millette had questions regarding the issues that are causing the rails to break. He asked if these rails would solve the problem.

Mr. MacCleery asked if an engineer could look at it to determine the snow load.

Mrs. Pinard will reach out to the Town Engineer to see if he can look at the snow load and bring it back at the next meeting before proceeding with gutters.

Chief Quimby and Chief Wright submitted a grant for a local emergency plan to be updated.

Mrs. Pinard stated that it's a matching grant with a 50/50 match. Staff hours, printing, experts would all be reimbursed in kind so not with actual funds. It's important to get and they worked very hard to do it, because it is costing the Town grants by not having a local emergency plan.

The Select Board, in a majority vote, accepted the terms of the Emergency Management Performance Grant as presented in the amount of \$4,000.00 for the LEOP Update. Furthermore, the Board acknowledges that the total cost of this project will be \$8,000.00, in which the town will be responsible for a 50% match (\$4,000.00). Roll call vote: MacCleery, aye. Millette, aye. Bouchard, aye. **Motion passes.**

Chief Wright would like to send the two ATV's and the trailer to state auction. They no longer run and are not used so they would like to get rid of them. The Board agreed.

Library-

Mr. Downy reported for the Library. He reported that the fall activities are now beginning.

The trustees are working on updated the personnel policies for the Library.

Mr. Downey reported that the Library had to call block 5 for a support call and they were very nice and responsive and happy with the service.

School-

Mrs. Chivaras reported for the school. She stated that last year's books are closed and there is a surplus of \$127,000. She reported that they didn't have to dip into the retainage or the trust funds. This was because they had unanticipated funds that came in, and things that didn't need to encumber. The school has decided to retain \$75,000 and return \$52,000 to the Town.

Approval of Minutes-

Mr. MacCleery made a motion and Mr. Bouchard seconded to approve the meeting minutes with a minor change. Roll call vote. MacCleery, aye. Millette, aye. Bouchard, aye. **Motion passes.**

Mr. Millette made a motion and Mr. MacCleery seconded to fund the culvert work awarded previously to ShovelHeadz, \$30,000 out of the Transportation Municipal Fund and \$29,000 out of the Highway asphalt line. Roll call vote. MacCleery, aye. Millette, aye. Bouchard, aye. **Motion passes.**

Zoning Memo-

Mrs. Jobin stated that she provided a list of violations with information that were reported to her by other Board members and the public.

Mr. MacCleery stated that it is the Boards policy to only receive signed complaints.

A written complaint was received for Coleman concrete, which needs an updated site plan as the current one does not reflect the existing conditions and they still need to obtain a variance.

Mrs. St. Germain stated that the Planning Board spends a large amount of time to go through the plans and the process so the Town should follow through and hold them to the standard. She doesn't want it to appear that you can start a business in town and get approved and then do the opposite.

Mr. Millette said the issue is the policing. He stated that historically the townspeople have not wanted a zoning officer to act in that way and despite his personal opinion he was elected to do what the townspeople want.

A letter will be drafted to send to Coleman Concrete regarding the complaint received.

Adjournment: Being no further discussion, a motion was made by Mr. MacCleery and seconded by Mr. Millette to adjourn the meeting at 9:07 pm. Roll call vote. MacCleery, aye. Millette, aye. Bouchard, aye. **Motion passes.**

Respectfully submitted,

In accordance with those statutes, its Trust Agreement and bylaws, Primex³ is authorized to provide pooled risk management programs established for the benefit of political subdivisions in the State of New Hampshire.

Each member of Primex³ is entitled to the categories of coverage set forth below. In addition, Primex³ may extend the same coverage to non-members. However, any coverage extended to a non-member is subject to all of the terms, conditions, exclusions, amendments, rules, policies and procedures that are applicable to the members of Primex³, including but not limited to the final and binding resolution of all claims and coverage disputes before the Primex³ Board of Trustees. The Additional Covered Party's per occurrence limit shall be deemed included in the Member's per occurrence limit, and therefore shall reduce the Member's limit of liability as set forth by the Coverage Documents and Declarations. The limit shown may have been reduced by claims paid on behalf of the member. General Liability coverage is limited to Coverage A (Personal Injury Liability) and Coverage B (Property Damage Liability) only, Coverage's C (Public Officials Errors and Omissions), D (Unfair Employment Practices), E (Employee Benefit Liability) and F (Educator's Legal Liability Claims-Made Coverage) are excluded from this provision of coverage.

The below named entity is a member in good standing of the New Hampshire Public Risk Management Exchange. The coverage provided may, however, be revised at any time by the actions of Primex³. As of the date this certificate is issued, the information set out below accurately reflects the categories of coverage established for the current coverage year.

This Certificate is issued as a matter of information only and confers no rights upon the certificate holder. This certificate does not amend, extend, or alter the coverage afforded by the coverage categories listed below.
