November 8, 2023

His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

- 1) Authorize the Division of Public Works Design and Construction to enter into a contract with Integrated Facilities Construction Corp. (VC#319532), Medford, Massachusetts for a total price not to exceed \$1,289,540 for Project Number 81098, Contract B, Concord Perimeter Security & Fence Detection System, Concord, New Hampshire. This contract is effective upon Governor and Council approval through June 7, 2024, unless extended in accordance with the contract terms. **100% Capital Funds.**
- 2) Further authorize that a contingency in the amount of \$86,154 be approved for unanticipated site expenses for Project Number 81098, Contract B, Perimeter Security & Fence Detection System, Concord, New Hampshire, bringing the total to \$1,375,694. **100% Capital Funds.**
- 3) Further authorize the amount of \$91,666 be approved for payment to the Department of Administrative Services, Division of Public Works Design and Construction (VC#311152), for engineering services provided, bringing the total to \$1,467,360. **100% Capital Funds.**

Funding is available in account titled Corrections Department, as follows:

	<u>FY 2024</u>
02-46-46-460030-12180000 19-146:1IVA - Perimeter Security	
034-500162 – Repair/Renovation Buildings - Construction	\$ 1,289,540
034-500162 – Repair/Renovation Buildings - Contingency	\$ 86,154
034-500162 – Repair/Renovation Buildings - DPW Fees	<u>\$ 91,666</u>
Grand Total	\$ 1,467,360

EXPLANATION

Per Chapter 146:1, IV, A, Laws of 2019, funds are available for upgrades to the perimeter fence detection systems at the State Prison for Men in Concord. This project will provide upgrades to the existing outdated electronic perimeter detection and camera system. Upgrades to existing perimeter walls will include repairs to the concrete foundation of the metal perimeter wall. The foundation is deteriorating from age and water intrusion and is spalling in many areas. Repairs to the historic brick perimeter wall include repointing brick mortar joints, removing abandoned conduit, rerouting some existing, active conduit and improving the razor wire post stability mounted on top of the wall. The existing historic coping on the top of the wall will be sealed to prevent water from entering the brick wall cavity, extending the life of the brick wall and razor wire support posts.

The perimeter walls and detection systems date back to the early 1970's and require continuous and costly repairs. Electronic detection systems are antiquated, making it difficult to perform repairs and find replacement parts. If upgrades are not made, the cost of repair increases due to prolonged degradation extending into other elements of the perimeter security walls.

A public bid opening was held on June 28, 2023. Three (3) bid proposals were received and the contract was awarded to the lowest qualified bidder. The low bid was 9% over the Department estimate and considered within industry standards. Since the bid was over budget, the Department entered into negotiations with the low bidder. The contract price was reduced from \$1,485,700 to \$1,289,540. The contractor's prices for scope changes were compared to the Department's estimated values and determined to be acceptable. The scope and cost reductions for the agreed-upon Value Engineering (VE) items are as follows:

VE #1 Delete razor ribbon scope of work at the recreation yard. There is little to no sign of damage to the existing razor ribbon. (\$29,879).

VE #2 Delete removal of concrete wall coping and installation of new wood blocking and aluminum coping cap. The existing concrete coping and metal cap appear to be sound, watertight, and stable. (\$46,720).

VE #3 Delete design and installation of new fence mounting brackets. The existing mounting brackets and fence assembly appear to be in a sound and stable condition. (\$119,561)

Original Bid:	\$1,485,700
Negotiated Reductions: VE #1- less	\$ 29,879
VE #2- less	\$ 46,720
VE #3- less	<u>\$ 119,561</u>

New Negotiated Contract Price: \$1,289,540

Department Estimate:	\$1,365,700
Low Base Bid:	<u>\$1,485,700</u>
Over Estimate:	\$ 120,000

The contractor has been pre-qualified by the Department of Transportation. The contract has been approved by the Attorney General as to form and execution; and the Department of Administrative Services has certified that the necessary funds are available. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Services, Division of Public Works Design and Construction.

Attached please find a copy of the tabulation of bids for this project along with the contract supplemental information sheet.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read 'Charles M. Arlinghaus', is positioned above the printed name.

Charles M. Arlinghaus,
Commissioner

Proposal

Proposal Of

INTEGRATED FACILITIES CONSTRUCTION CORP
92 HIGH STREET, MEDFORD MA, 02155

to furnish and deliver all materials and to perform all work in accordance with the Contract of the State of New Hampshire, Department of Administrative Services, Division of Public Works for which proposals will be received until 2:00:00 PM, Prevailing Time on Wednesday, June 28, 2023. Said project being situated as follows:

Perimeter Security & Fence Detection System

Department of Administrative Services, Division of Public Works
John O. Morton Building
P. O. Box 483
Concord, NH 03302-0483

Commissioner:

In accordance with the advertisement of the Department of Administrative Services, Division of Public Works inviting proposals for the project hereinbefore named and in conformity with the Plans and Specifications on file in the office of the Department of Administrative Services, Division of Public Works, I/WE hereby certify that I AM/WE ARE the only person, or persons, interested in this proposal as principals; that this proposal is made without collusion with any person, firm or corporation; that an examination has been made of the Plans, of the Standard Specifications, of the Standard Plans Book, of the Proposal, and applicable addendums, including but not restricted to the Special Attentions, Supplemental Specifications, and Special Provisions attached thereto, and also that an examination has been made of the site of the work; and I, or we, propose to furnish all necessary machinery, equipment, tools, labor and other means of construction, and to furnish all materials specified in the manner and at the time prescribed; and understand that the quantities of work as shown herein are approximate only and are subject to increase or decrease, and further understand that all quantities of work whether increased or decreased are to be performed at the following prices:

I acknowledge, understand, and accept these terms and conditions.

Yes No

Signature /s/ Rick Magliozzi

SIGN-STATE

It is further proposed:

To execute the Contract and begin work within 10 days from the date specified in the "Notice to Proceed" and to prosecute said work so as to complete the Project and its appurtenances on or before June 07, 2024.

To furnish a Contract Bond in the amount of 100 per cent of the Contract award, as security for the construction and completion of the Project and its appurtenances in accordance with the Plans, Specifications and Contract. The Contractor's attention is called to section 103.05 of the Standard Specifications which reads, in part, as follows: "Unless specifically waived in the Proposal, upon execution of the Contract, the successful Bidder shall furnish the Department a surety bond or bonds equal to the sum of the Contract amount. The form of the bonds(s) shall be acceptable to the Department and the bonding Company issuing the bond(s) shall be licensed to transact business in the State of New Hampshire, and ..."

To guarantee all of the work performed under this Contract to be done in accordance with the Specifications and in good and workmanlike manner, and to renew or repair any work which may be rejected, due to defective materials or workmanship, prior to final completion and acceptance of the project.

Enclosed herewith find certified check or bid bond in the amount of **5% OF THE BID TOTAL** made payable to the "Treasurer, State of New Hampshire," as a proposal guarantee which it is understood will be forfeited in the event the Contract is not executed, if awarded by the Department to the undersigned.

I acknowledge, understand, and accept these terms and conditions.

Re: Perimeter Security & Fence Detection System
NH DOT Project No.: 81098B
Statement Concerning Auto Coverages-Instructions to Bidders

Dear Ms. Jouvelakas:

Please be advised that Integrated Facilities Construction Corp. ("IFCC") does not "own" or "borrow" any vehicles. Therefore, the Commercial Automobile Liability ("Auto Coverage") as identified in the Instructions to Bidders ("ITB") is inapplicable because it would be impossible for IFCC to obtain coverage for either "owned" or "borrowed" autos as they simply do not exist. IFCC does, however, have Auto Coverage for hired and non-owned autos. As a point of reference, you recall that this statement was accepted by the State of New Hampshire in connection with the last two (2) projects we have and are currently performing (the Patrol Shed project in Manchester, NH, and APS Beds Renovate E&F Patient Units project in Concord, NH).

IFCC submits that based on the above, the Auto Coverage meets the requirements of the ITB which the Office of the Attorney General has previously accepted.

Very truly yours,
Integrated Facilities Construction Corp.
