

THE STATE OF NEW HAMPSHIRE
DEPARTMENT OF TRANSPORTATION

59

William Cass, P.E.
Commissioner

David Rodrigue, P.E.
Assistant Commissioner
Andre Briere, Colonel, USAF (RET)
Deputy Commissioner

His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

Bureau of Construction
October 5, 2023

REQUESTED ACTION

1. Authorize the Department of Transportation to enter into a contract with Miller Construction, Inc. (Vendor 160360) of Windsor, VT, on the basis of a low bid of \$918,592 for bridge preservation on one bridge in Charlestown on NH 12 (Project: Charlestown #42484), from the date of Governor and Council approval through August 1, 2025, unless amended by the Department in accordance with the Standard Specifications. 100% Federal Funds.

Funding is available in State Fiscal Years 2024 and 2025, and is anticipated to be available in 2026 as follows, with the ability to adjust encumbrances through the Budget Office between State Fiscal Years if needed and justified:

Table with 4 columns: Funding is available as follows, FY 2024, FY 2025, FY 2026. Rows include Consolidated Federal Aid and 400-500870 Highway Contract Payments.

2. Further authorize that a contingency in the amount of \$91,859.20 be approved for payment of latent conditions, which may appear during the construction of the project. The contingency requested is 10% of the contract amount.

Table with 2 columns: Funding is available as follows, FY 2025. Rows include Consolidated Federal Aid and 400-500870 Highway Contract Payments.

EXPLANATION

This project is part of the State's Ten-Year Transportation Improvement Plan, under the Bridge Tier 1-2 Maintenance-Preservation Program. This project consists of bridge preservation work on one bridge located in the Town of Charlestown. The bridge, Charlestown Br. No. 181/058, carrying NH 12 over New England Central Railroad (NECR), is a concrete rigid frame. Work begins approximately 300' south of the south end of the bridge and continues 700' north across the bridge. Work includes removal and replacement of pavement and membrane, partial and full depth repairs to the concrete deck, removal and replacement of the deck/coping along the western fascia of the bridge, replacement of bridge and approach rail and snow fence on the western side of the bridge, and concrete repairs to the frame legs and wingwalls.

Charlestown Br. No. 181/058 (NH12) is currently #51 on the 2021 Tier 1&2 Maintenance & Preservation priority list. This work is intended to extend the bridge service life before full deck replacement is needed.

The proposed contingency amount is 10% of the contract amount. This is to account for the risks associated with the unknown extent of the bridge repairs.

Although the bid costs exceeded the Department's estimate by 26.36%, the low bid of three bids received is felt to be reasonable for the work involved. Several items that contributed to the higher than expected bid include: Item 692 Mobilization \$20,000, Item 403.11023 Pavement \$19,200, Item 512.02 Concrete Repairs \$18,720, Item 616.161 Traffic Signal (temporary) \$18,000 and Item 520.0201 Concrete Class AA \$17,550. Readvertising this project would result, in our opinion, in higher prices and prevent the completion of the work in a timely manner. The Department considers it to be in the best interest of the State to accept this bid to accomplish these needed repairs.

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available and the bid reasonably conforms to the engineer's estimate in accordance with State procedure. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

This project funding is: 80% Federal funds (Bridg-T1-2-Main-Pres), with anticipated utilization of Turnpike Toll Credits for the State's 20% match, effectively using 100% Federal Funds.

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Your approval of this resolution is respectfully requested.

Sincerely,

William J. Cass, P.E.
Commissioner

WJC/pcj

Department Estimate:	\$726,940.35
Contract Amount:	<u>\$918,592.00</u>

SUPPLEMENTAL PROJECT INFORMATION SHEET

DESCRIPTION: This project consists of bridge preservation work on one bridge located in the Town of Charlestown. The bridge, Charlestown Br. No. 181/058, carrying NH 12 over New England Central Railroad (NECR), is a concrete rigid frame. Work begins approximately 300' south of the south end of the bridge and continues 700' north across the bridge. Work includes removal and replacement of pavement and membrane, partial and full depth repairs to the concrete deck, removal and replacement of the deck/coping along the western fascia of the bridge, replacement of bridge and approach rail and snow fence on the western side of the bridge, and concrete repairs to the frame legs and wingwalls.

FEDERAL FUNDING: 80% (Bridg-T1-2-Main-Pres) with anticipated utilization of Turnpike Toll Credits for the State's 20% match.

CONTINGENCY: The proposed contingency amount is 10% of the contract amount. This is to account for the risks associated with the unknown extent of the bridge repairs.

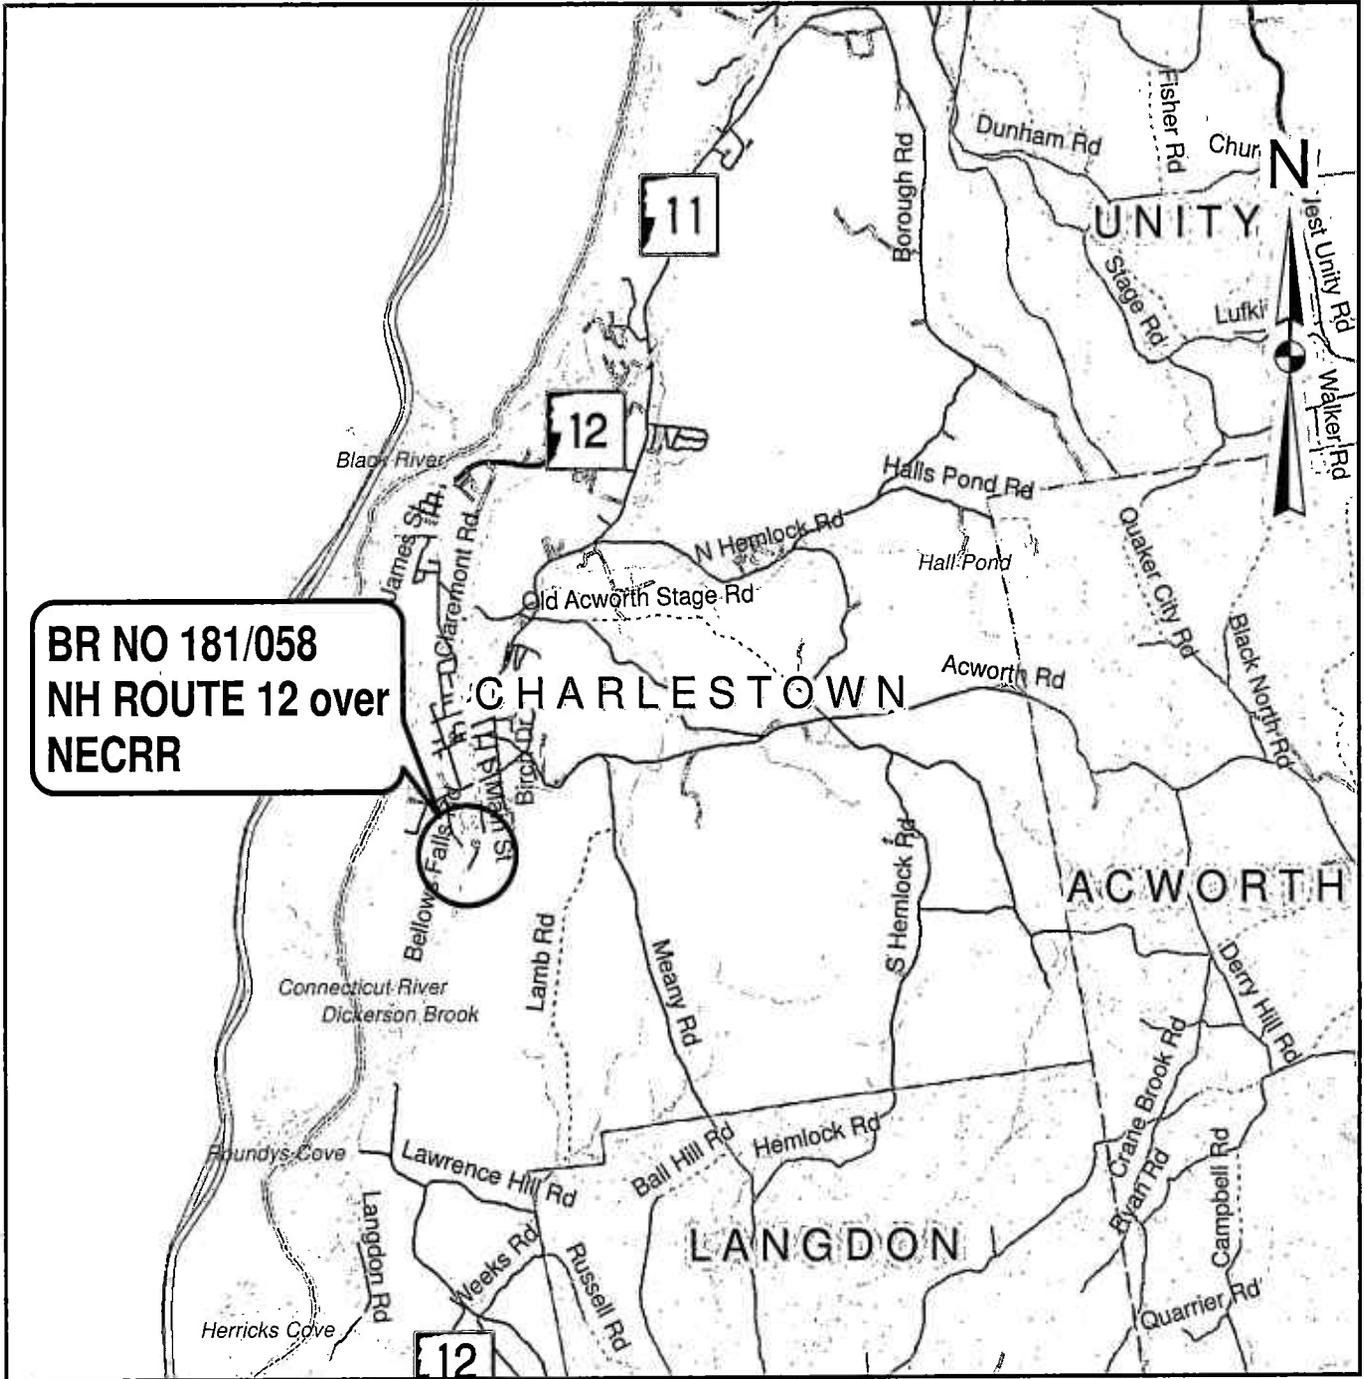

PROJECT INITIATED: 2018 Tier 1&2 Bridge Maintenance & Preservation Priority List

PROJECT EXPLANATION: Charlestown Br. No. 181/058 (NH12) is currently #51 on the 2021 Tier 1&2 Maintenance & Preservation priority list. This work is intended to extend the bridge service life before full deck replacement is needed.

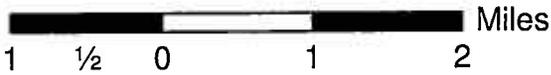

TRAFFIC IMPLICATION: The project will be conducted in three phases. Phase one will consist of two way traffic with work on the west fascia to be conducted behind barrier with the travel way narrowed and shifted. Phases 2 and 3 will consist of one-lane, alternating two-way traffic controlled by temporary signals. During all three phases of construction, the South Main Street 'Slip Ramp' located at the NE quadrant of the bridge will need to be fully closed. Traffic attempting to access South Main Street will be detoured to the Charlestown Primary School bus exit. In addition to this, closure traffic will not be permitted to turn left at the intersection of South Main Street and NH 12 for the duration of the project. The detour has been reviewed with both the Town and Charlestown Primary School as well as the Liberty Utilities Superintendent for the outpost located on South Main Street.

FINAL COMPLETION DATE: August 1, 2025.

Department of State

CERTIFICATE

I, David M. Scanlan, Secretary of State of the State of New Hampshire, do hereby certify that MILLER CONSTRUCTION INC. is a Vermont Profit Corporation registered to transact business in New Hampshire on June 01, 1962. I further certify that all fees and documents required by the Secretary of State's office have been received and is in good standing as far as this office is concerned.

Business ID: 2514

Certificate Number: 0006333087

IN TESTIMONY WHEREOF,

I hereto set my hand and cause to be affixed
the Seal of the State of New Hampshire,
this 12th day of October A.D. 2023.

A handwritten signature in black ink, appearing to read "D. Scanlan", is written over a faint circular outline.

David M. Scanlan
Secretary of State

CERTIFICATE OF VOTE

I, Ellen L. Hurst Hereby certify that I am duly elected
Secretary of MILLER CONSTRUCTION, INC.

I hereby certify the following is a true copy of a vote taken at a meeting
of the Board of Directors of the Corporation, duly called and held
on October 6, 2023, at which a quorum of the Board was present
and voting.

VOTED: That Paul J. Holloway is duly authorized
to enter into a specific contract namely CHARLESTOWN X-A005(053) 42484
With State of New Hampshire, and further authorized to
Department of Transportation
execute any documents which may in his judgment be desirable or necessary to effect
the purpose of this vote.

I hereby certify that said vote has not been amended or repealed and remains
in full force and effect as of October 6, 2023, and that
Paul J. Holloway is duly elected Vice President of this
Corporation.

DATED: October 6, 2023

ATTEST:  (Affix Corp. Seal)
Ellen L. Hurst, Secretary
