REQUESTED ACTION

Authorize the Department of Administrative Services to enter into an amendment to an existing contract (Contract #8003155) with CDS Unlimited LLC (VC#422357), Bennington, NH, for electrical low, medium, and high voltage repair services with no change to the price limitation of \$2,700,000 effective upon Governor and Council approval through January 31, 2026. The original contract (Contract #8003155) was approved by the Governor and Executive Council on February 8, 2023, item #135.

Funding shall be provided through individual agency expenditures, none of which shall be permitted unless there are sufficient appropriated funds to cover the expenditure.

EXPLANATION

As previously stated, the original contract was approved by the Governor and Executive Council on February 8, 2023, item #135.

The purpose of this request is to amend language contained within the original contract (Contract #8003155) that limits project engagement to \$25,000 per occurrence as this was not the intent of the Department of Administrative Services, Bureau of Purchase and Property (BoPP) when the contract was created. On November 3, 2023 the Department of Justice recommended amending the language to accurately reflect significance of the \$25,000 per project price limitation and the contract (Contract #8003155) was subsequently amended to read upon approval, as follows:

Original contract language:

“Individual projects are not to exceed \$25,000 including all costs associated with any individual project, including supervision, labor, material, equipment, construction equipment, machinery and supplies etc.” (Section 4: Scope of Services, p. 7)

Amended contract language:

“Unless an exemption is lawfully in place, individual projects exceeding \$25,000 including all costs associated with any individual project including supervision, labor, materials, equipment, construction equipment, machinery and supplies shall not proceed without the approval of the Department of Public Works”

On November 14, 2023 BoPP issued amendments to all Contractors for electrical low, medium, and high voltage repair services and electrical low and medium voltage repair services: CDS Unlimited LLC (Contract #8003155), Harry O Electrical Corporation (Contract #8003183) and Richardson Electrical Co., Inc. (Contract #8003192) for Contractor execution. This will allow agencies to engage Contractors in individual projects over \$25,000 while meeting the requirements of Department of Public Works notification and approval.

Based on the foregoing, I am respectfully recommending approval of the contract amendment with CDS Unlimited LLC.

Respectfully submitted,

Charles M. Arlinghaus
Commissioner

REQUESTED ACTION

Authorize the Department of Administrative Services to enter into a **Retroactive** contract with CDS Unlimited LLC (VC#422357), Bennington, NH, in the amount of \$2,700,000 for electrical low, medium and high voltage repair services, with the option to extend for two additional one-year periods, effective upon Governor and Council approval for the period February 1, 2023 through January 31, 2026.

Funding shall be provided through individual agency expenditures, none of which shall be permitted unless there are sufficient appropriated funds to cover the expenditure.

EXPLANATION

This request is **Retroactive** because of unanticipated delays in document execution and approval processing. The Department of Administrative Services, through the Bureau of Purchase and Property, issued request for bid 2675-23 on September 1, 2022 with responses due on September 20, 2022. This bid reached 27 vendors through the NIGP electronic sourcing platform with an additional 3 directly sourced. There were three responses received for this multi-award contract with CDS Unlimited LLC submitting the lowest compliant pricing for their respective counties.

It is the Department's intent to enter into contracts with each of the three vendors who submitted compliant responses. When an agency wishes to use these services, that agency will develop a scope of work (SOW) and the Department of Administrative Services will request a quote from each of the three vendors. Each SOW will detail various requirements related to the services, planning and implementation of new projects. The project engagement will be awarded to the lowest-cost, qualified quote. The three vendors, upon approval, will be CDS Unlimited LLC, Harry-O Electrical Corporation, and Richardson Electrical Co., Inc.

Electrical low and medium voltage repair services (under 600 Volts) are used statewide by multiple agencies to maintain their facilities during normal operations. This includes, but is not limited to, the electrical services required to add equipment/machinery to existing buildings and relocate operations as necessary.

Upon approval, the contract with CDS Unlimited LLC will provide electrical low and medium repair services for all counties within the State while representing a \$116,663.14 or 12.48% cost savings over the average of the three incumbent contractors. The incumbent contractors are AI Solutions (Contract #8002911), Gerard LaFlamme (Contract #8002660), and Harry-O Electric (Contract #8002662).

The table below illustrates the contracted average price per county of the three incumbent contractors compared to the bid prices provided by CDS Unlimited LLC. CDS Unlimited LLC is offering coverage for three counties that are currently not represented by contract coverage. In addition to greater coverage, CDS Unlimited LLC will provide significant cost savings for services in several other counties. Finally, CDS Unlimited LLC will provide statewide high voltage (over 600 volts) repair services, which is a new service for the State.

Awarding CDS Unlimited LLC a contract for low, medium, and high voltage repair services will provide a solution for agencies requiring assistance with ongoing and future projects. The State presently utilizes many electrical low and medium voltage repair services. Through this contract agencies will now have access to high voltage repair services (over 600 Volts), which had been previously unavailable under contract.

Based on the foregoing, I am respectfully recommending approval of the **Retroactive** contract with CDS Unlimited LLC.

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 (“State”), engages contractor identified in block 1.3 (“Contractor”) to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference (“Services”).

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 (“Effective Date”).

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete

compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor’s books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State’s representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer’s decision shall be final for the State.

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

10. DATA/ACCESS/CONFIDENTIALITY/PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omission of the Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under

this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.
