REQUESTED ACTION

Authorize the Governor's Office for Emergency Relief and Recovery (GOFERR) to enter into an agreement with the Town of Barrington, (VC #177234), in the amount of \$100,000 in American Rescue Plan Act (ARPA) State Fiscal Recovery Funds (SFRF) as part of the Municipal Boat Launch Investment Program, which will provide awards to local governments seeking to repair or replace municipally-owned boat launches located in New Hampshire, effective upon approval by Governor and Executive Council through August 31, 2024. This is an allowable use of ARPA SFRF funds under Section 602 (c)(1)(A) to respond to the public health emergency or its negative economic impacts. 100% Federal Funds.

Funds are available as follows:

24690000 - ARP Grants and Disbursements

072 - 500574 Grants Federal FY2024 \$100,000

EXPLANATION

ARPA SFRF funding in the amount of \$2,052,050 was approved by Governor and Council on September 21, 2022 (Item #70) to fund the Municipal Boat Launch Investment Program, which provides funds for expenses related to repair or replacement of existing, municipally-owned boat launches and associated structures at New Hampshire lakes, ponds, and rivers. Typical examples of costs eligible for reimbursement would be construction materials, demolition, design, immediate parking area construction costs, signage investments to improve accessibility for disabled users, and labor costs associated with the afore-mentioned expenses. Municipalities receiving program awards must agree to maintain the premises at their own expense, provide or maintain access to the general public (both residents and non-residents) to the ramp and/or dock facility, parking, and other structures associated with the facility, in perpetuity.

The Program opened on December 1, 2022, and closed on June 1, 2023. Program funding is eligible to be used for reimbursement of expenses incurred between March 3, 2021, and the completion of an eligible project, no later than July 31, 2024, related to the repair or replacement of existing boat launches and associated structures. The eligible expenses or costs must not have been reimbursed or covered by any other source, such as a state, local, federal, or any other entity.

The maximum award for any individual project is \$100,000. However, the program requires the Municipality to contribute 25% of the total eligible invoiced costs submitted for reimbursement. As a

result, the program will award up to 75% of such costs through ARPA SFRF, up to the maximum award per project. A project's total eligible costs may exceed the allowable award amount; however, any additional costs will be the responsibility of the municipality. Applications are reviewed, and awards are issued, on a rolling basis.

This particular award will provide funding on a reimbursement basis in support of the Town of Barrington using the funds to improve the Ayers Lake boat launch in order to ensure safe access and proper protection of the environment.

In the event that Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Executive Director, GOFERR
