EXPLANATION

Public Value Partnerships are awarded to nonprofit arts organizations, with a minimum of five years of continuous arts programming and professional staffing, to strengthen their capacity for offering affordable, diverse arts program to New Hampshire's residents and visitors. Grant categories and deadlines are advertised through the divisions' website, social media, and electronic newsletters.

At the time of evaluation, the NH State Art Councilors unanimously voted to accept the Arts Division's Public Value Partnership Review Panel's recommendations for the partnerships based on its funding priority ranking within a competitive review. There were fifty-four applications received and fifty-three grants were awarded. The five-member peer panel considered seventeen criteria to arrive at a consensus ranking for each application. The evaluative criteria range from the administrative capacity of the organization to artistic quality, strategic planning, community impact, and accessibility.

The Attorney General's Office has reviewed and approved the grant agreement as to form, substance and execution.

Respectfully submitted,
