**REQUESTED ACTION**

Authorize the Department of Environmental Services to award a grant to the Nature Conservancy (TNC), (VC#177785-B002), Concord, NH, in the amount of \$72,363, to protect approximately 38 acres within the wellhead protection area for the Village of Groveton and Northumberland's drinking water supply wells, effective upon Governor and Council approval through December 31, 2025. 100% Drinking Water and Groundwater Trust Fund.

Funding is available in the following account:

Dept. Environmental Services, Drinking Water and Groundwater Trust Fund, Grants Non-Federal	

**EXPLANATION**

The Drinking Water and Groundwater Trust Fund (DWGTF) was created in 2016, using \$276 million of MtBE trial judgment funds, as authorized by RSA 485-F. The purpose of the DWGTF is to provide sustainable, long-term funding for the protection, preservation, and enhancement of the drinking water and groundwater resources of the State. The Drinking Water and Groundwater Advisory Commission (Advisory Commission) was established to administer the DWGTF and to provide guidance to the State on the use of the funds.

On November 14, 2022, the Advisory Commission voted to authorize grants for six drinking water source protection projects. TNC's request for \$72,363 was selected for grant funding from the DWGTF to purchase the property in-fee with conservation restrictions on 38 acres of land within the wellhead protection area for the Village of Groveton and Northumberland's only drinking water supply wells. The Town of Northumberland submitted a letter to the Advisory Commission supporting this project.

The total project cost for TNC to purchase the property is \$545,948. The DWGTF will provide \$72,363 with \$473,585 in match provided by TNC from other funding sources. The purchase price of the property is based on a recent appraisal of fair market value.

Attachment A contains a map showing the relationship of the land to the protected water supply source. In the event that these funds become no longer available, General Funds will not be requested to support this project. This agreement has been approved by the Attorney General's Office as to form, substance, and execution.

We respectfully request your approval of this item.
